# **An Act about a goods and services tax to implement A New Tax System, and for related purposes**

## **Chapter 1—Introduction**

### **Part 1-1—Preliminary**

#### **Division 1—Preliminary**

##### **1-1 Short title** *[see Note 1]*

This Act may be cited as the *A New Tax System (Goods and Services Tax) Act 1999*.

##### **1-2 Commencement**

- (1) This Act commences on 1 July 2000.

##### **1-3 Commonwealth-State financial relations**

The Parliament acknowledges that the Commonwealth:

- (a) will introduce legislation to provide that the revenue from the GST will be granted to the States, the Australian Capital Territory and the Northern Territory; and
- (b) will maintain the rate and base of the GST in accordance with the Agreement on Principles for the Reform of Commonwealth-State Financial Relations endorsed at the Special Premiers' Conference in Canberra on 13 November 1998.

##### **1-4 States and Territories are bound by the GST law**

The \*GST law binds the Crown in right of each of the States, of the Australian Capital Territory and of the Northern Territory. However, it does not make the Crown liable to be prosecuted for an offence.

## **Part 1-2—Using this Act**

### **Division 2—Overview of the GST legislation**

#### **2-1 What this Act is about**

This Act is about the GST.

It begins (in Chapter 2) with the basic rules about the GST, and then sets out in Chapter 3 the exemptions from the GST and in Chapter 4 the special rules that can apply in particular cases.

It concludes with definitions and other interpretative material.

Note: The GST is imposed by 6 Acts, the most important of which are:

- (a) the *A New Tax System (Goods and Services Tax Imposition—General) Act 1999*; and
- (b) the *A New Tax System (Goods and Services Tax Imposition—Customs) Act 1999*; and
- (c) the *A New Tax System (Goods and Services Tax Imposition—Excise) Act 1999*.

#### **2-5 The basic rules (Chapter 2)**

Chapter 2 has the basic rules for the GST, including:

- when and how the GST arises, and who is liable to pay it;
- when and how input tax credits arise, and who is entitled to them;
- how to work out payments and refunds of GST;
- when and how the payments and refunds are to be made.

#### **2-10 The exemptions (Chapter 3)**

Chapter 3 sets out the supplies and importations that are GST-free or input taxed.

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **2-15 The special rules (Chapter 4)**

Chapter 4 has special rules which, in particular cases, have the effect of modifying the basic rules in Chapter 2.

Note: There is a checklist of special rules at the end of Chapter 2 (in Part 2-8).

## **2-20 Miscellaneous (Chapter 5)**

Chapter 5 deals with miscellaneous matters.

## **2-25 Interpretative provisions (Chapter 6)**

Chapter 6 contains the Dictionary, which sets out a list of all the terms that are defined in this Act. It also sets out the meanings of some important concepts and rules on how to interpret this Act.

## **2-30 Administration, collection and recovery provisions in the *Taxation Administration Act 1953***

Parts 3-10 and 4-15 in Schedule 1 to the *Taxation Administration Act 1953* contain provisions relating to the administration of the GST, and to collection and recovery of amounts of GST.

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

## **Division 3—Defined terms**

### **3-1 When defined terms are identified**

- (1) Many of the terms used in the law relating to the GST are defined.
- (2) Most defined terms in this Act are identified by an asterisk appearing at the start of the term: as in “\*enterprise”. The footnote that goes with the asterisk contains a signpost to the Dictionary definitions starting at section 195-1.

### **3-5 When terms are *not* identified**

- (1) Once a defined term has been identified by an asterisk, later occurrences of the term in the same subsection are *not* usually asterisked.
- (2) Terms are *not* asterisked in the non-operative material contained in this Act.

Note: The non-operative material is described in Division 4.

- (3) The following basic terms used throughout the Act are *not* identified with an asterisk.

<b>Common definitions that are not asterisked</b>	
<b>Item</b>	<b>This term:</b>
1	acquisition
2	amount
3	Australia
4	Commissioner
5	entity
6	goods
7	GST
8	import
8A	individual
9	input tax credit

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

<b>Common definitions that are not asterisked</b>	
<b>Item</b>	<b>This term:</b>
10	tax period
11	thing
12	supply
13	you

### **3-10 Identifying the defined term in a definition**

Within a definition, the defined term is identified by *bold italics*.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

## **Division 4—Status of Guides and other non-operative material**

### **4-1 Non-operative material**

In addition to the operative provisions themselves, this Act contains other material to help you identify accurately and quickly the provisions that are relevant to you and to help you understand them.

This other material falls into 2 main categories.

### **4-5 Explanatory sections**

One category is the explanatory section in many Divisions. Under the section heading “What this Division is about”, a short explanation of the Division appears in boxed text.

Explanatory sections form part of this Act but are not operative provisions. In interpreting an operative provision, explanatory sections may only be considered for limited purposes. They are set out in section 182-10.

### **4-10 Other material**

The other category consists of material such as notes and examples. These also form part of the Act. They are distinguished by type size from the operative provisions (except for formulas), but are not kept separate from them.

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

## **Chapter 2—The basic rules**

### **Division 5—Introduction**

#### **5-1 What this Chapter is about**

This Chapter sets out the basic rules for the GST. In particular, these rules will tell you:

- where liability for GST arises;
- where entitlements to input tax credits arise;
- how the amounts of GST and input tax credits are combined to work out the amount payable by you or to you;
- when and how that amount is to be paid.

#### **5-5 The structure of this Chapter**

The diagram on the next page shows how the basic rules in this Chapter relate to each other. It also shows their relationship with:

- the exemptions (Chapter 3)—these provisions exempt from the GST what would otherwise be taxable; and
- the special rules (Chapter 4)—these provisions modify the basic rules in particular situations, often in quite limited ways.

## **Part 2-1—The central provisions**

### **Division 7—The central provisions**

#### **7-1 GST and input tax credits**

- (1) GST is payable on \*taxable supplies and \*taxable importations.
- (2) Entitlements to input tax credits arise on \*creditable acquisitions and \*creditable importations.

For taxable supplies and creditable acquisitions, see Part 2-2.

For taxable importations and creditable importations, see Part 2-3.

#### **7-5 Net amounts**

Amounts of GST and amounts of input tax credits are set off against each other to produce a \*net amount for a tax period (which may be altered to take account of \*adjustments).

For net amounts (including adjustments to net amounts), see Part 2-4.

#### **7-10 Tax periods**

Every entity that is \*registered, or \*required to be registered, has tax periods applying to it.

For registration, see Part 2-5.

For tax periods, see Part 2-6.

#### **7-15 Payments and refunds**

The \*net amount for a tax period is the amount that the entity must pay to the Commonwealth, or the Commonwealth must refund to the entity, in respect of the period.

For payments and refunds (and GST returns), see Part 2-7.

Note: Refunds may be set off against your other liabilities (if any) under laws administered by the Commissioner.

## Part 2-2—Supplies and acquisitions

### Division 9—Taxable supplies

#### Table of Subdivisions

- 9-A What are taxable supplies?
- 9-B Who is liable for GST on taxable supplies?
- 9-C How much GST is payable on taxable supplies?

#### 9-1 What this Division is about

GST is payable on taxable supplies. This Division defines taxable supplies, states who is liable for the GST, and describes how to work out the GST on supplies.

#### Subdivision 9-A—What are taxable supplies?

#### 9-5 Taxable supplies

You make a *taxable supply* if:

- (a) you make the supply for \*consideration; and
- (b) the supply is made in the course or furtherance of an \*enterprise that you \*carry on; and
- (c) the supply is \*connected with Australia; and
- (d) you are \*registered, or \*required to be registered.

However, the supply is not a \*taxable supply to the extent that it is \*GST-free or \*input taxed.

#### 9-10 Meaning of *supply*

- (1) A *supply* is any form of supply whatsoever.
- (2) Without limiting subsection (1), *supply* includes any of these:
  - (a) a supply of goods;
  - (b) a supply of services;

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (c) a provision of advice or information;
  - (d) a grant, assignment or surrender of \*real property;
  - (e) a creation, grant, transfer, assignment or surrender of any right;
  - (f) a \*financial supply;
  - (g) an entry into, or release from, an obligation:
    - (i) to do anything; or
    - (ii) to refrain from an act; or
    - (iii) to tolerate an act or situation;
  - (h) any combination of any 2 or more of the matters referred to in paragraphs (a) to (g).
- (3) It does not matter whether it is lawful to do, to refrain from doing or to tolerate the act or situation constituting the supply.
- (3A) For the avoidance of doubt, the delivery of:
- (a) livestock for slaughtering or processing into \*food; or
  - (b) game for processing into \*food;
- under an arrangement under which the entity making the delivery only relinquishes title after food has been produced, is the supply of the livestock or game (regardless of when the entity relinquishes title). The supply does not take place on or after the subsequent relinquishment of title.
- (4) However, a supply does not include a supply of \*money unless the money is provided as \*consideration for a supply that is a supply of money.

### **9-15 Consideration**

- (1) **Consideration** includes:
  - (a) any payment, or any act or forbearance, in connection with a supply of anything; and
  - (b) any payment, or any act or forbearance, in response to or for the inducement of a supply of anything.
- (2) It does not matter whether the payment, act or forbearance was voluntary, or whether it was by the \*recipient of the supply.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 9-20

---

- (2A) It does not matter:
- (a) whether the payment, act or forbearance was in compliance with an order of a court, or of a tribunal or other body that has the power to make orders; or
  - (b) whether the payment, act or forbearance was in compliance with a settlement relating to proceedings before a court, or before a tribunal or other body that has the power to make orders.
- (2B) For the avoidance of doubt, the fact that the supplier is an entity of which the \*recipient of the supply is a member, or that the supplier is an entity that only makes supplies to its members, does not prevent the payment, act or forbearance from being consideration.
- (3) However:
- (a) if a right or option to acquire a thing is granted, then:
    - (i) the consideration for the supply of the thing on the exercise of the right or option is limited to any additional consideration provided either for the supply or in connection with the exercise of the right or option; or
    - (ii) if there is no such additional consideration—there is no consideration for the supply; and
  - (b) making a gift to a non-profit body is not the provision of consideration; and
  - (c) a payment made by a \*government related entity to another government related entity is not the provision of consideration if the payment is specifically covered by an appropriation under an \*Australian law.

## 9-20 Enterprises

- (1) An *enterprise* is an activity, or series of activities, done:
- (a) in the form of a \*business; or
  - (b) in the form of an adventure or concern in the nature of trade; or
  - (c) on a regular or continuous basis, in the form of a lease, licence or other grant of an interest in property; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (d) by the trustee of a fund that is covered by, or by an authority or institution that is covered by, Subdivision 30-B of the *Income Tax Assessment Act 1997* and to which deductible gifts can be made; or
  - (da) by a trustee of a \*complying superannuation fund or, if there is no trustee of the fund, by a person who manages the fund; or
  - (e) by a charitable institution or by a trustee of a charitable fund; or
  - (f) by a religious institution; or
  - (g) by the Commonwealth, a State or a Territory, or by a body corporate, or corporation sole, established for a public purpose by or under a law of the Commonwealth, a State or a Territory; or
  - (h) by a trustee of a fund covered by item 2 of the table in section 30-15 of the ITAA 1997 or of a fund that would be covered by that item if it had an ABN.
- (2) However, *enterprise* does not include an activity, or series of activities, done:
- (a) by a person as an employee or in connection with earning \*withholding payments covered by subsection (4) (unless the activity or series is done in supplying services as the holder of an office that the person has accepted in the course of or in connection with an activity or series of activities of a kind mentioned in subsection (1)); or
- Note: Acts done as mentioned in paragraph (a) will still form part of the activities of the enterprise to which the person provides work or services.
- (b) as a private recreational pursuit or hobby; or
  - (c) by an individual (other than a trustee of a charitable fund, or of a fund covered by item 2 of the table in section 30-15 of the ITAA 1997 or of a fund that would be covered by that item if it had an ABN), or a \*partnership (all or most of the members of which are individuals), without a reasonable expectation of profit or gain; or

- (3) For the avoidance of doubt, the fact that activities of an entity are limited to making supplies to members of the entity does not prevent those activities:
- (a) being in the form of a \*business within the meaning of paragraph (1)(a); or
  - (b) being in the form of an adventure or concern in the nature of trade within the meaning of paragraph (1)(b).

### **9-30 Supplies that are GST-free or input taxed**

#### *GST-free*

- (a) it is GST-free under Division 38 or under a provision of another Act; or
  - (b) it is a supply of a right to receive a supply that would be GST-free under paragraph (a).

#### *Input taxed*

- (a) it is input taxed under Division 40 or under a provision of another Act; or
  - (b) it is a supply of a right to receive a supply that would be input taxed under paragraph (a).

Note: If a supply is input taxed, there is no entitlement to an input tax credit for the things that are acquired or imported to make the supply (see sections 11-15 and 15-10).

#### *Supplies that would be both GST-free and input taxed*

- (3) To the extent that a supply would, apart from this subsection, be both \*GST-free and \*input taxed:
- (a) the supply is GST-free and not input taxed, unless the provision under which it is input taxed requires the supplier to have chosen for its supplies of that kind to be input taxed; or
  - (b) the supply is input taxed and not GST-free, if that provision requires the supplier to have so chosen.

Note: Subdivisions 40-E (School tuckshops and canteens) and 40-F (Fund-raising events conducted by charitable institutions etc.) require such a choice.)

## Subdivision 9-B—Who is liable for GST on taxable supplies?

### 9-40 Liability for GST on taxable supplies

You must pay the GST payable on any \*taxable supply that you make.

### 9-69 Special rules relating to liability for GST on taxable supplies

Chapter 4 contains special rules relating to liability for GST on taxable supplies, as follows:

Checklist of special rules		
Item	For this case ...	See:
1	Company amalgamations	Division 90
2	GST groups	Division 48
3	GST joint ventures	Division 51

5	Resident agents acting for non-residents	Division 57

## Subdivision 9-C—How much GST is payable on taxable supplies?

### 9-70 The amount of GST on taxable supplies

The amount of GST on a \*taxable supply is 10% of the \*value of the taxable supply.

### 9-75 The value of taxable supplies

(1) The *value* of a \*taxable supply is as follows:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

$$\text{Price} \times \frac{10}{11}$$

where:

**price** is the sum of:

- (a) so far as the \*consideration for the supply is consideration expressed as an amount of \*money—the amount (without any discount for the amount of GST (if any) payable on the supply); and
- (b) so far as the consideration is not consideration expressed as an amount of money—the \*GST inclusive market value of that consideration.

Example: You make a taxable supply by selling a car for \$22,000 in the course of carrying on an enterprise.

The value of the supply is:

$$\$22,000 \times \frac{10}{11} = \$20,00$$

The GST on the supply is therefore \$2,000 (i.e. 10% of \$20,000).

- (2) However, if the taxable supply is of a \*luxury car, the **value** of the taxable supply is as follows:

$$\text{Luxury car tax value} \times \frac{10}{11}$$

where:

**luxury car tax value** has the meaning given by section 5-20 of the *A New Tax System (Luxury Car Tax) Act 1999*.

- (3) In working out under subsection (1) the value of a \*taxable supply made in a \*tax period, being a supply that is a \*fringe benefit, the price is taken to be the sum of:
  - (a) to the extent that, apart from this subsection, paragraph (a) of the definition of **price** in subsection (1) would be applicable:
    - (i) if the fringe benefit is a car fringe benefit—so much of the amount that would be worked out under that paragraph as represented the \*recipient's payment made in that period; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 9-80

---

- (ii) if the fringe benefit is a benefit other than a car fringe benefit—so much of the amount that would be worked out under that paragraph as represented the \*recipients contribution made in that period; and
- (b) to the extent that, apart from this subsection, paragraph (b) of the definition of *price* in subsection (1) would be applicable:
  - (i) if the fringe benefit is a car fringe benefit—so much of the amount that would be worked out under that paragraph as represented the recipient’s payment made in that period; or
  - (ii) if the fringe benefit is a benefit other than a car fringe benefit—so much of the amount that would be worked out under that paragraph as represented the recipients contribution made in that period.

**9-80 The value of taxable supplies that are partly GST-free or input taxed**

- (1) If a supply (the *actual supply*) is:
  - (a) partly a \*taxable supply; and
  - (b) partly a supply that is \*GST-free or \*input taxed;the *value* of the part of the actual supply that is a taxable supply is the proportion of the value of the actual supply that the taxable supply represents.
- (2) The value of the actual supply, for the purposes of subsection (1), is as follows:

$$\frac{\text{*Price of the actual supply} \times 10}{10 + \text{Taxable proportion}}$$

where:

*taxable proportion* is the proportion of the value of the actual supply that represents the value of the \*taxable supply (expressed as a number between 0 and 1).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **9-85 Value of taxable supplies to be expressed in Australian currency**

- (1) For the purposes of this Act, the \*value of a \*taxable supply is to be expressed in Australian currency.
- (2) In working out the \*value of a \*taxable supply, any amount of the \*consideration for the supply that is expressed in a currency other than Australian currency is to be treated as if it were an amount of Australian currency worked out in the manner determined by the Commissioner.

### **9-90 Rounding of amounts of GST**

#### *One taxable supply recorded on an invoice*

- (1) If the amount of GST on a \*taxable supply that is the only taxable supply recorded on a particular \*invoice would, apart from this section, be an amount that includes a fraction of a cent, the amount of GST is rounded to the nearest cent (rounding 0.5 cents upwards).

#### *Several taxable supplies recorded on an invoice*

- (2) If 2 or more \*taxable supplies are recorded on the same \*invoice, the total amount of GST on the supplies is:
  - (a) what would be the amount of GST if it were worked out by:
    - (i) working out the GST on each of the supplies (without rounding the amounts to the nearest cent); and
    - (ii) adding the amounts together and, if the total is an amount that includes a fraction of a cent, rounding it to the nearest cent (rounding 0.5 cents upwards); or
  - (b) the amount worked out using the following method statement:

#### *Method statement*

*Step 1.* Work out, for each \*taxable supply, what would, apart from this section, be the amount of GST on the supply.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

*Step 2.* If the amount for the supply has more decimal places than the number of decimal places allowed by the accounting system used to work out the amount, round the amount (up or down as appropriate) to that number of decimal places.

Note: Subsection (4) gives further details of this rounding.

*Step 3.* Work out the sum of the amounts worked out under step 1 and (if applicable) step 2 for each supply.

*Step 4.* If the sum under step 3 includes a fraction of a cent, round the sum to the nearest cent (rounding 0.5 cents upwards).

- (3) Whether to use paragraph (2)(a) or paragraph (2)(b) to work out the total amount of GST on the supplies is a matter of choice for:
- (a) the supplier if the amount is being worked out to ascertain the supplier's liability for GST; or
  - (b) the \*recipient of the supplies if the amount is being worked out to ascertain the recipient's entitlement to input tax credits.
- (4) In applying step 2 of the method statement in subsection (2), if:
- (a) the number of decimal places in the amount for the supply exceeds by one decimal place the number of decimal places allowed by the accounting system used to work out the amount; and
  - (b) the last digit of the amount (before rounding) is 5;
- the amount is rounded upwards to that number of decimal places.

*Taxable supplies divided into items*

- (5) If one or more \*taxable supplies recorded on the same \*invoice are divided into 2 or more items:
- (a) subsection (1) does not apply; and
  - (b) subsection (2) applies as if each such item represented a separate taxable supply.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

*Taxable supplies recorded on documents other than invoices*

- (6) If one or more \*taxable supplies, none of which are recorded on an \*invoice, are recorded on a document that is not an invoice, this section applies as if the document were an invoice.

### **11-15 Meaning of *creditable purpose***

- (1) You acquire a thing for a *creditable purpose* to the extent that you acquire it in \*carrying on your \*enterprise.
- (2) However, you do not acquire the thing for a creditable purpose to the extent that:

  - (b) the acquisition is of a private or domestic nature.
- (3) An acquisition is not treated, for the purposes of paragraph (2)(a), as relating to making supplies that would be \*input taxed to the extent that the supply is made through an \*enterprise, or a part of an enterprise, that you \*carry on outside Australia.
- (4) An acquisition is not treated, for the purposes of paragraph (2)(a), as relating to making supplies that would be \*input taxed if:
  - (a) the only reason it would (apart from this subsection) be so treated is because it relates to making \*financial supplies; and

You are entitled to the input tax credit for any \*creditable acquisition that you make.

### 11-25 How much are the input tax credits for creditable acquisitions?

- (1) An acquisition that you make is *partly creditable* if it is a \*creditable acquisition to which one or both of the following apply:
  - (a) you make the acquisition only partly for a \*creditable purpose;
  - (b) you provide, or are liable to provide, only part of the \*consideration for the acquisition.
- (3) The amount of the input tax credit on an acquisition that you make that is \*partly creditable is as follows:

## Part 2-3—Importations

### Division 13—Taxable importations

#### 13-1 What this Division is about

GST is payable on taxable importations. This Division defines taxable importations, states who is liable for the GST and describes how to work out the GST on importations.

Note 1: This Division applies whether or not you are registered.

Note 2: Things other than goods that are supplied overseas for use in Australia (and are therefore in that sense “imported”) are not taxable importations, but they can attract GST under Division 84.

#### 13-5 What are taxable importations?

- (1) You make a *taxable importation* if:
- (a) goods are imported; and
  - (b) you enter the goods for home consumption (within the meaning of the *Customs Act 1901*).

However, the importation is not a taxable importation to the extent that it is a \*non-taxable importation.

Note: There is no registration requirement for taxable importations, and the importer need not be carrying on an enterprise.

- (3) However, an importation of \*money is not an importation of goods into Australia.

#### 13-10 Meaning of *non-taxable importation*

An importation is a *non-taxable importation* if:

- (a) it is a non-taxable importation under Part 3-2; or
- (b) it would have been a supply that was \*GST-free or \*input taxed if it had been a supply.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### 13-15 Who is liable for GST on taxable importations?

You must pay the GST payable on any \*taxable importation that you make.

### 13-20 How much GST is payable on taxable importations?

- (1) The amount of GST on the \*taxable importation is 10% of the \*value of the taxable importation.
- (2) The *value* of a \*taxable importation is the sum of:
  - (a) the \*customs value of the goods imported; and
  - (b) the amount paid or payable:
    - (i) for the \*international transport of the goods to their \*place of consignment in Australia; and
    - (ii) to insure the goods for that transport; to the extent that the amount is not already included under paragraph (a); and
  - (c) any \*customs duty payable in respect of the importation of the goods; and
  - (d) any \*wine tax payable in respect of the \*local entry of the goods.
- (2A) If an amount to be taken into account under paragraph (2)(b) is not an amount in Australian currency, the amount so taken into account is the equivalent in Australian currency of that amount, ascertained in the way provided in section 161J of the *Customs Act 1901*.
- (3) The Commissioner may, in writing:
  - (a) determine the way in which the amount paid or payable for a specified kind of transport or insurance is to be worked out for the purposes of paragraph (2)(b); and
  - (b) in relation to importations of a specified kind or importations to which specified circumstances apply, determine that the amount paid or payable for a specified kind of transport or insurance is taken, for the purposes of that paragraph, to be zero.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **13-25 The value of taxable importations that are partly non-taxable importations**

If an importation (the *actual importation*) is:

- (a) partly a \*taxable importation; and
- (b) partly a \*non-taxable importation;

the *value* of the part of the actual importation that is a taxable importation is the proportion of the value of the actual importation (worked out as if it were solely a taxable importation) that the taxable importation represents.

### **13-99 Special rules relating to taxable importations**

You are entitled to the input tax credit for any \*creditable importation that you make.

### **15-20 How much are the input tax credits for creditable importations?**

The amount of input tax credit for a \*creditable importation is an amount equal to the GST payable on the importation. However, the amount of the input tax credit is reduced if the importation is only \*partly creditable.

### **15-25 Importations that are partly creditable**

- (1) An importation that you make is *partly creditable* if it is a \*creditable importation that you make only partly for a \*creditable purpose.
- (3) The amount of the input tax credit on an importation that you make that is \*partly creditable is as follows:

Full input tax credit × Extent of creditable purpose

where:

*extent of creditable purpose* is the extent to which the importation is for a \*creditable purpose, expressed as a percentage of the total purpose of the importation.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 15-99

---

*full input tax credit* is what would have been the amount of the input tax credit for the importation if it had been made solely for a creditable purpose.

- (4) The Commissioner may determine, in writing, one or more ways in which to work out, for the purpose of subsection (3), the extent to which an importation is for a \*creditable purpose.

## Part 2-4—Net amounts and adjustments

### Division 17—Net amounts and adjustments

#### 17-1 What this Division is about

A net amount is worked out for each tax period that applies to you. This is the amount payable by you to the Commonwealth, or payable to you by the Commonwealth, for the tax period.

Adjustments can be made to the net amount. Increasing adjustments increase your net amount, and decreasing adjustments decrease your net amount.

Note 1: GST on taxable importations is not included in the net amount. It is dealt with separately under section 33-15.

Note 2: Net amounts payable to the Commonwealth are to be paid to the Commissioner on the Commonwealth's behalf (see Division 33).

#### 17-5 Net amounts

- (1) The **net amount** for a tax period applying to you is worked out using the following formula:

$GST - \text{Input tax credits}$

where:

**GST** is the sum of all of the GST for which you are liable on the \*taxable supplies that are attributable to the tax period.

**input tax credits** is the sum of all of the input tax credits to which you are entitled for the \*creditable acquisitions and \*creditable importations that are attributable to the tax period.

For the basic rules on what is attributable to a particular period, see Division 29.

- (2) However, the \*net amount for the tax period may be increased or decreased if you have any \*adjustments for the tax period.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **17-10 Adjustments**

If you have any \*adjustments that are attributable to a tax period applying to you, alter your \*net amount for the period as follows:

- (a) add to the amount worked out under subsection 17-5(1) for the period the sum of all the \*increasing adjustments (if any) that are attributable to the period;
- (b) subtract from that amount the sum of all the \*decreasing adjustments (if any) that are attributable to the period.

For the basic rules on what adjustments are attributable to a particular period, see Division 29.

### **17-15 Working out net amounts using approved forms**

- (1) You may choose to work out your \*net amount for a tax period in the way specified in an \*approved form if you use the form to notify the Commissioner of that net amount. The amount so worked out is treated as your net amount for the tax period.

Note: Choosing to use section 17-5 to work out your net amount does not mean your GST return is not in the approved form: see subsection 31-15(3).

- (2) This section has effect despite section 17-5.

### **17-20 Determinations relating to how to work out net amounts**

- (1) The Commissioner may make a determination that, in the circumstances specified in the determination, a \*net amount for a tax period may be worked out to take account of other matters in the way specified in the determination.
- (2) The matters must relate to correction of errors made in working out \*net amounts for the immediately preceding tax period.
- (3) If those circumstances apply in relation to a tax period applying to you, you may work out your \*net amount for the tax period in that way.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **Division 19—Adjustment events**

### **Table of Subdivisions**

- 19-A Adjustment events
- 19-B Adjustments for supplies
- 19-C Adjustments for acquisitions

### **19-1 What this Division is about**

Adjustments can arise because of adjustment events. They are events such as a cancellation of a supply or acquisition, or a change in the consideration for a supply or acquisition (for example, because of a volume discount).

Note: Importations do not give rise to adjustment events.

### **19-5 Explanation of the effect of adjustment events**

The following diagram shows how an \*adjustment event for a supply or acquisition can give rise to an \*increasing adjustment or a \*decreasing adjustment.

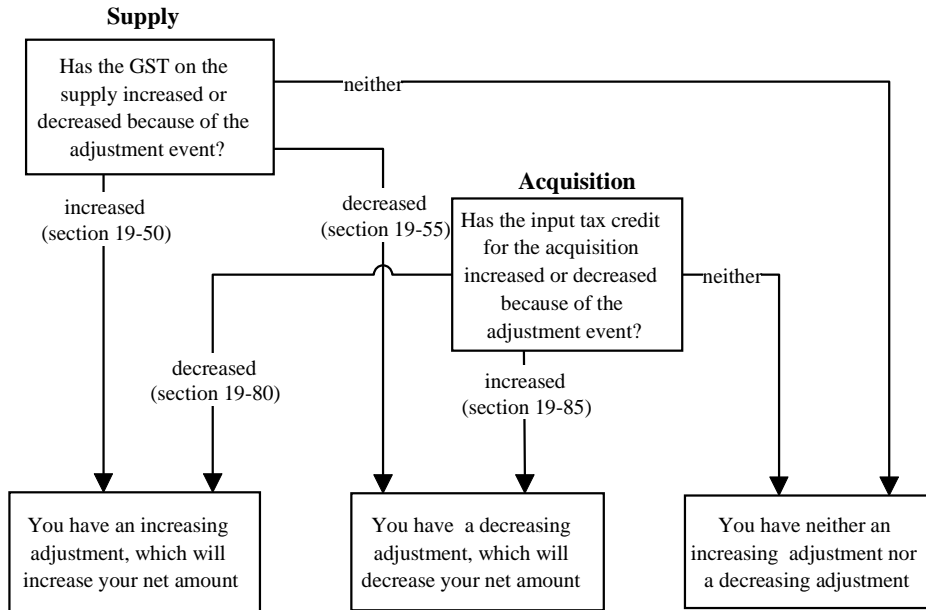

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 19-10

---

Note: This section is an explanatory section.

**Subdivision 19-A—Adjustment events**

**19-10 Adjustment events**

- (1) An **adjustment event** is any event which has the effect of:
- (a) cancelling a supply or acquisition; or
  - (b) changing the \*consideration for a supply or acquisition; or
  - (c) causing a supply or acquisition to become, or stop being, a \*taxable supply or \*creditable acquisition.

Example: If goods that are supplied for export are not exported within the time provided in section 38-185, the supply is likely to become a taxable supply after originally being a supply that was GST-free.

- (2) Without limiting subsection (1), these are \*adjustment events:
- (a) the return to a supplier of a thing, or part of a thing, supplied (whether or not the return involves a change of ownership of the thing);

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (b) a change to the previously agreed \*consideration for a supply or acquisition, whether due to the offer of a discount or otherwise;
  - (c) a change in the extent to which an entity that makes an acquisition provides, or is liable to provide, consideration for the acquisition (unless the entity \*accounts on a cash basis).
- (3) An \*adjustment event:
- (a) can arise in relation to a supply even if it is not a \*taxable supply; and
  - (b) can arise in relation to an acquisition even if it is not a \*creditable acquisition.
- (4) However, the return of a thing supplied, or part of a thing supplied, to its supplier is not an \*adjustment event if the return is for the purpose of repair or maintenance.

### **Subdivision 19-B—Adjustments for supplies**

#### **19-40 Where adjustments for supplies arise**

You have an *adjustment* for a supply for which you are liable to pay GST (or would be liable to pay GST if it were a \*taxable supply) if:

- (a) in relation to the supply, one or more \*adjustment events occur during a tax period; and
- (b) GST on the supply was attributable to an earlier tax period (or, if the supply was not a taxable supply, would have been attributable to an earlier tax period had the supply been a taxable supply); and
- (c) as a result of those adjustment events, the \*previously attributed GST amount for the supply (if any) no longer correctly reflects the amount of GST (if any) on the supply (the *corrected GST amount*), taking into account any change of circumstances that has given rise to an adjustment for the supply under this Subdivision or Division 21.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### 19-45 Previously attributed GST amounts

The *previously attributed GST amount* for a supply is:

- (a) the amount of any GST that was attributable to a tax period in respect of the supply; plus
- (b) the sum of any \*increasing adjustments, under this Subdivision or Division 21, that were previously attributable to a tax period in respect of the supply; minus
- (c) the sum of any \*decreasing adjustments, under this Subdivision or Division 21, that were previously attributable to a tax period in respect of the supply.

### 19-50 Increasing adjustments for supplies

If the \*corrected GST amount is *greater* than the \*previously attributed GST amount, you have an *increasing adjustment* equal to the difference between the corrected GST amount and the previously attributed GST amount.

### 19-55 Decreasing adjustments for supplies

If the \*corrected GST amount is *less* than the \*previously attributed GST amount, you have a *decreasing adjustment* equal to the difference between the previously attributed GST amount and the corrected GST amount.

## Subdivision 19-C—Adjustments for acquisitions

### 19-70 Where adjustments for acquisitions arise

- (1) You have an *adjustment* for an acquisition for which you are entitled to an input tax credit (or would be entitled to an input tax credit if the acquisition were a \*creditable acquisition) if:
  - (a) in relation to the acquisition, one or more \*adjustment events occur during a tax period; and
  - (b) an input tax credit on the acquisition was attributable to an earlier tax period (or, if the acquisition was not a creditable acquisition, would have been attributable to an earlier tax period had the acquisition been a creditable acquisition); and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (c) as a result of those adjustment events, the \*previously attributed input tax credit amount for the acquisition (if any) no longer correctly reflects the amount of the input tax credit (if any) on the acquisition (the ***corrected input tax credit amount***).
- (2) In working out the \*corrected input tax credit amount for the acquisition:
  - (a) take into account any change of circumstances that has given rise to an adjustment for the acquisition under this Subdivision or Division 21 or 129; and
  - (b) if an adjustment relating to the acquisition under Division 131 was attributable to an earlier tax period:
    - (i) do not take into account that adjustment; and
    - (ii) treat the acquisition as one in relation to which Division 131 had not applied.

### **19-75 Previously attributed input tax credit amounts**

The ***previously attributed input tax credit amount*** for an acquisition is:

- (a) the amount of any input tax credit that was attributable to a tax period in respect of the acquisition; minus
- (b) the sum of any \*increasing adjustments, under this Subdivision or Division 21, 129 or 131, that were previously attributable to a tax period in respect of the acquisition; plus
- (c) the sum of any \*decreasing adjustments, under this Subdivision or Division 21 or 129, that were previously attributable to a tax period in respect of the acquisition.

### **19-80 Increasing adjustments for acquisitions**

If the \*previously attributed input tax credit amount is *greater* than the \*corrected input tax credit amount, you have an ***increasing adjustment*** equal to the difference between the previously attributed input tax credit amount and the corrected input tax credit amount.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **19-85 Decreasing adjustments for acquisitions**

If the \*previously attributed input tax credit amount is *less* than the \*corrected input tax credit amount, you have a ***decreasing adjustment*** equal to the difference between the corrected input tax credit amount and the previously attributed input tax credit amount.

### **19-99 Special rules relating to adjustment events**

Chapter 4 contains special rules relating to \*adjustment events in particular cases, as follows:

<b>Checklist of special rules</b>		
<b>Item</b>	<b>For this case ...</b>	<b>See:</b>
1AA	Compulsory third party schemes	Division 79
1A	GST religious groups	Division 49

## Division 21—Bad debts

### 21-1 What this Division is about

If debts are written off as bad or are outstanding after 12 months, adjustments (for the purpose of working out net amounts) are made. They can arise both for amounts written off or outstanding and for recovery of amounts previously written off or outstanding.

Note: This Division does not apply to supplies and acquisitions that you account for on a cash basis (except in the limited circumstances referred to in Division 159).

### 21-5 Writing off bad debts (taxable supplies)

- (1) You have a *decreasing adjustment* if:
- (a) you made a \*taxable supply; and
  - (b) the whole or part of the \*consideration for the supply has not been received; and
  - (c) you write off as bad the whole or a part of the debt, or the whole or a part of the debt has been \*overdue for 12 months or more.

The amount of the decreasing adjustment is  $\frac{1}{11}$  of the amount written off, or  $\frac{1}{11}$  of the amount that has been overdue for 12 months or more, as the case requires.

- (2) However, you cannot have an \*adjustment under this section if you \*account on a cash basis.

### 21-10 Recovering amounts previously written off (taxable supplies)

You have an *increasing adjustment* if:

- (a) you made a \*taxable supply in relation to which you had a \*decreasing adjustment under section 21-5 for a debt; and
- (b) you recover the whole or a part of the amount written off, or the whole or a part of the amount that has been \*overdue for 12 months or more, as the case requires.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 21-15

---

The amount of the increasing adjustment is  $\frac{1}{11}$  of the amount recovered.

**21-15 Bad debts written off (creditable acquisitions)**

- (1) You have an *increasing adjustment* if:
- (a) you made a \*creditable acquisition for \*consideration; and
  - (b) the whole or part of the consideration is \*overdue, but you have not provided the consideration overdue; and
  - (c) the supplier of the thing you acquired writes off as bad the whole or a part of the debt, or the whole or a part of the debt has been overdue for 12 months or more.

The amount of the increasing adjustment is  $\frac{1}{11}$  of the amount written off, or  $\frac{1}{11}$  of the amount that has been overdue for 12 months or more, as the case requires.

- (2) However, you cannot have an \*adjustment under this section if you \*account on a cash basis.

**21-20 Recovering amounts previously written off (creditable acquisitions)**

You have a *decreasing adjustment* if:

- (a) you made a \*creditable acquisition in relation to which you had an \*increasing adjustment under section 21-15 for a debt; and
- (b) you pay to the supplier of the thing you acquired the whole or a part of the amount written off, or the whole or a part of the amount that has been \*overdue for 12 months or more, as the case requires.

The amount of the decreasing adjustment is  $\frac{1}{11}$  of the amount recovered.

#### 23-1 Explanation of Division

This diagram shows when you are required to be, and when you may, be registered.

Note: This section is an explanatory section.

#### 23-5 Who is required to be registered

You are **required to be registered** under this Act if:

- (a) you are \*carrying on an \*enterprise; and
- (b) your \*GST turnover meets the \*registration turnover threshold.

Note: It is the entity that carries on the enterprise that is required to be registered (and not the enterprise).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**23-10 Who may be registered**

- (1) You may be \*registered under this Act if you are carrying on an \*enterprise (whether or not your \*GST turnover is at, above or below the \*registration turnover threshold).
- (2) You may be \*registered under this Act if you intend to carry on an \*enterprise from a particular date.

**23-15 The registration turnover threshold**

- (1) Your *registration turnover threshold* (unless you are a non-profit body) is:
  - (a) \$50,000; or
  - (b) such higher amount as the regulations specify.
- (2) Your *registration turnover threshold* if you are a non-profit body is:
  - (a) \$100,000; or
  - (b) such higher amount as the regulations specify.

**23-99 Special rules relating to who is required to be registered or who may be registered**

## **Division 25—How you become registered, and how your registration can be cancelled**

### **Table of Subdivisions**

- 25-A How you become registered
- 25-B How your registration can be cancelled

### **Subdivision 25-A—How you become registered**

#### **25-1 When you must apply for registration**

You must apply, in the \*approved form, to be \*registered under this Act if:

- (a) you are not registered under this Act; and
- (b) you are \*required to be registered.

You must make your application within 21 days after becoming required to be registered.

#### **25-5 When the Commissioner must register you**

- (1) The Commissioner must \*register you if:
  - (a) you have applied for registration in an \*approved form; and
  - (b) the Commissioner is satisfied that you are \*carrying on an \*enterprise, or you intend to carry on an enterprise from a particular date specified in your application.

Note: Refusing to register you under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must \*register you (even if you have not applied for registration) if the Commissioner is satisfied that you are \*required to be registered.

Note: Registering you under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (3) The Commissioner must notify you in writing of any decision he or she makes in relation to you under this section. If the Commissioner decides to register you, the notice must specify the following:
- (a) the date of effect of your registration;
  - (b) your registration number;
  - (c) the tax periods that apply to you.

### **25-10 The date of effect of your registration**

- (1) The Commissioner must decide the date from which your \*registration takes effect, or took effect. However:
- (a) if you did not apply for registration and the Commissioner is satisfied that you are \*required to be registered—the date of effect must not be a day before the day on which you became required to be registered; or
  - (b) if you applied for registration—the date of effect must not be a day before:
    - (i) the day specified in your application; or
    - (ii) if the Commissioner is satisfied that you became required to be registered on an earlier day—the day that the Commissioner is satisfied is that earlier day; or
  - (c) if you are being registered only because you intend to \*carry on an \*enterprise—the date of effect must not be a day before the day specified, in your application for registration, as the day from which you intend to carry on the enterprise.

Note: Deciding the date of effect of your registration is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The \*Australian Business Registrar must enter in the \*Australian Business Register the date on which your \*registration takes or took effect.

### **25-15 Effect of backdating your registration**

If the Commissioner decides under section 25-10, as the date of effect of your \*registration (*your registration day*), a day before the day of the decision, then you are taken:

  - (c) for the purpose of determining whether an importation you made on or after that day was a \*creditable importation;
- to have been registered from and including your registration day.

Note: This section ensures that backdating your registration enables your supplies and acquisitions made on or after the date of effect to be picked up by the GST system. Section 25-10 limits the extent to which your registration can be backdated.

**25-49 Special rules relating to registration**

Chapter 4 contains special rules relating to \*registration in particular cases, as follows:

**Subdivision 25-B—How your registration can be cancelled**

**25-50 When you must apply for cancellation of registration**

If you are \*registered and you are not \*carrying on any \*enterprise, you must apply to the Commissioner in the \*approved form for cancellation of your \*registration. You must lodge your application within 21 days after the day on which you ceased to be carrying on any \*enterprise.

**25-55 When the Commissioner must cancel registration**

- (1) The Commissioner must cancel your \*registration if:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) you have applied for cancellation of registration in the \*approved form; and
- (b) at the time you applied for cancellation of registration, you had been registered for at least 12 months; and
- (c) the Commissioner is satisfied that you are not \*required to be registered.

Note: Refusing to cancel your registration under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must cancel your \*registration (even if you have not applied for cancellation of your registration) if:
  - (a) the Commissioner is satisfied that you are not \*carrying on an \*enterprise; and
  - (b) the Commissioner believes on reasonable grounds that you are not likely to carry on an enterprise for at least 12 months.

Note: Cancelling your registration under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (3) The Commissioner must notify you of any decision he or she makes in relation to you under this section. If the Commissioner decides to cancel your registration, the notice must specify the date of effect of the cancellation.

### **25-57 When the Commissioner may cancel your registration**

- (1) The Commissioner may cancel your \*registration if:
  - (a) less than 12 months after being registered, you apply for cancellation of registration in the \*approved form; and
  - (b) the Commissioner is satisfied that you are not \*required to be registered.

Note: Refusing to cancel your registration under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) In considering your application, the Commissioner may have regard to:
  - (a) how long you have been \*registered; and
  - (b) whether you have previously been registered; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (c) any other relevant matters.
- (3) The Commissioner must notify you of any decision he or she makes in relation to you under this section. If the Commissioner decides to cancel your registration, the notice must specify the date of effect of the cancellation.

### **25-60 The date of effect of your cancellation**

- (1) The Commissioner must decide the date on which the cancellation of your \*registration under subsection 25-55(1) or (2) or section 25-57 takes effect. That date may be any day occurring before, on or after the day on which the Commissioner makes the decision.

Note: Deciding the date of effect of the cancellation of your registration is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The \*Australian Business Registrar must enter in the \*Australian Business Register the date on which the cancellation of your \*registration takes effect.

### **25-65 Effect of backdating your cancellation of registration**

If the Commissioner decides under section 25-60, as the date of effect of the cancellation of your \*registration (*your cancellation day*), a day before the day of the decision, your registration is taken:

- (a) for the purpose of determining whether a supply you made on or after your cancellation day was a \*taxable supply; and
  - (b) for the purpose of determining whether an acquisition you made on or after that day was a \*creditable acquisition; and
  - (c) for the purpose of determining whether an importation you made on or after that date was a \*creditable importation;
- to have been cancelled from and including your cancellation day.

### **25-99 Special rules relating to cancellation of registration**

Chapter 4 contains special rules relating to cancellation of \*registration in particular cases, as follows:

## Part 2-6—Tax periods

### Division 27—How to work out the tax periods that apply to you

#### 27-1 What this Division is about

This Division tells you the tax periods that apply to you. You need to know this because your net amounts (the amounts payable by you or to you) are worked out in respect of these tax periods.

#### 27-5 General rule—3 month tax periods

The *tax periods* that apply to you are each period of 3 months ending on 31 March, 30 June, 30 September or 31 December in any year, except to the extent that:

- (a) an election is in force under section 27-10; or
- (b) the Commissioner determines otherwise under this Division.

Note: Several provisions in Chapter 4 provide for different tax periods. In particular, Division 151 provides for annual tax periods.

#### 27-10 Election of one month tax periods

- (1) The *tax periods* that apply to you are each individual month if, by notifying the Commissioner in the \*approved form, you elect to have as the tax periods that apply to you each individual month.
- (2) The election takes effect on the day specified in the notice. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

#### 27-15 Determination of one month tax periods

- (1) The Commissioner must determine that the *tax periods* that apply to you are each individual month if:
  - (a) the Commissioner is satisfied that your \*GST turnover meets the \*tax period turnover threshold; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (b) the Commissioner is satisfied that the period for which you will be \*carrying on an \*enterprise in Australia is less than 3 months; or
- (c) the Commissioner is satisfied that you have a history of failing to comply with your obligations under a \*taxation law.

Note: Determining under this section the tax periods applying to you is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The determination takes effect on the day specified in the determination. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

Note: Deciding the date of effect of the determination is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (3) The **tax period turnover threshold** is:

- (a) \$20 million; or
- (b) such other amount as the regulations specify.

However, if the regulations change the tax period turnover threshold, the change does not apply to you until the start of the next tax period that starts after the regulation in question comes into operation.

## **27-20 Withdrawing elections of one month tax periods**

- (1) You may, by notifying the Commissioner in the \*approved form, withdraw an election under section 27-10, unless your \*GST turnover meets the \*tax period turnover threshold.
- (2) The withdrawal takes effect on the day specified in the notice. However, the day specified:
  - (a) must be 1 January, 1 April, 1 July or 1 October, or any day occurring before the election takes effect; and
  - (b) must not be a day occurring earlier than 12 months after the election took effect.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### 27-22 Revoking elections of one month tax periods

- (1) The Commissioner may, if you so request in the \*approved form, revoke your election under section 27-10, with effect from a day occurring earlier than 12 months after the election took effect, unless the Commissioner is satisfied that your \*GST turnover meets the \*tax period turnover threshold.

Note: Refusing to revoke your election under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) In considering your request, the Commissioner may have regard to:
  - (a) for how long the tax periods applying to you have been each individual month; and
  - (b) whether you have previously been \*registered, and whether such tax periods had applied to you; and
  - (c) any other relevant matters.
- (3) The revocation:
  - (a) takes effect on the day specified in the instrument of revocation; or
  - (b) is taken to have had effect from a past day specified in the instrument of revocation.

However, the day specified must be 1 January, 1 April, 1 July or 1 October.

Note: Deciding the date of effect of the revocation is a reviewable decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

### 27-25 Revoking determinations of one month tax periods

- (1) The Commissioner must revoke a determination under section 27-15 relating to you if you so request, unless the Commissioner is satisfied that any of the grounds for making a determination under that section apply to you.

Note: Refusing to revoke a determination under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The revocation takes effect on the day specified in the instrument of revocation. However, the day specified:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) must be 1 January, 1 April, 1 July or 1 October; and
- (b) must not be a day occurring earlier than 12 months after the determination took effect.

Note: Deciding the date of effect of the revocation is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

### **27-30 Tax periods determined by the Commissioner to take account of changes in tax periods**

- (1) For the purpose of ensuring the effective operation of this Division where:
  - (a) you become \*registered or \*required to be registered; or
  - (b) the tax periods applying to you have changed;the Commissioner may, by written notice given to you, determine that a period specified in the notice is a **tax period** that applies to you.

Note: Determining under this section a tax period applying to you is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).
- (2) The period specified in the notice may start earlier than the day on which the notice is given to you.
- (3) However, the period specified in the notice:
  - (a) must be less than 3 months; and
  - (b) must not overlap with any part of any other tax period for which you have already given a \*GST return to the Commissioner.

For the giving of GST returns to the Commissioner, see Division 31.

### **27-35 Changing the days on which your tax periods end**

- (1) You may change the day in each year on which a tax period would otherwise end. However:
  - (a) the day must be no more than 7 days earlier or 7 days later than a day on which one of the tax periods that applies to you would otherwise end if the days were not changed; and
  - (b) the change must be consistent with the commercial accounting periods that apply to you.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 27-37

---

- (2) If the day on which a tax period ends is changed, the next tax period starts on the day after that day.

**27-37 Special determination of tax periods on request**

- (1) The Commissioner may, in accordance with a request you make in the \*approved form, determine the tax periods applying to you to be the tax periods specified in the request if the Commissioner is satisfied that:
- (a) your \*GST turnover meets the \*tax period turnover threshold; and
  - (b) the tax periods specified in the request are consistent with the commercial accounting periods that apply to you; and
  - (c) the tax periods specified in the request would, if determined under this section, result in 12 complete tax periods in each year; and
  - (d) any other requirements specified in the regulations are complied with.

Note: Refusing a request for a determination under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) A determination under this section overrides any determination under section 27-15 or 27-30 relating to tax periods applying to you.

**27-38 Revoking special determination of tax periods**

- (1) The Commissioner must revoke a determination under section 27-37 if the Commissioner is satisfied that any of the requirements of paragraphs 27-37(1)(a), (b), (c) and (d) are not complied with.

Note: Revoking a determination under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The revocation takes effect on the day specified in the instrument of revocation. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Note: Deciding the date of effect of the revocation is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (3) A revocation under this section revives any election under section 27-10, or any determination under section 27-15 or 27-30, relating to tax periods applying to you.

### 27-40 An entity's concluding tax period

- (1) If:
- (a) an individual dies or becomes bankrupt; or
  - (b) any other entity goes into liquidation or receivership or for any reason ceases to exist;
- the individual's or entity's tax period at the time is taken to have ceased at the end of the day before the death, bankruptcy, liquidation or receivership.
- (1A) If an entity ceases to \*carry on any \*enterprise, the entity's tax period at the time is taken to have ceased at the end of the day on which the cessation occurred.
- (2) If an entity's \*registration is cancelled, the entity's tax period at the date of effect of the cancellation (the ***cancellation day***) ceases at the end of the cancellation day.

## Division 29—What is attributable to tax periods

### Table of Subdivisions

- 29-A The attribution rules
- 29-B Accounting on a cash basis
- 29-C Tax invoices and adjustment notes

### 29-1 What this Division is about

This Division tells you the tax periods to which your taxable supplies, creditable acquisitions, creditable importations and adjustments are attributable. You need to know this to work out your net amounts under Part 2-4.

Note: This Division does not deal with your taxable importations, because they are not attributed to tax periods. See section 33-15 for payment of GST on taxable importations.

### Subdivision 29-A—The attribution rules

#### 29-5 Attributing the GST on your taxable supplies

- (1) The GST payable by you on a \*taxable supply is attributable to:
  - (a) the tax period in which any of the \*consideration is received for the supply; or
  - (b) if, before any of the consideration is received, an \*invoice is issued relating to the supply—the tax period in which the invoice is issued.
- (2) However, if you \*account on a cash basis, then:
  - (a) if, in a tax period, *all* of the \*consideration is received for a \*taxable supply—GST on the supply is attributable to that tax period; or
  - (b) if, in a tax period, *part* of the consideration is received—GST on the supply is attributable to that tax period, but only to the extent that the consideration is received in that tax period; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (c) if, in a tax period, *none* of the consideration is received—none of the GST on the supply is attributable to that tax period.

### **29-10 Attributing the input tax credits for your creditable acquisitions**

- (1) The input tax credit to which you are entitled for a \*creditable acquisition is attributable to:
  - (a) the tax period in which you provide any of the \*consideration for the acquisition; or
  - (b) if, before you provide any of the consideration, an \*invoice is issued relating to the acquisition—the tax period in which the invoice is issued.
- (2) However, if you \*account on a cash basis, then:
  - (a) if, in a tax period, you provide *all* of the \*consideration for a \*creditable acquisition—the input tax credit for the acquisition is attributable to that tax period; or
  - (b) if, in a tax period, you provide *part* of the consideration—the input tax credit for the acquisition is attributable to that tax period, but only to the extent that you provided the consideration in that tax period; or
  - (c) if, in a tax period, *none* of the consideration is provided—none of the input tax credit for the acquisition is attributable to that tax period.
- (3) If you do not hold a \*tax invoice for a \*creditable acquisition when you give to the Commissioner a \*GST return for the tax period to which the input tax credit (or any part of the input tax credit) on the acquisition would otherwise be attributable:
  - (a) the input tax credit (including any part of the input tax credit) is not attributable to that tax period; and
  - (b) the input tax credit (or part) is attributable to the first tax period for which you give to the Commissioner a GST return at a time when you hold that tax invoice.

However, this subsection does not apply in circumstances of a kind determined in writing by the Commissioner to be circumstances in which the requirement for a tax invoice does not apply.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 29-15

---

For the giving of GST returns to the Commissioner, see Division 31.

- (4) If the \*GST return for the tax period referred to in paragraph (3)(b) states a \*net amount that does not take into account an input tax credit attributable to that tax period:
- (a) the input tax credit is not attributable to that tax period; and
  - (b) the input tax credit is attributable to the first tax period for which you give the Commissioner a GST return that does take it into account.

**29-15 Attributing the input tax credits for your creditable importations**

- (1) The input tax credit to which you are entitled for a \*creditable importation is attributable to the tax period in which you pay the GST on the importation.
- (2) However, if paragraph 33-15(1)(b) applies to payment of the GST on the importation, the input tax credit is attributable to the tax period in which the liability for the GST arose.

**29-20 Attributing your adjustments**

- (1) An \*adjustment that you have is attributable to the tax period in which you become aware of the adjustment.
- (2) However, if you \*account on a cash basis, and the \*adjustment arises from an \*adjustment event as a result of which you are liable to provide \*consideration, then:
  - (a) if, in a tax period, *all* of the consideration is provided—the \*adjustment is attributable to that tax period; or
  - (b) if, in a tax period, *part* of the consideration is provided—the adjustment is attributable to that tax period, but only to the extent that the consideration is provided in that tax period; or
  - (c) if, in a tax period, *none* of the consideration is provided—none of the adjustment is attributable to that tax period.
- (3) If:
  - (a) you have a \*decreasing adjustment arising from an \*adjustment event; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (b) you do not hold an \*adjustment note for the adjustment when you give to the Commissioner a \*GST return for the tax period to which the adjustment (or any part of the adjustment) would otherwise be attributable;

then:

- (c) the adjustment (including any part of the adjustment) is not attributable to that tax period; and
- (d) the adjustment (or part) is attributable to the first tax period for which you give to the Commissioner a GST return at a time when you hold that adjustment note.

However, this subsection does not apply in circumstances of a kind determined in writing by the Commissioner to be circumstances in which the requirement for an adjustment note does not apply.

For the giving of GST returns to the Commissioner, see Division 31.

### **29-25 Commissioner may determine particular attribution rules**

- (1) The Commissioner may, in writing, determine the tax periods to which:
  - (a) GST on \*taxable supplies of a specified kind; or
  - (b) input tax credits for \*creditable acquisitions of a specified kind; or
  - (c) input tax credits for \*creditable importations of a specified kind; or
  - (d) \*adjustments of a specified kind;are attributable.
- (2) However, the Commissioner must not make a determination under this section unless satisfied that it is necessary to prevent the provisions of this Division and Chapter 4 applying in a way that is inappropriate in circumstances involving:
  - (a) a supply or acquisition in which possession of goods passes, but title in the goods will, or may, pass at some time in the future; or
  - (b) a supply or acquisition for which payment is made or an \*invoice is issued, but use, enjoyment or passing of title will, or may, occur at some time in the future; or

---

**Chapter 2** The basic rules

**Part 2-6** Tax periods

**Division 29** What is attributable to tax periods

Section 29-39

- (c) a supply or acquisition occurring, but still being subject to a statutory cooling off period under an \*Australian law; or
  - (d) a supply or acquisition occurring before the supplier or \*recipient knows it has occurred; or
  - (e) a supply or acquisition occurring before the supplier or recipient knows the total \*consideration; or
  - (f) a supply or acquisition made under a contract that is subject to preconditions; or
  - (g) a supply or acquisition made under a contract that provides for retention of some or all of the consideration until certain conditions are met; or
  - (h) a supply or acquisition for which the GST treatment will be unknown until a later supply is made.
- (3) Determinations under subsection (1) override the provisions of this Division (except this section) and Chapter 4, but only to the extent of any inconsistency.

Note: Refusing to permit you to account on a cash basis is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must notify you in writing of any decision he or she makes in relation to you under this section. If the Commissioner decides to permit you to \*account on a cash basis, the notice must specify the date of effect of your permission.

**29-50 Ceasing to account on a cash basis**

- (1) You cease to \*account on a cash basis if:

---

- (c) must set out the \*price for the supply; and

- (e) must be in the \*approved form.

However, the Commissioner may treat as a tax invoice a particular document that is not a tax invoice.

- (2) The supplier of a \*taxable supply must, within 28 days after the \*recipient of the supply requests it, give to the recipient a \*tax invoice for the supply, unless it is a \*recipient created tax invoice.

### Division 31—GST returns

#### 31-1 What this Division is about

This Division is about your obligation (if you are registered or required to be registered) to give to the Commissioner GST returns for each tax period.

For the penalties for failing to comply with these obligations, see the *Taxation Administration Act 1953*.

#### 31-5 Who must give GST returns

- (1) If you are \*registered or \*required to be registered, you must give to the Commissioner a \*GST return for each tax period.
- (2) You must give the return whether or not:
  - (a) your \*net amount for the tax period is zero; or
  - (b) you are liable for the GST on any \*taxable supplies that are attributable to the tax period.

#### 31-8 When GST returns must be given—quarterly tax periods

- (1) If a tax period applying to you is a \*quarterly tax period, you must give your \*GST return for the tax period to the Commissioner:
  - (a) as provided in the following table; or

  - (b) the importer was not entitled to, and did not claim, a payment under Division 168 (about the tourist refund scheme) related to the export of the goods; and
  - (c) the importer:
    - (i) is the manufacturer of the goods; or
    - (ii) has previously acquired the goods, and the supply by means of which the importer acquired the goods was a \*taxable supply (or would have been a taxable supply but for section 66-45); or
    - (iii) has previously imported the goods, and the previous importation was a \*taxable importation in respect of which the GST was paid.
- (2) An importation of goods is a *non-taxable importation* if:

## **Chapter 4—The special rules**

### **Division 45—Introduction**

#### **45-1 What this Chapter is about**

This Chapter sets out the special rules for the GST. The special rules apply only in particular circumstances, and are generally quite limited in their scope.

The special rules modify the application of the basic rules for the GST in Chapter 2.

Note 1: The special rules that modify each group of basic rules in Chapter 2 are specifically identified in tables located at the end of the Divisions and Subdivisions in Chapter 2. In addition, a checklist of special rules is set out in Part 2-8.

Note 2: This section is an explanatory section.

#### **45-5 The effect of special rules**

The provisions of this Chapter override the provisions of Chapter 2 (except section 29-25), but only to the extent of any inconsistency.

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**Chapter 4** The special rules

**Part 4-1** Special rules mainly about particular ways entities are organised

**Division 48** GST groups

Section 48-1

---

## **Part 4-1—Special rules mainly about particular ways entities are organised**

**Note:** The special rules in this Part mainly modify the operation of Part 2-2 so far as that Part deals with liability for GST and entitlement to input tax credits, but the special rules also affect other aspects of Part 2-2 and the other Parts of Chapter 2.

### **Division 48—GST groups**

#### **Table of Subdivisions**

- 48-A Approval of GST groups
- 48-B Consequences of approval of GST groups
- 48-C Administrative matters
- 48-D Ceasing to be a member of a GST group

#### **48-1 What this Division is about**

Companies within a 90% owned group, and in some cases other entities (such as non-profit bodies), can be approved as a GST group. One member of the group then deals with all the GST liabilities and entitlements (except for GST on most taxable importations) of the group, and (in most cases) intra-group transactions are excluded from the GST.

**Note:** Provisions for members of GST groups apply for the wine equalisation tax (see Subdivision 21-B of the *A New Tax System (Wine Equalisation Tax) Act 1999*) and the luxury car tax (see Subdivision 16-A of the *A New Tax System (Luxury Car Tax) Act 1999*).

#### **Subdivision 48-A—Approval of GST groups**

##### **48-5 Approval of GST groups**

- (1) The Commissioner must approve 2 or more entities as a \*GST group if:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (a) the entities jointly apply, in the \*approved form, for approval as a GST group; and
- (b) each of the entities \*satisfies the membership requirements for that GST group; and
- (c) the application nominates one of the entities to be the \*representative member for the group; and
- (d) the entity so nominated is an \*Australian resident.

A group of entities that is so approved is a ***GST group***.

- (2) If 2 or more entities would \*satisfy the membership requirements of that \*GST group, the application need not include all those entities.

Note: Refusing an application for approval under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

#### **48-10 Membership requirements of a GST group**

- (1) An entity *satisfies the membership requirements* of a \*GST group, or a proposed GST group, if the entity:
  - (a) is:
    - (i) a \*company; or
    - (ii) a \*partnership, trust or individual that satisfies the requirements specified in the regulations; and
  - (b) is, if the entity is a company, a company of the same \*90% owned group as all the other members of the GST group or proposed GST group that are also companies; and
  - (c) is \*registered; and
  - (d) has the same tax periods applying to it as the tax periods applying to all the other members of the GST group or proposed GST group; and
  - (e) accounts on the same basis as all the other members of the GST group or proposed GST group; and
  - (f) is not a member of any other GST group; and
  - (g) does not have any branch that is registered under Division 54.
- (2) Paragraph (1)(b) does not apply if:
  - (a) the entity is a non-profit body; and

**Chapter 4** The special rules

**Part 4-1** Special rules mainly about particular ways entities are organised

**Division 48** GST groups

Section 48-15

---

- (b) all the other members of the GST group or proposed GST group are non-profit bodies; and
- (c) the entity and all those other members are members of the same \*non-profit association.

Note 1: For the membership requirements of non-profit sub-entities, see section 63-50.

Note 2: For the membership requirements of a GST group of government related entities, see section 149-25.

- (3) A \*company does not satisfy the membership requirements of a \*GST group, or a proposed GST group, if:
  - (a) one or more other members of the GST group or proposed GST group are not companies; and
  - (b) none of the members of the GST group or proposed GST group that are companies satisfy section 48-15.

**48-15 Relationship of companies and non-companies in a GST group**

- (1) A \*company that is a member of a \*GST group, or a proposed GST group, satisfies this section if:
  - (a) a \*partnership, trust or individual that is a member of the GST group or proposed GST group would, if it were another company, have \*at least a 90% stake in that company; or
  - (b) the company has only one member, and that member:
    - (i) is a partner in a partnership that is a member of the GST group or proposed GST group; or
    - (ii) is an individual that is a member of the GST group or proposed GST group; or
    - (iii) is a \*family member of that partner or individual; or
  - (c) the company has more than one member, each of whom is:
    - (i) a partner in the same partnership that is a member of the GST group or proposed GST group; or
    - (ii) a family member of any such partner;and one of the following applies:
    - (iii) at least 2 of the partners are members of the company;
    - (iv) one of the partners is a member of the company, and at least one other member of the company is a family member of a different partner;

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (v) none of the partners is a member of the company, and the members of the company are not all family members of the same partner and no other partner; or
  - (d) the company has more than one member, each of whom is:
    - (i) an individual who is a member of the GST group or proposed GST group; or
    - (ii) a family member of that individual; or
  - (e) a trust is a member of the GST group or proposed GST group, and distributions of income or capital of the trust are not made except to an entity that is:
    - (i) the company; or
    - (ii) any other company that is a member of the GST group or proposed GST group; or
    - (ia) a member of, or a family member of a member of, any company referred to in subparagraph (i) or (ii) that is a company to which subsection (1A) applies; or
    - (iii) a charitable institution, a trustee of a charitable fund or a \*gift-deductible entity.
- (1AA) Subparagraph (1)(e)(iii) does not apply in relation to a charitable institution or a trustee of a charitable fund unless the institution or trustee is an \*endorsed charitable institution or an \*endorsed trustee of a charitable fund.
- Example: Subparagraph (1)(e)(iii) does not apply in relation to an entity that is both a charitable institution and a gift-deductible entity unless the entity is an endorsed charitable institution.
- (1A) This subsection applies to a company if:
- (a) the company has only one member; or
  - (b) the company has more than one member, and:
    - (i) at least 2 of the members are beneficiaries of the trust in question (either directly, or indirectly through one or more interposed trusts); or
    - (ii) one of the members is such a beneficiary, and at least one other such beneficiary is a \*family member of a different member of the company; or
    - (iii) none of the members is such a beneficiary, and those family members (of the members of the company) who

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

are such beneficiaries are not all family members of the same member of the company and no other member.

- (2) A person is a *family member* of an individual if the individual's family, within the meaning of section 272-95 of Schedule 2F to the \*ITAA 1936, includes that person. There are no family members of an entity that is not an individual.

### **Subdivision 48-B—Consequences of approval of GST groups**

#### **48-40 Who is liable for GST**

- (1) GST payable on any \*taxable supply or \*taxable importation that a \*member of a \*GST group makes:
- (a) is payable by the \*representative member; and
  - (b) is not payable by the member that made it (unless the member is the representative member).

Note: However, each member is jointly and severally liable to pay the GST that is payable by the representative member (see section 444-90 in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) However:
- (a) a supply that an entity makes to another \*member of the same \*GST group is treated as if it were not a \*taxable supply, unless:
    - (i) it is a taxable supply because of Division 84 (which is about offshore supplies other than goods or real property); or
    - (ii) the entity is a participant in a \*GST joint venture and acquired the thing supplied from the \*joint venture operator for the joint venture; and
  - (b) this section only applies to GST payable on a \*taxable importation made, by a member of the GST group other than the \*representative member, if the GST on the importation is payable at a time when GST on \*taxable supplies is normally payable by the representative member.
- (3) This section has effect despite sections 9-40 and 13-15 (which are about liability for GST).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

#### **48-45 Who is entitled to input tax credits**

- (1) If a \*member of a \*GST group makes a \*creditable acquisition or \*creditable importation:
  - (a) the \*representative member is entitled to the input tax credit on the acquisition or importation; and
  - (b) the member making the acquisition or importation is not entitled to the input tax credit on the acquisition or importation (unless the member is the representative member).
- (2) In deciding, for the purposes of subsection (1), whether an acquisition or importation by a \*member of a \*GST group is a \*creditable acquisition or \*creditable importation, the acquisition or importation is treated as being solely or partly for a \*creditable purpose if, and only if, it would be so treated if:
  - (a) the GST group were treated as a single entity; and
  - (b) the GST group were not treated as a number of entities corresponding to the members of the GST group.
- (3) However, an acquisition that an entity makes from another \*member of the same \*GST group is not a \*creditable acquisition unless the supply of the thing acquired by the entity was a \*taxable supply because of Division 84 (which is about offshore supplies other than goods or real property).
- (4) This section has effect despite sections 11-5 and 15-5 (which are about what are creditable acquisitions and creditable importations), and sections 11-20 and 15-15 (which are about who is entitled to input tax credits).

#### **48-50 Adjustments**

- (1) Any \*adjustment that a \*member of a \*GST group has is to be treated as if:
  - (a) that member did not have the adjustment (unless that member is the \*representative member); and
  - (b) the representative member had the adjustment.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) This section has effect despite section 17-10 (which is about the effect of adjustments on net amounts).

**48-55 GST groups treated as single entities for certain purposes**

- (1) Despite sections 48-45 and 48-50, a \*GST group is treated as a single entity, and not as a number of entities corresponding to the \*members of the GST group, for the purposes of working out:
- (a) the amounts of any input tax credits to which the \*representative member is entitled; and
  - (b) whether the representative member has any \*adjustments; and
  - (c) the amounts of any such adjustments.

(1A) If:

- (a) while you were not a \*member of any \*GST group, you acquired or imported a thing; and
- (b) you become a member of a GST group at a time when you still hold the thing;

then, when the \*representative member of the GST group applies section 129-40 for the first time after you became a member of the GST group, the \*intended or former application of the thing is the extent of \*creditable purpose last used to work out:

- (c) the amount of the input tax credit to which you were entitled for the acquisition or importation; or
- (d) the amount of any \*adjustment you had under Division 129 in relation to the thing;

as the case requires.

- (2) This section has effect despite section 11-25 (which is about the amount of input tax credits) and section 17-10 (which is about the effect of adjustments on net amounts).

**48-60 GST returns**

- (1) If you are a \*member of a \*GST group during the whole of a tax period, you are not required to give to the Commissioner a \*GST return for that tax period, unless you are the \*representative member of the group during that period.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) This section has effect despite section 31-5 (which is about who must give GST returns).

### **Subdivision 48-C—Administrative matters**

#### **48-70 Changing the membership etc. of GST groups**

##### *Changes made on application*

- (1) The Commissioner must, if the \*representative member of a \*GST group applies to the Commissioner in the \*approved form, do one or more of these (as requested in the application):
- (a) approve, as an additional \*member of the GST group, another entity that \*satisfies the membership requirements for the GST group;
  - (b) revoke the approval of one of the members of the GST group as a member of the group;
  - (c) approve another member of the GST group to replace the applicant as the representative member of the group.

Note: Refusing an application for approval or revocation under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

##### *Changes made without application*

- (2) The Commissioner must revoke the approval of one of the \*members of a \*GST group if satisfied that the member does not \*satisfy the membership requirements for the GST group.

Note: Revoking under this subsection an approval under this Division is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

#### **48-75 Revoking the approval of GST groups**

##### *Revoking on application*

- (1) The Commissioner must, if the \*representative member of a \*GST group applies to the Commissioner in the \*approved form, revoke the approval of the group as a GST group.

---

Note: Refusing an application for revocation under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

*Revoking without application*

- (2) The Commissioner must revoke the approval of the \*GST group if satisfied that none of its members, or only one of its members, \*satisfies the membership requirements for that GST group.

Note: Revoking under this subsection the approval of a GST group is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

**48-80 Notification by representative members**

The \*representative member of a \*GST group must notify the Commissioner of any circumstances under which the Commissioner must:

- (a) revoke the approval of one of the \*members of the group under subsection 48-70(2); or
- (b) revoke the approval of the group under subsection 48-75(2).

The notification may (in appropriate cases) be in the form of an application under subsection 48-70(1). The notification, or application, must be given to the Commissioner within 21 days after the circumstances occurred.

**48-85 Date of effect of approvals and revocations**

- (1) The Commissioner must decide the date of effect of any approval, or any revocation of an approval, under this Division.
- (2) The date of effect may be the day of the decision, or a day before or after that day.
- (3) However, the date of effect must be:
  - (a) the beginning of a tax period applying to the members of the \*GST group in question; or
  - (b) a day during an \*annual tax period, or an \*instalment tax period, applying to the members of the GST group.

Note: Deciding under this section the date of effect of any approval, or any revocation of an approval, under this Division is a reviewable GST

decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

#### **48-90 Notification by the Commissioner**

The Commissioner must give notice of any decision that he or she makes under this Division:

- (a) if the decision relates to the approval of 2 or more companies as a \*GST group—to the company nominated in the application for approval to be the \*representative member of the group; or
- (b) otherwise—to the representative member of the \*GST group to which the decision relates.

#### **Subdivision 48-D—Ceasing to be a member of a GST group**

##### **48-110 Adjustments after you cease to be a member of a GST group**

- (1) If you \*cease to be a member of a GST group (the *first GST group*), any \*adjustment that arises afterwards in relation to a supply, acquisition or importation that you made while a \*member of the first GST group (other than a supply to, or an acquisition from, another member of that group):
  - (a) is an adjustment that you have; and
  - (b) is not an adjustment of the entity that is or was the \*representative member of the first GST group (unless you were that representative member).
- (2) In relation to the first GST group, this section has effect despite section 48-50 (which is about who has adjustments for a GST group).

##### **48-115 Changes in extent of creditable purpose after you cease to be a member of a GST group**

- (1) If:
  - (a) either:
    - (i) while you were a \*member of a \*GST group (the *first GST group*), you acquired a thing (other than from another member of that group) or imported a thing; or

- (ii) you acquired or imported a thing while you were not a member of any GST group, and you subsequently became a member of a GST group (the *first GST group*) while you still held the thing; and
  - (b) you \*cease to be a member of the first GST group; then, when applying section 129-40 for the first time after that cessation, the \*intended or former application of the thing is the extent of \*creditable purpose last used to work out:
    - (c) the amount of the input tax credit to which you or the \*representative member was entitled for the acquisition or importation; or
    - (d) the amount of any \*adjustment you or the representative member had under Division 129 in relation to the thing.
- (2) If:
- (a) while you were a \*member of a \*GST group (the *first GST group*), you acquired a thing (other than from another member of that group) or imported a thing; and
  - (b) you have \*ceased to be a member of the first GST group; and
  - (c) you have an \*adjustment under Division 129 in relation to the thing, or the \*representative member of another GST group of which you are a \*member has that adjustment;

  - (a) whether acquisitions or importations by a member are for a \*creditable purpose; and
  - (b) the amounts of any input tax credits to which the member is entitled; and

- (1) The Commissioner must decide the date of effect of any approval, or any revocation of an approval, under this Division.  
(2) The date of effect may be the day of the decision, or a day before or after that day. However, it must be a day on which, for all the \*members of the \*GST religious group in question, a tax period begins.

## **Division 50—GST treatment of religious practitioners**

### **Guide to Division 50**

#### **50-1 What this Division is about**

Activities of a religious practitioner done in pursuit of his or her vocation as a religious practitioner and as a member of a religious institution will be treated as activities done by the religious institution, unless the religious practitioner is acting as an employee or agent.

#### **Table of sections**

50-5 GST treatment of religious practitioners

#### **50-5 GST treatment of religious practitioners**

If a \*religious practitioner:

- (a) does an activity, or a series of activities:
  - (i) in pursuit of his or her vocation as a religious practitioner; and
  - (ii) as a member of a religious institution; and
- (b) does not do the activity, or series of activities, as an employee or agent of the religious institution or another entity;

the \*GST law applies as if the activity, or series of activities, had been done by the religious institution and not by the religious practitioner.

Note: This will mean that such an activity will be an enterprise of the religious institution under subsection 9-20(1) and not an enterprise of the religious practitioner.

Section 51-1

**Division 51—GST joint ventures**

**Table of Subdivisions**

51-A	Approval of GST joint ventures
51-B	Consequences of approval of GST joint ventures
51-C	Administrative matters
51-D	Ceasing to be a participant in, or an operator of, a GST joint venture

**51-1 What this Division is about**

Entities engaged in a joint venture can have it approved as a GST joint venture. The joint venture operator then deals with the GST liabilities and entitlements arising from the joint venture operator's dealings on behalf of the participants in the joint venture.

Note: Provisions for participants in GST joint ventures apply for the wine equalisation tax (see Subdivision 21-C of the *A New Tax System (Wine Equalisation Tax) Act 1999*) and the luxury car tax (see Subdivision 16-B of the *A New Tax System (Luxury Car Tax) Act 1999*).

**Subdivision 51-A—Approval of GST joint ventures**

**51-5 Approval of GST joint ventures**

- (1) The Commissioner must approve 2 or more entities as the \*participants in a \*GST joint venture if:
  - (a) the joint venture is a joint venture for the exploration or exploitation of \*mineral deposits, or for a purpose specified in the regulations; and
  - (b) the joint venture is not a \*partnership; and
  - (c) the entities jointly apply, in the \*approved form, for approval of the joint venture as a GST joint venture; and
  - (d) each of those entities \*satisfies the participation requirements for that GST joint venture; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (e) the application nominates one of those entities, or another entity, to be the \*joint venture operator of the joint venture; and
- (f) if the nominated joint venture operator is not a party to the joint venture agreement—the nominated joint venture operator satisfies the requirements of paragraphs 51-10(c) and (f).

A joint venture that is so approved is a *GST joint venture*.

- (2) The application for approval need not include all the entities that are engaged in, or intend to engage in, the joint venture.

Note: Refusing an application for approval under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

### **51-10 Participation requirements of a GST joint venture**

An entity *satisfies the participation requirements* for a \*GST joint venture, or a proposed GST joint venture, if the entity:

- (a) participates in, or intends to participate in, the joint venture; and
- (b) is a party to a joint venture agreement with all the other entities participating in, or intending to participate in, the joint venture; and
- (c) is \*registered; and
- (f) accounts on the same basis as all those other participants.

### **Subdivision 51-B—Consequences of approval of GST joint ventures**

#### **51-30 Who is liable for GST**

- (1) GST payable on any \*taxable supply or \*taxable importation that the \*joint venture operator of a \*GST joint venture makes, on behalf of another entity that is a \*participant in the joint venture, in the course of activities for which the joint venture was entered into:
  - (a) is payable by the joint venture operator; and
  - (b) is not payable by the participant.

**Chapter 4** The special rules

**Part 4-1** Special rules mainly about particular ways entities are organised

**Division 51** GST joint ventures

Section 51-35

---

Note: However, each participant is jointly and severally liable to pay the GST that is payable by the joint venture operator (see section 444-80 in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) However, a supply that the \*joint venture operator of a \*GST joint venture makes is treated as if it were not a \*taxable supply if:
  - (a) it is made to another entity that is a \*participant in the joint venture; and
  - (b) the participant acquired the thing supplied for consumption, use or supply in the course of activities for which the joint venture was entered into.
- (3) This section has effect despite sections 9-40 and 13-15 (which are about liability for GST).

**51-35 Who is entitled to input tax credits**

- (1) If the \*joint venture operator of a \*GST joint venture makes a \*creditable acquisition or \*creditable importation, on behalf of another entity that is a \*participant in the joint venture, in the course of activities for which the joint venture was entered into:
  - (a) the \*joint venture operator is entitled to the input tax credit for the acquisition or importation; and
  - (b) the participant is not entitled to the input tax credit on the acquisition or importation.
- (2) This section has effect despite sections 11-20 and 15-15 (which are about who is entitled to input tax credits).

**51-40 Adjustments**

- (1) Any \*adjustment relating to any supply, acquisition or importation that the \*joint venture operator of a \*GST joint venture makes, on behalf of another entity that is a \*participant in the joint venture, in the course of activities for which the joint venture was entered into is to be treated as if:
  - (a) the participant did not have the adjustment; and
  - (b) the entity that is the joint venture operator at the time the adjustment arises had the adjustment.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) This section has effect despite section 17-10 (which is about the effect of adjustments on net amounts).

### **51-45 Additional net amounts relating to GST joint ventures**

- (1) Division 17 applies to the \*joint venture operator of a \*GST joint venture as if the joint venture operator had an additional \*net amount, relating to the joint venture, for each tax period.
- (2) The additional \*net amount relating to the joint venture is worked out as if the joint venture operator:
- (a) is only liable for the GST on \*taxable supplies that the joint venture operator makes, on behalf of another entity that is a \*participant in the joint venture, in the course of activities for which the joint venture was entered into; and
  - (b) is only entitled to the input tax credits for \*creditable acquisitions or \*creditable importations that the joint venture operator makes on behalf of another entity that is a participant in the joint venture, in the course of activities for which the joint venture was entered into; and
  - (c) only has adjustments relating to supplies, acquisitions or importations that the joint venture operator makes, on behalf of another entity that is a participant in the joint venture, in the course of activities for which the joint venture was entered into.
- (2A) However, while an election made by the \*joint venture operator under section 51-52 has effect:
- (a) Division 17 applies to the joint venture operator as if the joint venture operator had an additional \*net amount, relating to all the \*GST joint ventures for which the joint venture operator is the joint venture operator, for each tax period; and
  - (b) that additional net amount is worked out by aggregating what would be the additional \*net amounts relating to each GST joint venture under subsection (2) if that subsection applied.
- (3) This section has effect despite sections 17-5 and 17-10 (which are about net amounts and adjustments).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**51-50 GST returns relating to GST joint ventures**

- (1) The \*joint venture operator of a \*GST joint venture must, in relation to each \*GST joint venture of the joint venture operator, give to the Commissioner a \*GST return for each tax period applying to the joint venture operator.
- (2) However, while an election made by the \*joint venture operator under section 51-52 has effect, the joint venture operator must, in relation to all the \*GST joint ventures for which the joint venture operator is the joint venture operator, give to the Commissioner a single \*GST return for each tax period applying to the joint venture operator.
- (3) This section has effect despite section 31-5 (which is about who must give GST returns).

**51-52 Consolidation of GST returns relating to GST joint ventures**

*Electing to consolidate GST returns*

- (1) The \*joint venture operator of 2 or more \*GST joint ventures may, by notifying the Commissioner in the \*approved form, elect to give to the Commissioner consolidated \*GST returns relating to all the GST joint ventures of the joint venture operator.
- (2) The election takes effect on the day specified in the notice. However, the day specified must be the first day of a tax period applying to the \*joint venture operator that has not already ceased when the notice is given.

*Withdrawal of elections*

- (3) The \*joint venture operator may, by notifying the Commissioner in the \*approved form, withdraw the election.
- (4) The withdrawal takes effect on the day specified in the notice. However, the day specified:
  - (a) must be the first day of a tax period applying to the \*joint venture operator that has not already ceased when the notice is given; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (b) must not be a day occurring earlier than 12 months after the election took effect.

*Disallowance of elections*

- (5) The Commissioner may disallow the election if the Commissioner is satisfied that the \*joint venture operator has a history of failing to comply with the joint venture operator's obligations (either as a joint venture operator or in any other capacity) under a \*taxation law.

Note: Disallowing an election is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (6) The disallowance is taken to have had effect from the start of the tax period in which the disallowance occurs.

**51-55 Payments of GST relating to GST joint ventures**

- (1) If the \*net amount relating to one or more \*GST joint ventures for a tax period is greater than zero:
- (a) the \*joint venture operator of that GST joint venture or those GST joint ventures must pay that net amount to the Commissioner; and
  - (b) Division 33 applies to payment of that amount as if it were a payment the joint venture operator was obliged to make under section 33-3 or 33-5 (as the case requires).
- (2) This section has effect despite Division 33 (which is about payments of GST).

**51-60 Refunds relating to GST joint ventures**

If the \*net amount relating to one or more \*GST joint ventures for a tax period is less than zero, the Commissioner must, on behalf of the Commonwealth, pay that net amount (expressed as a positive amount) to the \*joint venture operator of that GST joint venture or those GST joint ventures.

Division 3 of Part IIB allows the Commissioner to apply the amount owing as a credit against tax debts that the operator owes to the Commonwealth.

Note 2: Interest is payable under the *Taxation (Interest on Overpayments and Early Payments) Act 1983* if the Commissioner is late in refunding the amount.

**Subdivision 51-C—Administrative matters**

**51-70 Changing the participants etc. of GST joint ventures**

*Changes made on application*

- (1) The Commissioner must, if the \*joint venture operator of a \*GST joint venture applies to the Commissioner in the \*approved form, do one or more of these (as requested in the application):
- (a) approve, as an additional \*participant of the GST joint venture, another entity that \*satisfies the participation requirements of the GST joint venture;
  - (b) revoke the approval of one of the participants of the GST joint venture as a participant in the joint venture;
  - (c) approve another entity that satisfies the requirements of paragraphs 51-10(c) and (f) as the joint venture operator of the joint venture.

Note: Refusing an application for approval or revocation under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

*Changes made without application*

- (2) The Commissioner must revoke the approval of:
- (a) one of the \*participants of a \*GST joint venture if satisfied that the participant does not \*satisfy the participation requirements of the GST joint venture; or
  - (b) the \*joint venture operator of a GST joint venture if satisfied that the operator does not satisfy the requirements of paragraphs 51-10(c) and (f).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Note: Revoking under this subsection an approval under this Division is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

### **51-75 Revoking the approval of GST joint ventures**

#### *Revoking on application*

- (1) The Commissioner must, if the \*joint venture operator of a \*GST joint venture applies to the Commissioner in the \*approved form, revoke the approval of the joint venture as a GST joint venture.

Note: Refusing an application for revocation under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

#### *Revoking without application*

- (2) The Commissioner must revoke the approval of the \*GST joint venture if satisfied that none of its \*participants, or only one of its participants, \*satisfies the participation requirements of the GST joint venture.

Note: Revoking under this subsection the approval of a GST joint venture is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

### **51-80 Notification by joint venture operators**

The \*joint venture operator of a \*GST joint venture must notify the Commissioner of any circumstances under which the Commissioner must:

- (a) revoke the approval of one of the \*participants of the joint venture under subsection 51-70(2); or
- (b) revoke the approval of the joint venture under subsection 51-75(2).

The notification may (in appropriate cases) be in the form of an application under subsection 51-70(1). The notification, or application, must be given to the Commissioner within 21 days after the circumstances occurred.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**51-85 Date of effect of approvals and revocations**

- (1) The Commissioner must decide the date of effect of any approval, or any revocation of an approval, under this Division.
- (2) The date of effect may be the day of the decision, or a day before or after that day. However, it must be the beginning of a tax period applying to the participants of the \*GST joint venture in question.

Note: Deciding under this section the date of effect of any approval, or any revocation of an approval, under this Division is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

**51-90 Notification by the Commissioner**

The Commissioner must give notice of any decision that he or she makes under this Division:

- (a) if the decision relates to the approval of 2 or more entities as the \*participants of a \*GST joint venture—to the entity nominated in the application for approval to be the \*joint venture operator of the joint venture; or
- (b) otherwise—to the joint venture operator of the \*GST joint venture to which the decision relates.

**Subdivision 51-D—Ceasing to be a participant in, or an operator of, a GST joint venture**

**51-110 Adjustments after you cease to be a participant in a GST joint venture**

- (2) This section has effect despite section 51-40 (which is about who has adjustments for a GST joint venture).

**51-115 Changes in extent of creditable purpose after you cease to be a member of a GST joint venture**

- (1) If:

- (a) while you were a \*participant in a \*GST joint venture, you acquired or imported a thing by the joint venture operator acquiring or importing it on your behalf; and
- (b) you \*cease to be a participant in the GST joint venture;  
then, when applying section 129-40 for the first time after that cessation, the \*intended or former application of the thing is the extent of \*creditable purpose last used to work out:
  - (c) under section 51-35, the amount of the input tax credit to which the \*joint venture operator was entitled for the acquisition or importation; or
  - (d) under section 51-40, the amount of any \*adjustment the joint venture operator had under Division 129 in relation to the acquisition or importation.

## Division 54—GST branches

### Table of Subdivisions

- 54-A Registration of GST branches
- 54-B Consequences of registration of GST branches
- 54-C Cancellation of registration of GST branches

### 54-1 What this Division is about

A branch of a registered entity can be separately registered as a GST branch. Separate GST returns are given, and separate payments and refunds of GST are made, in respect of the branch.

### Subdivision 54-A—Registration of GST branches

#### 54-5 Registration of GST branches

- (1) The Commissioner must \*register a branch of a \*registered entity if:
  - (a) the registered entity applies, in the \*approved form, for registration of the branch; and
  - (b) the Commissioner is satisfied that the branch maintains an independent system of accounting, and can be separately identified by reference to:
    - (i) the nature of the activities carried on through the branch; or
    - (ii) the location of the branch; and
  - (c) the Commissioner is satisfied that the registered entity is \*carrying on an \*enterprise through the branch, or intends to carry on an enterprise through the branch, from a particular date specified in the application.

A branch that is so registered is a ***GST branch***.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) A branch of a \*registered entity can be registered as a \*GST branch without all or any of the other branches of the entity being so registered.
- (3) However, a branch of a \*registered entity cannot be registered as a \*GST branch if the registered entity is a \*member of a \*GST group.

Note: Refusing an application for registration under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

#### **54-10 The date of effect of registration of a GST branch**

The Commissioner must decide the date from which \*registration as a \*GST branch takes effect. However, the date of effect must not be a day before:

- (a) the day specified in the application for that purpose; or
- (b) if the branch is being registered only because it is intended that an \*enterprise be \*carried on through the branch—the date of effect must not be a day before the day specified, in the application, as the day from which it is intended to carry on the enterprise through the branch.

Note: Deciding the date of effect of registration as a GST branch is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

#### **54-15 GST branch registration number**

If the Commissioner \*registers a \*GST branch, the Commissioner must notify the registered entity of the branch's \*GST branch registration number.

#### **Subdivision 54-B—Consequences of registration of GST branches**

#### **54-40 Additional net amounts relating to GST branches**

- (1) If an entity (the *parent entity*) has a \*GST branch, Division 17 applies to the parent entity as if it had an additional \*net amount, relating to the branch, for each tax period.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 54-45

---

- (2) The additional \*net amount relating to the branch is worked out as if the branch were a separate entity and as if:
  - (a) all the supplies, acquisitions and importations made through the branch were made by that separate entity; and
  - (b) all the \*adjustments that the parent entity has arising from such supplies, acquisitions and importations were adjustments that the branch has; and
  - (c) all transfers of anything by the branch to the parent entity (including any other branch of the parent entity), that would have been supplies made by the branch if it were an entity, were supplies made by the separate entity; and
  - (d) all transfers of anything by the parent entity (including any other branch of the parent entity) to the branch, that would have been acquisitions made by the branch if it were an entity, were acquisitions made by the separate entity; and
  - (e) all adjustments that the branch would have had, if it were an entity, relating to the supplies and acquisitions it would have made as mentioned in paragraphs (c) and (d), were adjustments that the branch had.
- (3) This section has effect despite sections 17-5 and 17-10 (which are about net amounts and adjustments).

**54-45 Net amounts of parent entities**

- (1) If an entity (the *parent entity*) has a \*GST branch, the parent entity's \*net amount is worked out as if:
  - (a) all the supplies, acquisitions and importations made through any GST branch of the parent entity were not supplies for which the parent entity is liable for GST, or acquisitions or importations for which the parent entity is entitled to input tax credits; and
  - (b) the parent entity does not have any \*adjustments arising from such supplies, acquisitions and importations; and
  - (c) all transfers of anything by the parent entity to any GST branch of the parent entity, that would have been supplies made to the branch if it were an entity, were supplies made by the parent entity; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (d) all transfers of anything by any GST branch of the parent entity to the parent entity, that would have been acquisitions made from the branch if it were an entity, were acquisitions made by the parent entity; and
  - (e) all adjustments that the parent entity would have had, if the GST branches of the parent entity were entities, relating to the supplies and acquisitions the parent entity would have made as mentioned in paragraphs (c) and (d), were adjustments that the parent entity had.
- (2) However, the parent entity has no \*net amount under this section if all the \*enterprises that it \*carries on are carried on through its \*GST branches.
  - (3) This section has effect despite sections 17-5 and 17-10 (which are about net amounts and adjustments).

#### **54-50 Tax invoices and adjustment notes**

- (1) The \*GST branch registration number of a \*GST branch must be set out in:
  - (a) any \*tax invoice relating to a \*taxable supply made through that GST branch; and
  - (b) any \*adjustment note for a \*decreasing adjustment that arose from the occurrence of an \*adjustment event relating to a \*taxable supply made through that GST branch.
- (2) This section has effect despite sections 29-70 and 29-75 (which are about tax invoices and adjustment notes).

#### **54-55 GST returns relating to GST branches**

- (1) An entity must, in relation to each \*GST branch of the entity, give to the Commissioner a \*GST return for each tax period applying to the entity.
- (3) The entity must still give a \*GST return under section 31-5, unless all the \*enterprises that it \*carries on are carried on through its \*GST branches.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 54-60

---

- (4) This section has effect despite section 31-5 (which is about who must give GST returns).

**54-60 Payments of GST relating to GST branches**

- (1) If an entity has a \*GST branch and the \*net amount relating to the \*GST branch for a tax period is greater than zero:
- (a) the entity must pay that net amount to the Commissioner; and
  - (b) Division 33 applies to payment of that amount as if it were a payment the entity was obliged to make under section 33-3 or 33-5 (as the case requires).
- (2) This section has effect despite Division 33 (which is about payments of GST).

**54-65 Refunds relating to GST branches**

If an entity has a \*GST branch and the \*net amount relating to the \*GST branch for a tax period is less than zero, the Commissioner must, on behalf of the Commonwealth, pay that net amount (expressed as a positive amount) to the entity.

Note 1: See Division 3A of Part IIB of, and section 105-65 in Schedule 1 to, the *Taxation Administration Act 1953* for the rules about how the Commissioner must pay the entity. Division 3 of Part IIB allows the Commissioner to apply the amount owing as a credit against tax debts that the entity owes to the Commonwealth.

Note 2: Interest is payable under the *Taxation (Interest on Overpayments and Early Payments) Act 1983* if the Commissioner is late in refunding the amount.

**Subdivision 54-C—Cancellation of registration of GST branches**

**54-70 When an entity must apply for cancellation of registration of a GST branch**

- (1) If an entity has a \*GST branch and the entity is not \*carrying on any \*enterprise through the branch, the entity must apply to the Commissioner in the \*approved form for cancellation of the \*registration of the branch.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) The entity must lodge its application within 21 days after the day on which it ceased to \*carry on any \*enterprise through the branch.

### **54-75 When the Commissioner must cancel registration of a GST branch**

- (1) The Commissioner must cancel the \*registration of a \*GST branch of an entity if:
- (a) the entity has applied for cancellation of registration in the \*approved form; and
  - (b) at the time it applied, the branch had been registered for at least 12 months.

Note: Refusing to cancel the registration of a GST branch under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must cancel the \*registration of a \*GST branch of the entity (even if the entity has not applied for cancellation of the registration) if:
- (a) the Commissioner is satisfied that the entity is not \*carrying on an \*enterprise through the branch; and
  - (b) the Commissioner believes on reasonable grounds that the entity is unlikely to carry on an enterprise through the branch for at least 12 months.

Note: Cancelling the registration of a GST branch under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (3) The Commissioner must notify the entity of any decision he or she makes in relation to it under this section. If the Commissioner decides to cancel the \*registration, the notice must specify the date of effect of the cancellation.

### **54-80 The date of effect of cancellation of registration of a GST branch**

The Commissioner must decide the date on which the cancellation of the \*registration of a \*GST branch of an entity under subsection 54-75(1) or (2) takes effect. That date may be any day occurring

- (2) The section has effect despite section 23-5 (which is about who is required to be registered).

**57-25 Cancellation of registration of a resident agent**

- (1) The Commissioner must cancel the \*registration of a \*resident agent if the Commissioner is satisfied that the resident agent is not \*required to be registered.

Note: Cancelling the registration of a resident agent under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must notify the \*resident agent of the cancellation.
- (3) Sections 25-50 and 25-55 do not apply to the cancellation of the \*registration of a \*resident agent.

**57-35 Tax periods of resident agents**

- (1) If you are a \*resident agent who is acting as agent for a \*non-resident, the Commissioner must determine that the ***tax periods*** that apply to you are each individual month if the Commissioner is satisfied that the non-resident's \*GST turnover meets the \*tax period turnover threshold.

Note: Determining under this section the tax periods applying to you is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The determination takes effect on the day specified in the determination. However, the day specified must be 1 January, 1 April, 1 July or 1 October.

- (3) This section has effect in addition to section 27-15 (which is about determination of one month tax periods).

### **57-40 GST returns for non-residents**

- (1) A \*non-resident is not required to give a \*GST return for a tax period if:
- (a) the non-resident's \*net amount for the tax period is zero; or

### **57-45 Resident agents giving GST returns**

## **Division 60—Pre-establishment costs**

### **60-1 What this Division is about**

<p>This Division enables input tax credits to arise in some circumstances in which acquisitions and importations are made before a company is in existence.</p>
---

### **60-5 Input tax credit for acquisitions and importations before establishment**

- (1) If you make a \*creditable acquisition that is a \*pre-establishment acquisition, or a \*creditable importation that is a \*pre-establishment importation, relating to a \*company before it is in existence:
  - (a) you are not entitled to the input tax credit on the acquisition or importation; and
  - (b) once the company is in existence, it is entitled to the input tax credit on the acquisition or importation.
- (2) This section has effect despite sections 11-20 and 15-15 (which are about who is entitled to input tax credits).

### **60-10 Registration etc. not needed for input tax credits**

- (1) If you make a \*pre-establishment acquisition, the fact that you are not \*registered or \*required to be registered does not stop the acquisition being a \*creditable acquisition.
- (2) If you make a \*pre-establishment importation, the fact that you are not \*registered or \*required to be registered does not stop the acquisition being a \*creditable importation.
- (3) This section has effect despite sections 11-5 and 15-5 (which are about what are creditable acquisitions and creditable importations).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### 60-15 Pre-establishment acquisitions and importations

- (1) An acquisition that you make is a *pre-establishment acquisition*, and an importation that you make is a *pre-establishment importation*, if:
  - (a) you do not \*apply the thing acquired or imported for any purpose other than for a \*creditable purpose relating to a \*company not yet in existence; and
  - (b) the company comes into existence, and becomes \*registered, within 6 months after the acquisition or importation; and
  - (c) you become a member, officer or employee of the company; and
  - (d) in the case of an acquisition—you have been fully reimbursed by the company for the \*consideration you provided for the acquisition; and
  - (e) in the case of an importation—you have been fully reimbursed by the company:
    - (i) for the GST paid on the importation; and
    - (ii) for the cost of acquiring or producing the thing imported.
- (2) However, the acquisition or importation is *not a pre-establishment acquisition* or a *pre-establishment importation* if:
  - (a) you are entitled to an input tax credit for the acquisition or importation; or
  - (b) the company acquires the thing acquired or imported, and that acquisition by the company is a \*creditable acquisition.

### 60-20 Creditable purpose

- (1) If, before a \*company is in existence, you make an acquisition or importation:
  - (a) for the purpose of bringing the company into existence; or
  - (b) for the purpose of the company \*carrying on an \*enterprise after it is in existence;you acquire or import the thing for a *creditable purpose* only to the extent that you acquire or import it for either or both of those purposes.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) However, you do not acquire or import the thing for a creditable purpose to the extent that:
  - (a) the acquisition or importation relates (directly or indirectly) to the company making supplies that would be \*input taxed; or
  - (b) the acquisition or importation is of a private or domestic nature.
- (3) An acquisition or importation is not treated, for the purposes of paragraph (2)(a), as relating to making supplies that would be \*input taxed to the extent that the supply is made through an \*enterprise, or a part of an enterprise, that the company will \*carry on outside Australia.
- (4) This section has effect despite sections 11-15 and 15-10 (which are about creditable purpose).

#### **60-25 Attributing the input tax credit for pre-establishment acquisitions**

- (1) The input tax credit to which a \*company is entitled under this Division for an acquisition that you made is attributable to the tax period (applying to the company) in which you were fully reimbursed by the company for the \*consideration you paid for the acquisition.
- (2) However, if the company does not hold a copy of a \*tax invoice that you (or your agent) hold for the acquisition when the company gives to the Commissioner a \*GST return for the tax period to which the input tax credit for the acquisition would otherwise be attributable, then:
  - (a) the input tax credit (including any part of the input tax credit) is not attributable to that tax period; and
  - (b) the input tax credit (or the part of the input tax credit) is attributable to the first tax period for which the company gives to the Commissioner a GST return at a time when it holds a copy of that tax invoice.

However, this subsection does not apply in circumstances of a kind determined in writing by the Commissioner, under subsection

29-10(3), to be circumstances in which the requirement for a tax invoice does not apply.

For the giving of GST returns to the Commissioner, see Division 31.

- (3) This section has effect despite section 29-10 (which is about attributing input tax credits for acquisitions).

**60-30 Attributing the input tax credit for pre-establishment importations**

- (1) The input tax credit to which a \*company is entitled under this Division for an importation that you made is attributable to the tax period (applying to the company) in which you were fully reimbursed by the company:
- (a) for the GST paid on the importation; and
  - (b) for the cost of acquiring or producing the thing imported.
- (2) This section has effect despite section 29-15 (which is about attributing input tax credits for importations).

**60-35 Application of Division 129**

If a \*company is entitled under this Division to an input tax credit for an acquisition or importation, the acquisition or importation is treated, for the purposes of Division 129 (which is about changes in the extent of creditable purpose), as if the company had made it.

## Division 63—Non-profit sub-entities

### 63-1 What this Division is about

Some kinds of non-profit entities may choose to have some (or all) of their separately identifiable branches treated as separate entities for GST purposes.

Note: The parent entities then cease to be responsible, for GST purposes, for these branches. (By way of contrast, parent entities would remain responsible for their branches if they registered them under Division 54.)

### 63-5 Entities that may choose to apply this Division

- (1) An entity may choose to apply this Division.
- (2) However, the entity must be \*registered and must be:
  - (a) a charitable institution, a trustee of a charitable fund or a \*government school; or
  - (aa) a \*gift-deductible entity that is a non-profit body; or
  - (b) a non-profit body that is exempt from income tax under any of these provisions of the \*ITAA 1997:
    - (i) section 50-5 (charity, education, science and religion);
    - (ii) section 50-10 (community service);
    - (iii) section 50-15 (employees and employers);
    - (iv) section 50-40 (primary and secondary resources, and tourism);
    - (v) item 9.1 or 9.2 of section 50-45 (sports, culture and recreation).
- (3) Paragraph (2)(a) does not apply in relation to a charitable institution or a trustee of a charitable fund unless the institution or trustee is an \*endorsed charitable institution or an \*endorsed trustee of a charitable fund.

Example: Paragraph (2)(a) does not apply in relation to an entity that is both a charitable institution and a gift-deductible entity unless the entity is an endorsed charitable institution.

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**63-10 Period for which a choice has effect**

- (1) The choice has effect from the time the entity makes the choice.
- (2) The choice ceases to have effect if:
  - (a) the entity revokes the choice; or
  - (b) the entity ceases to meet the requirements of subsection 63-5(2).
- (3) However, the entity:
  - (a) cannot revoke the choice within 12 months after the day on which the entity made the choice; and
  - (b) cannot make a further choice within 12 months after the day on which the entity revoked a previous choice.

**63-15 Consequences of choosing to apply this Division**

- (1) While the choice has effect, any branch of the entity is treated, for the purposes of the \*GST law (other than sections 63-5 and 63-10 and this section), as an entity if that branch:
  - (a) maintains an independent system of accounting; and
  - (b) can be separately identified by reference to:
    - (i) the nature of the activities carried on through the branch; or
    - (ii) the location of the branch; and
  - (c) is referred to in the entity's records to the effect that it is to be treated as a separate entity for the purposes of the GST law.
- (2) The branch's treatment as an entity ceases if:
  - (a) the choice ceases to have effect; or
  - (b) the branch ceases to meet the requirements of paragraphs (1)(a), (b) and (c).However, if the branch is \*registered, its treatment as an entity continues until its registration is cancelled.
- (3) At all times during its treatment as an entity, the branch is a ***non-profit sub-entity***.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **63-20 Non-profit sub-entities may register**

- (1) A \*non-profit sub-entity may apply to be \*registered under section 23-10 even if it is not \*carrying on an \*enterprise and is not intending to carry on an enterprise.
- (2) The Commissioner must \*register the \*non-profit sub-entity whether or not the Commissioner is satisfied that it is \*carrying on an \*enterprise or intending to carry on an enterprise.
- (3) This section has effect despite section 23-10 (which is about who may be registered) and section 25-5 (which is about when the Commissioner must register an entity).

### **63-25 Registration turnover threshold for non-profit sub-entities**

Regulations made for the purposes of paragraph 23-15(2)(b) may:

- (a) provide that they apply only to \*non-profit sub-entities, or only to other non-profit entities; or
- (b) specify one amount for \*non-profit sub-entities and a different amount for other non-profit entities.

### **63-30 When non-profit sub-entities must apply for cancellation of registration**

- (1) If a \*non-profit sub-entity is \*registered and it does not meet the requirements of paragraphs 63-15(1)(a), (b) and (c), it must apply to the Commissioner in the \*approved form for cancellation of its \*registration. It must lodge the application within 21 days after the day on which it ceased to meet those requirements.
- (2) Section 25-50 (which is about cancelling registration) does not apply to \*non-profit sub-entities.

### **63-35 When the Commissioner must cancel registration of non-profit sub-entities**

- (1) The Commissioner must cancel \*registration of a \*non-profit sub-entity (even if it has not applied for cancellation of the registration) if the Commissioner is satisfied that the sub-entity

does not meet the requirements of paragraphs 63-15(1)(a), (b) and (c).

Note: Cancelling registration under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) The Commissioner must notify the sub-entity if the Commissioner decides to cancel its registration. The notice must specify the date of effect of the cancellation.
- (3) Subsection 25-55(2) (which is about cancelling registration) does not apply to \*non-profit sub-entities.

**63-40 Effect on adjustments of becoming a non-profit sub-entity**

- (1) If a branch of an entity becomes a \*non-profit sub-entity, any \*adjustment arising afterwards in relation to a supply, acquisition or importation, made by the entity through the branch before it became a non-profit sub-entity:
  - (a) is taken to be an adjustment that the non-profit sub-entity has, as if the non-profit sub-entity had made the supply, acquisition or importation; and
  - (b) is not taken to be an adjustment that the entity has.
- (2) For the purpose of applying subsection (1) to an adjustment under Division 129 relating to a thing acquired or imported before the branch became a \*non-profit sub-entity, that Division applies as if:
  - (a) the extent to which the acquisition or importation of the thing was for a \*creditable purpose were the extent to which the non-profit sub-entity acquired or imported it for a creditable purpose; and
  - (b) the extent to which the thing has been \*applied for a creditable purpose since its acquisition or importation were the extent to which the non-profit sub-entity applied it for a creditable purpose.

**63-45 Effect on adjustments of ceasing to be a non-profit sub-entity**

- (1) If a branch of an entity ceases to be a \*non-profit sub-entity, any \*adjustment arising afterwards in relation to a supply, acquisition or importation, made by the branch while it was a non-profit

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

sub-entity, is taken to be an adjustment that the entity has, as if the entity had made the supply, acquisition or importation.

- (2) For the purpose of applying subsection (1) to an adjustment under Division 129 relating to a thing acquired or imported before the branch ceased to be a \*non-profit sub-entity, that Division applies as if:
- (a) the extent to which the acquisition or importation of the thing was for a \*creditable purpose were the extent to which the entity acquired or imported it for a creditable purpose; and
  - (b) the extent to which the thing has been \*applied for a creditable purpose since its acquisition or importation were the extent to which the entity applied it for a creditable purpose.

### **63-50 Membership requirements of GST groups**

A \*non-profit sub-entity *satisfies the membership requirements* for a \*GST group, or a proposed GST group, if:

- (a) it is \*registered; and
- (b) it has the same tax periods applying to it as the tax periods applying to all the other members of the GST group or proposed GST group; and
- (c) it accounts on the same basis as all those other members; and
- (d) it is not a \*member of any other GST group; and
- (e) each of the other members of the GST group or proposed GST group is either:
  - (i) the entity of which the non-profit sub-entity is a branch; or
  - (ii) another branch of that entity that is a non-profit sub-entity.

## Part 4-2—Special rules mainly about supplies and acquisitions

Note: The special rules in this Part mainly modify the operation of Part 2-2, but they may affect other Parts of Chapter 2 in minor ways.

### Division 66—Second-hand goods

#### Table of Subdivisions

66-A	Input tax credits for acquiring second-hand goods
66-B	Acquisitions of second-hand goods that are divided for re-supply

#### 66-1 What this Division is about

This Division allows you to claim input tax credits for your acquisitions of second-hand goods, even though GST was not payable on the supply of the goods to you. However, some limitations apply, and a form of global accounting is used for some acquisitions of second-hand goods that are divided for re-supply.

#### Subdivision 66-A—Input tax credits for acquiring second-hand goods

#### 66-5 Creditable acquisitions of second-hand goods

- (1) If you acquire \*second-hand goods for the purposes of sale or exchange (but not for manufacture) in the ordinary course of \*business, the fact that the supply of the goods to you is not a \*taxable supply does not stop the acquisition being a \*creditable acquisition.
- (2) However, this section does not apply, and is taken never to have applied, to the acquisition if:
  - (a) the supply of the goods to you was a \*taxable supply, or was \*GST-free; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (b) you \*imported the goods; or
  - (c) the supply of the goods to you was a supply by way of hire;  
or
  - (d) Subdivision 66-B applies to the acquisition; or
  - (e) you make a supply of the goods that is not a taxable supply.
- (3) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

**66-10 Amounts of input tax credits for creditable acquisitions of second-hand goods**

- (1) The amount of the input tax credit for a \*creditable acquisition of \*second-hand goods for which the \*consideration is more than \$300 is:
- (a) an amount equal to  $\frac{1}{11}$  of the \*consideration that you provide, or are liable to provide, for the acquisition; or
  - (b) if that amount is more than the amount of the GST payable on a \*taxable supply of the goods that you make—the amount of GST on that taxable supply.
- (1A) The amount of the input tax credit for a \*creditable acquisition of \*second-hand goods for which the \*consideration is \$300 or less is an amount equal to  $\frac{1}{11}$  of the \*consideration that you provide, or are liable to provide, for the acquisition.
- (2) However, this section does not apply if the supply of the goods to you is a \*taxable supply.
- (3) This section has effect despite section 11-25 (which is about the amount of input tax credits for creditable acquisitions).

**66-15 Attributing input tax credits for creditable acquisitions of second-hand goods**

- (1) If:
- (a) you are entitled, under this Division, to the input tax credit for a \*creditable acquisition of \*second-hand goods; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 66-17

---

- (b) either the \*consideration for the acquisition was more than \$300 or you choose to have this section apply to the acquisition;  
the input tax credit for the acquisition is attributable to:
  - (c) the tax period in which any \*consideration is received for a subsequent \*taxable supply of the goods; or
  - (d) if, before any of the consideration is received, you have issued an \*invoice relating to the supply—the tax period in which the invoice is issued.
- (2) However, if you \*account on a cash basis, then:
  - (a) if, in a tax period, *all* of the \*consideration is received for the subsequent \*taxable supply—the input tax credit for the acquisition is attributable to that tax period; or
  - (b) if, in a tax period, *part* of the consideration is received—the input tax credit for the acquisition is attributable to that tax period, but only to the extent that the consideration is received in that tax period; or
  - (c) if, in a tax period, *none* of the consideration is received—none of the input tax credit for the acquisition is attributable to that tax period.
- (4) This section has effect despite section 29-10 (which is about attributing the input tax credits for creditable acquisitions).

**66-17 Records of creditable acquisitions of second-hand goods**

- (1) If you make a \*creditable acquisition of second-hand goods and the supply of the goods to you was not a \*taxable supply:
  - (a) subsection 29-10(3) applies to the acquisition as if references to a \*tax invoice were references to a record you prepared that complies with this section; and
  - (b) subsection 29-20(3) applies to an adjustment event relating to the acquisition as if references to an \*adjustment note were references to a record you prepared that complies with this section.
- (2) To comply with this section, the record must:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) set out the name and address of the entity that supplied the goods to you; and
  - (b) describe the goods (including their quantity); and
  - (c) set out the date of, and the \*consideration for, the acquisition.
- (2A) Subsection 29-10(3) does not apply to a \*creditable acquisition of \*second-hand goods if:
- (a) the supply to which the acquisition relates is not a \*taxable supply; and
  - (b) the amount that would have been the \*value of the supply (if it had been a \*taxable supply) does not exceed \$50, or such higher amount as the regulations made for the purposes of subsection 29-80(1) specify.
- (2B) Subsection 29-20(3) does not apply to a \*decreasing adjustment relating to a \*creditable acquisition of \*second-hand goods if:
- (a) the supply to which the acquisition relates is not a \*taxable supply; and
  - (b) the amount of the adjustment does not exceed \$50, or such higher amount as the regulations made for the purposes of subsection 29-80(2) specify.
- (3) This section has effect despite section 29-10 (which is about attributing the input tax credits for creditable acquisitions) and section 29-20 (which is about attributing decreasing adjustments).

### **Subdivision 66-B—Acquisitions of second-hand goods that are divided for re-supply**

#### **66-40 Acquisitions of second-hand goods that can be used to offset GST on future re-supplies**

- (b) either the \*consideration for the acquisition was more than \$300 or you choose to have this section apply to the acquisition; and
  - (c) the goods are of such a kind, or they are supplied to you in such a way, that it would be reasonable to expect you to divide them before supplying them in 2 or more separate supplies; and
  - (d) you do not subsequently make a single supply of the entirety of the goods acquired.
- (2) However, this Subdivision does not apply, and is taken never to have applied, to the acquisition if:
- (a) the \*consideration for the acquisition separately itemises the consideration for the different goods acquired, and your division of the goods before supplying them:
    - (i) corresponds to that itemisation; or
    - (ii) does not involve dividing the goods any further than the division indicated by that itemisation; or
  - (b) the supply of the goods to you was a \*taxable supply, or was \*GST-free; or
  - (c) you \*imported the goods; or
  - (d) the supply of the goods to you was a supply by way of hire; or
  - (e) you make a supply of the goods, or of part of the goods, that is not a taxable supply (other than because of section 66-45).

**66-45 Future re-supplies that are not taxable supplies**

- (1) A supply you make is not a \*taxable supply if:
- (a) it is a supply of goods that were part of an acquisition you made that was an acquisition of \*second-hand goods to which this Subdivision applied; and
  - (b) your \*total Subdivision 66-B credit amount is more than your \*total Subdivision 66-B GST amount; and
  - (c) what would be the amount of GST payable on the supply, if the supply were a taxable supply, is less than or equal to the difference between:
    - (i) your \*total Subdivision 66-B credit amount; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

(ii) your \*total Subdivision 66-B GST amount.

Note: This section will not apply unless the record keeping requirements of section 66-55 are met.

(2) This section has effect despite section 9-5 (which is about what are taxable supplies).

### **66-50 Future re-supplies on which GST is reduced**

- (1) The amount of GST on a \*taxable supply you make is reduced if:
- (a) it is a supply of goods that were part of an acquisition you made that was an acquisition of \*second-hand goods to which this Subdivision applied; and
  - (b) your \*total Subdivision 66-B credit amount is more than your \*total Subdivision 66-B GST amount; and
  - (c) what would be the amount of GST payable on the supply, if the amount were not reduced under this section, is more than the difference between:
    - (i) your total Subdivision 66-B credit amount; and
    - (ii) your total Subdivision 66-B GST amount.

Note: This section will not apply unless the record keeping requirements of section 66-55 are met.

- (2) The amount by which the GST on the supply is reduced is an amount equal to the difference between:
- (a) your \*total Subdivision 66-B credit amount; and
  - (b) your \*total Subdivision 66-B GST amount.

(3) This section has effect despite section 9-70 (which is about the amount of GST on taxable supplies).

Note: Section 9-90 (rounding of amounts of GST) can apply to amounts of GST worked out using this section.

### **66-55 Records of acquisitions of second-hand goods to which this Subdivision applied**

Sections 66-45 and 66-50 do not apply to a supply of goods you made unless you hold a record, relating to the acquisition of \*second-hand goods of which the goods supplied were a part, that:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 66-60

---

- (a) sets out the name and address of the entity that supplied the goods to you; and
- (b) describes the goods (including their quantity); and
- (c) sets out the date of, and the \*consideration for, the acquisition.

**66-60 Input tax credits for acquiring second-hand goods the supply of which is not fully taxable**

- (1) If an entity acquires \*second-hand goods, and, because of section 66-45 and for no other reason, the supply of the goods to the entity is not a \*taxable supply:
  - (a) the fact that the supply is not a taxable supply does not stop the acquisition being a \*creditable acquisition; and
  - (b) the amount of the input tax credit for the creditable acquisition is worked out as if the supply were a taxable supply.
- (2) If:
  - (a) an entity makes a \*creditable acquisition of \*second-hand goods; and
  - (b) the amount of GST on the supply of the goods to the entity was reduced because of section 66-50;the amount of the input tax credit for the creditable acquisition is worked out as if that amount of GST had not been so reduced.
- (3) This section has effect despite section 11-5 (which is about what is a creditable acquisition) and section 11-25 (which is about the amount of input tax credits for creditable acquisitions).

**66-65 Total Subdivision 66-B credit amounts and Subdivision 66-B GST amounts**

- (1) Your *total Subdivision 66-B credit amount* is the sum of the amounts of the input tax credits to which you would have been entitled, for all your acquisitions of \*second-hand goods to which this Subdivision applied, if this Subdivision had not applied to them.
- (2) Your *total Subdivision 66-B GST amount* is the sum of:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) all the amounts of GST that, but for the operation of section 66-45, would have been payable on supplies that you made; and
- (b) all the amounts by which GST payable on supplies that you made has been reduced under section 66-50.

**66-70 Commissioner may determine rules for applying this Subdivision**

- (1) The Commissioner may, in writing, determine:
  - (a) that acquisitions of \*second-hand goods of a specified kind are, or are not, acquisitions of second-hand goods to which this Subdivision applies; or
  - (b) how \*total Subdivision 66-B credit amounts or \*total Subdivision 66-B GST amounts are to be worked out in specified circumstances.
- (2) Determinations under subsection (1) override the provisions of this Subdivision (except this section), but only to the extent of any inconsistency.

## Division 69—Non-deductible expenses

### Table of Subdivisions

- 69-A Non-deductible expenses generally
- 69-B Elections for GST purposes relating to meal entertainment and entertainment facilities

### 69-1 What this Division is about

Some expenses that are not deductible under the ITAA 1997 do not give rise to creditable acquisitions or creditable importations. The amount of input tax credits on some creditable acquisitions or creditable importations of cars is reduced.

### Subdivision 69-A—Non-deductible expenses generally

#### 69-5 Non-deductible expenses do not give rise to creditable acquisitions or creditable importations

- (1) An acquisition is not a \*creditable acquisition to the extent that it is a \*non-deductible expense.
- (2) An importation is not a \*creditable importation to the extent that it is a \*non-deductible expense.
- (3) An acquisition or importation is a *non-deductible expense* if it is not deductible under Division 8 of the \*ITAA 1997 because of one of the following:
  - (a) section 26-5 of the \*ITAA 1997 (Penalties);
  - (b) section 26-30 of the \*ITAA 1997 (Relative's travel expenses);
  - (c) section 26-40 of the \*ITAA 1997 (Maintaining your family);

---

- (f) Division 32 of the \*ITAA 1997 (Entertainment expenses);
  - (g) Division 34 of the \*ITAA 1997 (Non-compulsory uniforms);
  - (h) section 51AK of the \*ITAA 1936 (Agreements for the provision of non-deductible non-cash business benefits).
- (3A) An acquisition or importation is also a **non-deductible expense** to the extent that it is not deductible under Division 8 of the \*ITAA 1997 because of one of the following:
- (a) section 51AEA of the \*ITAA 1936 (Meal entertainment—election to use the 50/50 split method);
  - (b) section 51AEB of the ITAA 1936 (Meal entertainment—election to use the 12 week register method);
  - (c) section 51AEC of the ITAA 1936 (Entertainment facility—election to use the 50/50 split method).
- (4) If the entity making the acquisition or importation is an \*exempt entity, the acquisition or importation is a **non-deductible expense** if it would have been a non-deductible expense under subsection (3) or (3A) had the entity not been an exempt entity.
- (5) This section has effect despite sections 11-5 and 15-5 (which are about what is a creditable acquisition and what is a creditable importation).

#### **69-10 Amounts of input tax credits for creditable acquisitions or creditable importations of certain cars**

- (1) If:
- (a) you are entitled to an input tax credit for a \*creditable acquisition or \*creditable importation of a \*car; and
  - (b) you are not, for the purposes of the *A New Tax System (Luxury Car Tax) Act 1999*, entitled to quote an \*ABN in relation to the supply to which the creditable acquisition relates, or in relation to the importation, as the case requires; and
  - (c) the \*GST inclusive market value of the car exceeds the \*car limit for the \*financial year in which you first used the car for any purpose;

---

**Chapter 4** The special rules

**Part 4-2** Special rules mainly about supplies and acquisitions

**Division 69** Non-deductible expenses

Section 69-15

---

the amount of the input tax credit on the acquisition or importation is the amount of GST payable on the supply or importation of the car up to  $\frac{1}{11}$  of that limit.

- (2) However, if:
- (a) the supply of the car is \*GST-free to any extent under Subdivision 38-P; or
  - (b) the importation of the car is non-taxable to any extent under paragraph 13-10(b) because it would have been GST-free to any extent under Subdivision 38-P if it had been a supply;
- you are not entitled to the input tax credit for the acquisition or importation.
- (3) If your acquisition or importation is \*partly creditable, the input tax credit is reduced to the extent (expressed as a percentage) to which the acquisition or importation is made for a \*creditable purpose.
- (4) This section does not apply in relation to:
- (a) the acquisition or importation of a \*car that is not a \*luxury car because of subsection 25-1(2) of the *A New Tax System (Luxury Car Tax) Act 1999*; or
- Note: Emergency vehicles, cars fitted to transport disabled people, non-passenger commercial vehicles, motor homes and campervans are not luxury cars under that subsection.
- (b) the acquisition of a car by lease or hire.
- (5) This section has effect despite sections 11-25 and 15-20 (which are about the amount of input tax credits on creditable acquisitions and creditable importations).

**Subdivision 69-B—Elections for GST purposes relating to meal entertainment and entertainment facilities**

**69-15 What this Subdivision is about**

The GST consequences of incurring certain expenses for the provision of meal entertainment and entertainment facilities depend on elections made under fringe benefits tax law. These elections might not be made until after GST returns are due.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

This Subdivision allows elections to be made for GST purposes so that GST returns can take into account the likely application of subsection 69-5(3A) to those expenses, before the fringe benefits tax elections are made.

### **69-20 Effect of elections on net amounts**

- (1) If you make an election under this Subdivision that has effect during a particular tax period, your \*net amount for the tax period must be worked out on the basis of that election.
- (2) This section has effect despite section 17-5 (which is about working out your net amount).

### **69-25 Election to use the 50/50 split method for meal entertainment**

You may elect to have acquisitions or importations treated, for the purposes of this Subdivision, as \*non-deductible expenses because of paragraph 69-5(3A)(a), to the extent that the acquisitions or importations would be non-deductible expenses because of that paragraph if:

- (a) an election were in force under section 37AA of the *Fringe Benefits Tax Assessment Act 1986* (but no further election were in force under section 37CA of that Act); and
- (b) section 51AEA of the \*ITAA 1936 were to apply, because of that election, to expenses relating to the acquisitions or importations.

### **69-30 Election to use the 12 week register method for meal entertainment**

- (1) You may elect to have acquisitions or importations treated, for the purposes of this Subdivision, as \*non-deductible expenses because of paragraph 69-5(3A)(b), to the extent that the acquisitions or importations would be non-deductible expenses because of that paragraph if:
  - (a) an election were in force under section 37CA of the *Fringe Benefits Tax Assessment Act 1986*; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**Chapter 4** The special rules

**Part 4-2** Special rules mainly about supplies and acquisitions

**Division 69** Non-deductible expenses

Section 69-35

---

- (b) section 51AEB of the \*ITAA 1936 were to apply, because of that election, to expenses relating to the acquisitions or importations.
- (2) However, you cannot make the election unless you have a \*valid meal entertainment register.

**69-35 Election to use the 50/50 split method for entertainment facilities**

You may elect to have acquisitions or importations treated, for the purposes of this Subdivision, as \*non-deductible expenses because of paragraph 69-5(3A)(c), to the extent that the acquisitions or importations would be non-deductible expenses because of that paragraph if:

- (a) an election were in force under section 152B of the *Fringe Benefits Tax Assessment Act 1986*; and
- (b) section 51AEC of the \*ITAA 1936 were to apply, because of that election, to expenses relating to the acquisitions or importations.

**69-40 When elections take effect**

- (1) An election under this Subdivision is taken to have effect, or to have had effect, from the start of the tax period specified in the election.
- (2) The tax period may be a future tax period or the current tax period. It cannot be a tax period that has already come to an end.

**69-45 When elections cease to have effect**

If a circumstance specified in the second column of the following table occurs, the election ceases to have effect from the start of the tax period specified in the third column:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

<b>When elections cease to have effect</b>			
<b>Item</b>	<b>Kind of election</b>	<b>Circumstance</b>	<b>Tax period</b>
1	Any election under this Subdivision	You withdraw the election	The tax period (which must not be a past tax period) specified in the withdrawal
2	An election under section 69-25	You make an election under section 69-30	The tax period at the start of which the election under section 69-30 takes effect
3	An election under section 69-30	You make an election under section 69-25	The tax period at the start of which the election under section 69-25 takes effect
4	An election under section 69-30	You cease to have a *valid meal entertainment register	The tax period during which you cease to have such a register
5	An election under section 69-25 or 69-30	You make an election under section 37AA or 37CA of the <i>Fringe Benefits Tax Assessment Act 1986</i>	The tax period during which the election is made
6	An election under section 69-35	You make an election under section 152B of that Act	The tax period during which the election is made

### **69-50 Adjustment events relating to elections**

- (1) The following are *adjustment events* if they have the effect of changing the extent to which an acquisition you made is a \*creditable acquisition:
- (a) an election you make under this Subdivision ceases to have effect at a time other than the start of an \*FBT year;
  - (b) an election is made under section 37AA, 37CA or 152B of the *Fringe Benefits Tax Assessment Act 1986* for an FBT year, without one or more corresponding elections under this Subdivision having been made covering all the tax periods in that year;

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**Chapter 4** The special rules

**Part 4-2** Special rules mainly about supplies and acquisitions

**Division 69** Non-deductible expenses

Section 69-50

---

- (c) an election is not made under section 37AA, 37CA or 152B of that Act for an FBT year, but one or more corresponding elections have been made under this Subdivision covering one or more of the tax periods in that year.
- (2) However, an \*adjustment event under this section arises only in respect of a tax period in which:
  - (a) the day occurs by which you are required, under section 68 of the *Fringe Benefits Tax Assessment Act 1986*, to furnish a return to the Commissioner relating to an \*FBT year; or
  - (b) if you are not required under that section to lodge a return relating to that FBT year—the day occurs by which you would have been required under that section to lodge a return relating to that FBT year, if you were required to lodge the return.
- (3) Subdivision 19-C applies to the acquisition in question as if every \*adjustment event under this section that occurred during the \*FBT year, and that relates to the acquisition, occurred during the tax period referred to in paragraph 19-70(a).
- (4) This table sets out when elections that you make or fail to make under section 37AA, 37CA or 152B of the *Fringe Benefits Tax Assessment Act 1986* correspond to elections under this Subdivision:

<b>Corresponding elections</b>		
<b>Item</b>	<b>These elections under the <i>Fringe Benefits Tax Assessment Act 1986</i>...</b>	<b>correspond to these elections under this Subdivision...</b>
1	an election under section 37AA, but without a further election under section 37CA	an election under section 69-25
2	an election under section 37AA, together with a further election under section 37CA	an election under section 69-30
3	an election under section 152B	an election under section 69-35

## **Division 70—Financial supplies (reduced credit acquisitions)**

### **70-1 What this Division is about**

In some cases, acquisitions relating to financial supplies can attract a reduced input tax credit, even though no input tax credit could arise under the basic rules.

### **70-5 Acquisitions that attract the reduced credit**

- (1) The regulations may provide that acquisitions of a specified kind that relate to making \*financial supplies can give rise to an entitlement to a reduced input tax credit. These are **reduced credit acquisitions**.
- (1A) However, an acquisition is not a reduced credit acquisition to the extent (if any) that, without this Division applying, an entity is entitled to an input tax credit for the acquisition.  

Note: Acquisitions relating to financial supplies can give rise to input tax credits: see subsections 11-15(4) and (5).
- (2) For each kind of \*reduced credit acquisition specified, the regulations must specify a percentage to which the input tax credit is reduced.

### **70-10 Extended meaning of *creditable purpose***

- (1) The fact that a \*reduced credit acquisition relates to making \*financial supplies does not stop it being for a \*creditable purpose, to the extent that it relates to making financial supplies.
- (2) The fact that you \*apply a \*reduced credit acquisition in making \*financial supplies does not stop it being applied for a \*creditable purpose, to the extent that it relates to making financial supplies.
- (3) This section has effect despite sections 11-15 and 129-50 (which are about the meaning of creditable purpose).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### 70-15 How much are the reduced input tax credits?

- (1) The amount of an input tax credit for a \*creditable acquisition of a \*reduced credit acquisition is an amount equal to the GST payable on the supply of the acquisition multiplied by the percentage specified under subsection 70-5(2) for acquisitions of that kind.
- (2) However, the amount of such an input tax credit is further reduced if the acquisition is only \*partly creditable.
- (3) This section has effect despite section 11-25 (which is about the amount of input tax credits).

### 70-20 Extent of creditable purpose

- (1) If:
  - (a) a \*reduced credit acquisition is a \*creditable acquisition; and
  - (b) it is not wholly for a \*creditable purpose because of this Division;it is \*partly creditable.
- (2) The extent to which the acquisition is acquired or applied for a \*creditable purpose is worked out using the following formula:

$$\text{Extent of creditable purpose} + \left[ \frac{\text{Extent of Division 70 creditable purpose}}{\text{Percentage credit reduction}} \right]$$

where:

**extent of creditable purpose** is the extent to which the purpose for which you applied or acquired the acquisition was a \*creditable purpose otherwise than because of this Division, expressed as a percentage.

**extent of Division 70 creditable purpose** is the extent to which the purpose for which you applied or acquired the acquisition was a \*creditable purpose because of this Division, expressed as a percentage.

**percentage credit reduction** is the reduced input tax credit percentage prescribed for the purposes of subsection 70-5(2) for an acquisition of that kind.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**Chapter 4** The special rules

**Part 4-2** Special rules mainly about supplies and acquisitions

**Division 70** Financial supplies (reduced credit acquisitions)

Section 70-25

---

Note: This section affects sections 11-30 and 129-40. It is used even if the reduced credit acquisition is used wholly in carrying on your enterprise (unless the acquisition was wholly for a creditable purpose because of this Division, then section 70-15 applies).

Example 1: You make a reduced credit acquisition of \$110,000, wholly for the purposes of carrying on your enterprise, partly for the purpose of making financial supplies (40%) and partly for the purpose of making taxable supplies (60%). Assume the percentage credit reduction to be 50%. The extent to which you make the acquisition for a creditable purpose is:

$$60\% + \left[ 40\% \times 50\% \right] = 80\%$$

Applying section 11-30, your input tax credit is \$8,000 (assuming you were liable for all the consideration).

Example 2: You subsequently apply the acquisition partly in making financial supplies (40%), partly in making taxable supplies (40%) and partly for private use (20%). The extent to which you made the acquisition for a creditable purpose is:

$$40\% + \left[ 40\% \times 50\% \right] = 60\%$$

Applying Division 129, your input tax credit is reduced to \$6,000, giving you an increasing adjustment of \$2,000.

- (3) The Commissioner may determine, in writing, one or more ways in which to work out, for the purpose of subsection (2), the extent to which an acquisition is for a \*creditable purpose.

**70-25 Sale of reduced credit acquisitions (Division 132)**

- (1) If:
- (a) you supply a \*reduced credit acquisition in circumstances to which Division 132 applies; and
  - (b) you made the acquisition for a \*creditable purpose because of this Division, or you applied the acquisition for a \*creditable purpose because of this Division;
- this section applies for the purposes of Division 132.
- (2) In working out the full input tax credit in subsection 132-5(2), the reference to a \*creditable purpose in paragraph (a) of the definition of **full input tax credit** is to be read as a reference to a \*creditable purpose otherwise than because of Division 70.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (3) In working out the adjusted input tax credit in subsection 132-5(2), the extent of the \*creditable purpose because of subsection 132-5(4) is increased by the following extent:

$$\text{Extent of Division 70} \times \text{Percentage credit} \\ \text{creditable purpose} \quad \text{reduction}$$

where:

*extent of Division 70 creditable purpose* has the same meaning as in section 70-20.

*percentage credit reduction* has the same meaning as in section 70-20.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## Division 71—Fringe benefits provided by input taxed suppliers

### 71-1 What this Division is about

Suppliers making input taxed supplies may not be entitled to input tax credits for acquisitions or importations they make to provide fringe benefits to their employees.

Note: Under the *Fringe Benefits Tax Assessment Act 1986*, a lower rate of fringe benefits tax is payable for providing fringe benefits without entitlement to input tax credits.

### 71-5 Acquisitions by input taxed suppliers to provide fringe benefits

- (1) An acquisition that solely or partly relates to making supplies that are \*input taxed is not a \*creditable acquisition if:
  - (a) the acquisition would (but for this section) be an acquisition of a kind referred to in paragraph 149A(2)(b) of the *Fringe Benefits Tax Assessment Act 1986*; and
  - (b) the acquisition specifically relates to the provision of a particular benefit (within the meaning of that Act) in respect of which \*fringe benefits tax is or will be payable.
- (2) However, this section does not apply to an acquisition if:
  - (a) the only reason it relates to making supplies that are \*input taxed is because it relates to making \*financial supplies; and
  - (b) you do not \*exceed the financial acquisitions threshold.
- (3) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

### 71-10 Importations by input taxed suppliers to provide fringe benefits

- (1) An importation that solely or partly relates to making supplies that are \*input taxed is not a \*creditable importation if:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) the importation would (but for this section) be an importation of a kind referred to in paragraph 149A(2)(b) of the *Fringe Benefits Tax Assessment Act 1986*; and
  - (b) the importation specifically relates to the provision of a particular benefit (within the meaning of that Act) in respect of which \*fringe benefits tax is or will be payable.
- (2) However, this section does not apply to an importation if:
- (a) the only reason it relates to making supplies that are \*input taxed is because it relates to making \*financial supplies; and
  - (b) you do not \*exceed the financial acquisitions threshold.
- (3) This section has effect despite section 15-5 (which is about what is a creditable importation).

## **Division 72—Associates**

### **Table of Subdivisions**

- 72-A Supplies without consideration
- 72-B Acquisitions without consideration
- 72-C Supplies for inadequate consideration
- 72-D Application of this Division to certain sub-entities

### **72-1 What this Division is about**

This Division ensures that supplies to, and acquisitions from, your associates *without* consideration are brought within the GST system, and that supplies to your associates for inadequate consideration are properly valued for GST purposes.

### **Subdivision 72-A—Supplies without consideration**

#### **72-5 Taxable supplies without consideration**

- (1) The fact that a supply to your \*associate is without \*consideration, does not stop the supply being a \*taxable supply if:
  - (a) your associate is not \*registered or \*required to be registered;  
or
  - (b) your associate acquires the thing supplied otherwise than solely for a \*creditable purpose.
- (2) This section has effect despite paragraph 9-5(a) (which would otherwise require a taxable supply to be for consideration).
- (3) However, this section does not apply to any supply that is constituted by an insured entity settling a claim under an \*insurance policy or by an entity (other than an \*operator) settling a claim under a \*compulsory third party scheme.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **72-10 The value of taxable supplies without consideration**

- (1) If a supply to your \*associate without \*consideration is a \*taxable supply, its *value* is the \*GST exclusive market value of the supply.
- (2) This section has effect despite section 9-75 (which is about the value of taxable supplies).

### **72-15 Attributing the GST to tax periods**

- (1) The tax period to which the GST on a \*taxable supply to your \*associate without \*consideration is attributable is the tax period in which the supply first becomes a supply that is \*connected with Australia.
- (2) This section has effect despite section 29-5 (which is about attributing GST on taxable supplies).

## **Subdivision 72-B—Acquisitions without consideration**

### **72-40 Creditable acquisitions without consideration**

- (1) The fact that an acquisition from your \*associate is without \*consideration does not stop the acquisition being a \*creditable acquisition if you acquire the thing supplied otherwise than solely for a \*creditable purpose.
- (2) This section has effect despite paragraph 11-5(c) (which would otherwise require a creditable acquisition to be for consideration).
- (3) However, this section does not apply to any acquisition that is constituted by an insurer settling a claim under an \*insurance policy or by an \*operator settling a claim under a \*compulsory third party scheme.

### **72-45 The amount of the input tax credit**

- (1) The amount of the input tax credit on an acquisition from your \*associate that is without \*consideration is as follows:

Full input tax credit × Extent of creditable purpose

where:

Section 72-50

*extent of creditable purpose* is the extent to which the creditable acquisition is for a \*creditable purpose, expressed as a percentage of the total purpose of the acquisition.

*full input tax credit* is what would have been the amount of the input tax credit for the acquisition if it had been made solely for a creditable purpose and you had provided, or had been liable to provide, all of the consideration for the acquisition.

- (1A) However, if:
- (a) an \*annual apportionment election that you have made has effect at the end of the tax period to which the input tax credit is attributable; and
  - (b) the acquisition is not an acquisition of a kind specified in the regulations made for the purposes of paragraph 131-40(1)(b);
- the amount of the input tax credit on the acquisition is worked out under section 131-40 as if you had provided, or had been liable to provide, all of the \*consideration for the acquisition.
- (2) This section has effect despite subsection 11-30(3) (which is about the amount of input tax credits on partly creditable acquisitions).

**72-50 Attributing the input tax credit to tax periods**

- (1) The tax period to which the input tax credit for a \*creditable acquisition from your \*associate without \*consideration is attributable is the tax period in which the supply to which the acquisition relates first becomes a supply that is \*connected with Australia.
- (2) This section has effect despite section 29-10 (which is about attributing input tax credits for creditable acquisitions).

**Subdivision 72-C—Supplies for inadequate consideration**

**72-70 The value of taxable supplies for inadequate consideration**

- (1) If a supply to your \*associate for \*consideration that is *less* than the \*GST inclusive market value is a \*taxable supply, its *value* is the \*GST exclusive market value of the supply.

- (3) This section has effect despite section 9-75 (which is about the value of taxable supplies).

#### **72-92 Non-profit sub-entities**

This Division applies to a \*non-profit sub-entity of an entity as if the non-profit sub-entity were an \*associate of:

- (a) that entity; and
- (b) every other non-profit sub-entity of that entity; and
- (c) any other associate of that entity.

#### **72-95 Commonwealth government entities**

This Division applies to a \*government entity that is:

## Division 75—Sale of freehold interests etc.

### 75-1 What this Division is about

This Division allows you to use a margin scheme to bring within the GST system your taxable supplies of freehold interests in land, of stratum units and of long-term leases.

### 75-5 Applying the margin scheme

- (1) The \*margin scheme applies in working out the amount of GST on a \*taxable supply of \*real property that you make by:
- (a) selling a freehold interest in land; or
  - (b) selling a \*stratum unit; or
  - (c) granting or selling a \*long-term lease;
- if you and the \*recipient of the supply have agreed in writing that the margin scheme is to apply.

- (1A) The agreement must be made:
- (a) on or before the making of the supply; or
  - (b) within such further period as the Commissioner allows.

Note: Refusing to allow, or allowing, a further period within which to make an agreement is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (2) However, the \*margin scheme does not apply if you acquired the entire freehold interest, \*stratum unit or \*long-term lease through a supply that was \*ineligible for the margin scheme.

Note: If you acquired part of the interest, unit or lease through a supply that was ineligible for the margin scheme, you may have an increasing adjustment: see section 75-22.

- (3) A supply is *ineligible for the margin scheme* if:
- (a) it is a \*taxable supply on which the GST was worked out without applying the \*margin scheme; or
  - (b) it is a supply of a thing you acquired by \*inheriting it from a deceased person, and the deceased person had acquired all of

- it through a supply that was ineligible for the margin scheme;  
or
- (c) it is a supply in relation to which all of the following apply:
    - (i) you were a \*member of a \*GST group at the time you acquired the interest, unit or lease in question;
    - (ii) the entity from whom you acquired it was a member of the GST group at that time;
    - (iii) the last supply of the interest, unit or lease by an entity who was not (at the time of that supply) a member of the GST group to an entity who was (at that time) such a member was a supply that was ineligible for the margin scheme; or
  - (d) it is a supply in relation to which both of the following apply:
    - (i) you acquired the interest, unit or lease from the \*joint venture operator of a \*GST joint venture at a time when you were a \*participant in the joint venture;
    - (ii) the joint venture operator had acquired the interest, unit or lease through a supply that was ineligible for the margin scheme.
- (4) A reference in paragraph (3)(b), (c) or (d) to a supply that was ineligible for the margin scheme is a reference to a supply:
- (a) that was ineligible for the margin scheme because of one or more previous applications of subsection (3); or
  - (b) that would have been ineligible for the margin scheme for that reason if subsection (3) had been in force at all relevant times.

**75-10 The amount of GST on taxable supplies**

- (1) If a \*taxable supply of \*real property is under the \*margin scheme, the amount of GST on the supply is  $\frac{1}{11}$  of the \*margin for the supply.
- (2) Subject to subsection (3) and section 75-11, the *margin* for the supply is the amount by which the \*consideration for the supply exceeds the consideration for your acquisition of the interest, unit or lease in question.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (3) Subject to section 75-11, if:
- (a) the circumstances specified in an item in the second column of the table in this subsection apply to the supply; and
  - (b) an \*approved valuation of the freehold interest, \*stratum unit or \*long-term lease, as at the day specified in the corresponding item in the third column of the table, has been made;

the *margin* for the supply is the amount by which the \*consideration for the supply exceeds that valuation of the interest, unit or lease.

---

**Use of valuations to work out margins**

the valuation is to be made as if there are no improvements on the land or premises on that day.

Note: Section 9-90 (rounding of amounts of GST) can apply to amounts of GST worked out using this section.

**75-11 Margins for supplies of real property in particular circumstances**

*Margin for supply of real property acquired from fellow member of GST group*

(1) If:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) you acquired the interest, unit or lease in question at a time when both you and the entity from whom you acquired it were \*members of the same \*GST group; and
- (b) on or after 1 July 2000, there has been a supply (an *earlier supply*) of the interest, unit or lease that occurred at a time when the supplier was not a member of the GST group; and
- (ba) the \*recipient was at that time, or subsequently became, a member of the GST group;

the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds:

- (c) the consideration for the last such earlier supply, if the supplier and the recipient were not \*associates at that time; or
  - (d) the \*GST inclusive market value of the interest, unit or lease at that time, if the 2 entities were associates at that time.
- (2) If:
- (a) you acquired the interest, unit or lease in question at a time when both you and the entity from whom you acquired it were \*members of the same \*GST group; and
  - (b) subsection (1) does not apply;

the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds an \*approved valuation of the interest, unit or lease as at 1 July 2000.

*Margin for supply of real property acquired from joint venture operator of a GST joint venture*

(2A) If:

- (a) you acquired the interest, unit or lease in question at a time when you were a \*participant in a \*GST joint venture and the entity from whom you acquired it was the \*joint venture operator of the joint venture; and
- (b) you acquired the interest, unit or lease for consumption, use or supply in the course of activities for which the joint venture was entered into; and
- (c) on or after 1 July 2000, there has been a supply (an *earlier supply*) of the interest, unit or lease to the entity from whom you acquired it (whether or not that entity was the joint

the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds:

- (d) the consideration for the last such earlier supply, if the supplier and the \*recipient were not \*associates at the time of the earlier supply; or
- (e) the \*GST inclusive market value of the interest, unit or lease at that time, if the 2 entities were associates at that time.

(2B) If:

- (a) you acquired the interest, unit or lease in question at a time when you were a \*participant in a \*GST joint venture and the entity from whom you acquired it was the \*joint venture operator of the joint venture; and
- (b) you acquired the interest, unit or lease for consumption, use or supply in the course of activities for which the joint venture was entered into; and
- (c) subsection (2A) does not apply;

the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds an \*approved valuation of the interest, unit or lease as at 1 July 2000.

*Margin for supply of real property acquired from deceased estate*

(3) If:

- (a) you acquired the interest, unit or lease in question by \*inheriting it; and
- (b) none of subsections (1) to (2B) applies; and
- (c) the entity from whom you inherited the interest, unit or lease (the *deceased*) acquired it before 1 July 2000;

the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds:

- (ca) if you know what was the consideration for the supply of the interest, unit or lease to the deceased and you choose to use that consideration to work out the margin for the supply— that consideration; or
- (d) if paragraph (ca) does not apply and, immediately before the time at which you inherited the interest, unit or lease, the

deceased was neither \*registered nor \*required to be registered—an \*approved valuation of the interest, unit or lease as at the latest of:

- (i) 1 July 2000; or
  - (ii) the day on which you inherited the interest, unit or lease; or
  - (iii) the first day on which you registered or were required to be registered; or
- (e) if paragraph (ca) does not apply and, immediately before the time at which you inherited the interest, unit or lease, the deceased was registered or required to be registered—an approved valuation of the interest, unit or lease as at the later of:
- (i) 1 July 2000; or
  - (ii) the first day on which the deceased registered or was required to be registered.

(4) If:

- (a) you acquired the interest, unit or lease in question by \*inheriting it; and
  - (b) none of subsections (1) to (2B) applies; and
  - (c) the entity from whom you inherited the interest, unit or lease (the *deceased*) acquired it on or after 1 July 2000;
- the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds:

- (b) none of the other subsections of this section apply; the *margin* for the supply you make is the amount by which the \*consideration for the supply exceeds:
  - (c) if your acquisition was made before 1 July 2000—an \*approved valuation of the interest, unit or lease as at 1 July 2000; or
  - (d) if your acquisition was made on or after 1 July 2000—the \*GST inclusive market value of the interest, unit or lease at the time of the acquisition.
- (8) Subsection (7) applies to an acquisition through a supply made by:
  - (a) a \*GST branch; or
  - (b) a \*non-profit sub-entity; or
  - (c) a \*government entity of a kind referred to in section 72-95 or 72-100;as if Subdivision 72-D affected the operation of subsection (7) in the same way that it affects the operation of Division 72.

**75-12 Working out margins to take into account failure to pay full consideration**

In working out the \*margin for a \*taxable supply of \*real property you make (the *later supply*), if:

- (a) you had acquired the interest, unit or lease in question through a supply (the *earlier supply*); and
- (b) the \*consideration for:
  - (i) if your acquisition was not an acquisition from a \*member of a \*GST group of which you were also a member at the time of the acquisition—the earlier supply; or
  - (ii) if your acquisition was such an acquisition—the last supply of the interest, unit or lease at a time when the supplier of that last supply was not, but the \*recipient of that last supply was, a member of the GST group;had not been paid in full at the time of the later supply; treat the amount of the consideration as having been reduced by the amount of unpaid consideration referred to in paragraph (b).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Note: If you subsequently pay more of the consideration for the earlier supply, you may have a decreasing adjustment: see section 75-27.

### **75-13 Working out margins to take into account supplies to associates**

In working out the \*margin for a \*taxable supply of \*real property you make to an entity who is your \*associate at the time of the supply, treat the \*consideration for the supply as if it were the same as the \*GST inclusive market value of the interest, unit or lease at the time of the supply.

### **75-14 Consideration for acquisition of real property not to include cost of improvements etc.**

- (1) To avoid doubt, in working out the \*consideration for an acquisition for the purposes of applying the \*margin scheme to a \*taxable supply of \*real property, disregard:
  - (a) the cost or value of any other acquisitions that have been made by you, or any work that has been performed, in relation to the real property; and
  - (b) the cost or value of any other acquisitions that are intended to be made by you, or any work that is intended to be performed, in relation to the real property after its acquisition;  
including acquisitions or work connected with bringing into existence the interest, unit or lease supplied.
- (2) This section does not affect what constitutes \*consideration for a purpose not connected with applying the \*margin scheme.

### **75-15 Subdivided land**

For the purposes of sections 75-10 to 75-14, if the freehold interest, \*stratum unit or \*long-term lease you supply relates only to part of land or premises that you acquired, the \*consideration for your acquisition of that part is the corresponding proportion of the consideration for the land or premises that you acquired.

**75-20 Supplies under a margin scheme do not give rise to creditable acquisitions**

- (1) An acquisition of a freehold interest in land, a \*stratum unit or a \*long-term lease is not a \*creditable acquisition if the supply of the interest, unit or lease was a \*taxable supply under the \*margin scheme.
- (2) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

**75-22 Increasing adjustment relating to input tax credit entitlement**

- (1) You have an *increasing adjustment* if:
  - (a) you make a \*taxable supply of \*real property under the \*margin scheme; and
  - (b) an acquisition that you made of part of the interest, unit or lease in question was made through a supply that was \*ineligible for the margin scheme; and
  - (c) you were, or are, entitled to an input tax credit for the acquisition.

The amount of the increasing adjustment is an amount equal to the \*previously attributed input tax credit amount for the acquisition.

- (2) You have an *increasing adjustment* if:
  - (a) you make a \*taxable supply of \*real property under the \*margin scheme; and
  - (b) you acquired all or part of the interest, unit or lease in question by inheriting it; and
  - (c) the entity from whom you inherited (the *deceased*) had acquired part of the interest, unit or lease that you inherited through a supply that was \*ineligible for the margin scheme; and
  - (d) the deceased was entitled to an input tax credit for that acquisition.

The amount of the increasing adjustment is an amount equal to the \*previously attributed input tax credit amount for the acquisition.

### **75-25 Adjustments relating to bad debts**

- (1) If:
  - (a) you have an \*adjustment under Division 21 relating to a supply that you made that is a \*taxable supply of \*real property under the \*margin scheme; and
  - (b) the amount of the adjustment would (apart from this section) exceed  $\frac{1}{11}$  of the \*margin for the supply;the amount of the adjustment is  $\frac{1}{11}$  of the margin for the supply.
- (2) This section has effect despite sections 21-5 and 21-10 (which are about adjustments for writing off and recovering suppliers' bad debts).

### **75-27 Decreasing adjustment for later payment of consideration**

- (1) You have a *decreasing adjustment* if:
  - (a) section 75-12 applied to working out the \*margin for a \*taxable supply of \*real property that you made; and
  - (b) after you made the supply, a further amount of the \*consideration was paid for the earlier supply referred to in that section.
- (2) The amount of the decreasing adjustment is an amount equal to  $\frac{1}{11}$  of the further amount of the \*consideration paid.

### **75-30 Tax invoices not required for supplies of real property under the margin scheme**

- (1) You are not required to issue a \*tax invoice for a \*taxable supply that you make that is solely a supply of \*real property under the \*margin scheme.
- (2) This section has effect despite section 29-70 (which is about the requirement to issue tax invoices).

## **Division 78—Insurance**

### **78-1 What this Division is about**

Stamp duty is not included in working out the GST on insurance premiums. Insurers have decreasing adjustments which enable the net GST on insurance to reflect correctly their margins after settlements of claims are taken into account.

Note: Payments and supplies under compulsory third party schemes are dealt with in some cases under this Division and in others under Division 79 or 80.

### **Table of Subdivisions**

78-A	Insurers
78-B	Insured entities
78-C	Third parties
78-D	Insured entities that are not registered etc.
78-E	Statutory compensation schemes
78-F	Miscellaneous

### **Subdivision 78-A—Insurers**

#### **78-5 GST on insurance premiums is exclusive of stamp duty**

- (1) The \*value of a \*taxable supply of an \*insurance policy is worked out as if the \*price of the supply were reduced by the amount of any stamp duty payable under a \*State law or \*Territory law in respect of the supply.
- (2) This section has effect despite section 9-75 (which is about the value of taxable supplies).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### 78-10 Decreasing adjustments for settlements of insurance claims

- (1) An insurer has a **decreasing adjustment** if, in settlement of a claim under an \*insurance policy, the insurer:
  - (a) makes a payment of \*money; or
  - (b) makes a supply; or
  - (c) makes both a payment of money and a supply.
- (2) However, this section only applies if:
  - (a) the supply of the \*insurance policy by the insurer was solely or partly a \*taxable supply; and
  - (b) either:
    - (i) there was no entitlement to an input tax credit for the premium paid in relation to the period during which the event giving rise to the claim happened; or
    - (ii) there was an entitlement to such an input tax credit, but the amount of the input tax credit was less than the GST payable by the insurer for the taxable supply; and
  - (c) the insurer settles the claim for a \*creditable purpose; and
  - (d) the insurer is \*registered, or \*required to be registered; and
  - (e) the settlement does not relate solely to one or more \*non-creditable insurance events.
- (2A) In working out the amount of an input tax credit for the purposes of subparagraph (2)(b)(ii), disregard sections 131-40 and 131-50 (which are about amounts of input tax credits under the annual apportionment rules).
- (3) An event is a **non-creditable insurance event** if the supply of an \*insurance policy would not be a \*taxable supply if it were only an insurance policy against loss, damage, injury or risk that relates to that event happening.

### 78-15 How to work out the decreasing adjustments

#### *No input tax credit for the premium*

- (1) If there was no entitlement to an input tax credit for the premium paid in relation to the period during which the event giving rise to

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

the claim happened, the amount of the decreasing adjustment is  $\frac{1}{11}$  of the \*settlement amount.

*Partial input tax credit for the premium*

- (2) If there was an entitlement to such an input tax credit, the amount of the decreasing adjustment is as follows:

$$\frac{1}{11} \times \text{*Settlement amount} \times \left( 1 - \text{Extent of input tax credit} \right)$$

where:

**extent of input tax credit** is the amount of the input tax credit expressed as a fraction of the GST payable for the supply of the \*insurance policy for the period to which the premium relates.

Note: There is no decreasing adjustment if there is a full input tax credit for the premium paid: see paragraph 78-10(2)(b).

*Non-creditable insurance events*

- (3) The amount of the decreasing adjustment under subsection (1) or (2) is reduced to the extent (if any) that the settlement relates to one or more \*non-creditable insurance events.

*Settlement amounts*

- (4) The **settlement amount** is worked out using this method statement.

*Method statement*

*Step 1.* Add together:

- (a) the sum of the payments of \*money (if any) made in settlement of the claim; and
- (b) the \*GST inclusive market value of the supplies (if any) made by the insurer in settlement of the claim (other than supplies that would have been \*taxable supplies but for section 78-25).

Section 78-18

---

*Step 2.* If any payments of excess were made to the insurer under the \*insurance policy in question, subtract from the step 1 amount the sum of all those payments (except to the extent that they are payments of excess to which section 78-18 applies).

*Step 3.* Multiply the step 1 amount, or (if step 2 applies) the step 2 amount, by the following:

$$\frac{11}{11 - \text{Extent of input tax credit}}$$

where:

*extent of input tax credit* has the meaning given by subsection (2).

**78-18 Increasing adjustments for payments of excess under insurance policies**

- (1) An insurer has an *increasing adjustment* if:
  - (a) there is a payment of an excess to the insurer under an \*insurance policy; and
  - (b) the insurer makes, or has made, payments or supplies in settlement of a claim under the policy; and
  - (c) the insurer makes, or has made, \*creditable acquisitions or \*creditable importations directly for the purpose of settling the claim.
- (2) The amount of the increasing adjustment is  $\frac{1}{11}$  of the amount that represents the extent to which the payment of excess relates to \*creditable acquisitions and \*creditable importations made by the insurer directly for the purpose of settling the claim.
- (3) An insurer has an *increasing adjustment* if:
  - (a) there is a payment of an excess to the insurer under an \*insurance policy; and

---

- (b) the insurer makes, or has made, \*creditable acquisitions or \*creditable importations directly for the purpose of settling the claim; and
- (c) the insurer has not made any payments or supplies in settlement of the claim.

The amount of the increasing adjustment is  $\frac{1}{11}$  of the amount of the payment of the excess.

### **78-20 Settlements of insurance claims do not give rise to creditable acquisitions**

- (1) If, in settlement of a claim under an \*insurance policy, an insurer:
  - (a) makes a payment of \*money; or
  - (b) makes a supply; or
  - (c) makes both a payment of money and a supply;the payment or supply is *not* treated as \*consideration for an acquisition made by the insurer.
- (2) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

### **78-25 Supplies in settlement of claims are not taxable supplies**

- (1) A supply that an insurer makes in settlement of a claim under an \*insurance policy is not a \*taxable supply.
- (2) This section has effect despite section 9-5 (which is about what are taxable supplies).

### **78-30 Acquisitions by insurers in the course of settling claims under non-taxable policies**

- (1) An acquisition is not a \*creditable acquisition if:
  - (a) the insurer makes the acquisition:
    - (i) to the extent that the acquisition is an acquisition of goods—solely for the purpose of supplying the goods in the course of settling a claim under an \*insurance policy; or

**78-35 Taxable supplies relating to rights of subrogation**

- (1) If, in settlement of a claim made by an insurer in the insurer's exercising of rights of subrogation in respect of an \*insurance policy, an entity that is not insured under the policy:
  - (a) makes a payment of \*money; or
  - (b) makes a supply; or
  - (c) makes both a payment of money and a supply;the payment or supply is *not* treated as \*consideration for a supply made by the insurer (whether or not the payment or supply is made to the insurer) or by the entity insured.
- (2) This section has effect despite section 9-15 (which is about consideration).

**78-40 Adjustment events relating to decreasing adjustments under this Division**

- (1) Division 19 applies in relation to a \*decreasing adjustment that an insurer has under this Division as if:
  - (a) the adjustment were an input tax credit; and
  - (b) the settlement of the claim to which the adjustment relates were a \*creditable acquisition that the insurer made; and
  - (c) any payment or supply made by another entity, in settlement of a claim made by an insurer in the insurer's exercising of rights of subrogation in respect of the \*insurance policy in question, were a reduction in the \*consideration for the acquisition.
- (2) Paragraph (1)(c) does not apply to a payment by another entity in relation to which an \*increasing adjustment arises under

section 80-30 or 80-70 (which are about settlement sharing arrangements).

**78-42 Adjustment events relating to increasing adjustments under section 78-18**

Division 19 applies in relation to an \*increasing adjustment that an insurer has under section 78-18 as if:

- (a) payments of excess under an \*insurance policy to which the adjustment relates were \*consideration for a \*taxable supply that the insurer made; and
- (b) the adjustment were the GST payable on the taxable supply; and
- (c) any refund of that payment of excess made by the insurer were a reduction in the consideration for the supply.

**Subdivision 78-B—Insured entities etc.**

**78-45 Settlements of insurance claims do not give rise to taxable supplies**

- (1) If, in settlement of a claim under an \*insurance policy, an insurer:
  - (a) makes a payment of \*money; or
  - (b) makes a supply; or
  - (c) makes both a payment of money and a supply;the payment or supply is *not* treated as \*consideration for a supply made by the entity insured, or by any entity (other than the entity insured) that was entitled to an input tax credit for the premium paid for the insurance policy.
- (2) This section has effect despite section 9-15 (which is about consideration).

**78-50 Settlements of insurance claims give rise to taxable supplies if entitlement to input tax credits is not disclosed**

- (1) However, the payment or supply *is* treated as \*consideration for a supply made by an entity if:

---

---

Section 78-50

---

- (a) the entity paid all or a part of the premium, for the \*insurance policy, relating to the period during which the event giving rise to the claim happened; and
- (b) the entity, or the \*representative member of the \*GST group of which the entity is a \*member, was entitled to an input tax credit for the premium it paid; and
- (c) the entity:
  - (i) did not, at or before the time a claim was first made under the insurance policy since the last payment of a premium, inform the insurer of the entitlement to an input tax credit for the premium it paid; or
  - (ii) in informing the insurer of the entitlement at or before that time, understated its extent; and
- (d) the insurance policy was not issued under a \*compulsory third party scheme.

It does not matter whether that entity is the entity insured, or whether the payment or supply is made to that entity or any other entity.

- (2) The extent to which the payment or supply is treated as \*consideration is the extent of the entitlement, or the extent to which the entitlement was understated, as the case requires.
- (2A) In working out, for the purposes of subparagraph (1)(c)(ii) or subsection (2), whether an entitlement to an input tax credit has been understated, or the extent of the understatement, disregard sections 131-40 and 131-50 (which are about amounts of input tax credits under the annual apportionment rules).
- (3) The supply made by the entity is a **taxable supply** whether or not the entity is \*registered, or \*required to be registered, at the time of the settlement or at the time of the payment or supply by the insurer.

Note: Subdivision 78-D deals with how GST applies to the taxable supply if the insured entity is not registered, or required to be registered.

- (4) This section has effect despite section 9-5 (which is about what are taxable supplies) and section 9-15 (which is about consideration).

- (2) This section has effect despite section 9-15 (which is about consideration).

**78-60 Supplies of goods to insurers in the course of settling claims**

- (1) A supply of goods is not a \*taxable supply if it is *solely* a supply made under an \*insurance policy to an insurer in the course of settling a claim under the policy.
- (2) In working out the *value* of a \*taxable supply that is *partly* a supply of goods made under an \*insurance policy to an insurer in the course of settling a claim under the policy, disregard the \*consideration to the extent that it relates to the supply of those goods.
- (3) This section has effect despite section 9-5 (which is about what are taxable supplies) and section 9-75 (which is about the value of taxable supplies).

**Subdivision 78-C—Third parties**

**78-65 Payments etc. to third parties by insurers**

  - (b) the payment is to discharge a liability owed to that entity by the entity insured.
- (2) The making of any supply by an insurer to an entity:

**78-70 Payments etc. to third parties by insured entities**

- (1) The making of any payment by an entity to another entity is not to be treated as \*consideration for a supply to the entity by that other entity, to the extent that:

  - (b) the payment is covered by a settlement of a claim under an \*insurance policy under which the entity was insured against that liability.
- (2) The making of any supply by an entity to another entity:
  - (a) is not to be treated as a \*taxable supply by the entity; and
  - (b) is not to be treated as \*consideration for a supply to the entity by that other, or any other, entity;  
to the extent that:

  - (a) makes a payment of \*money; or
  - (b) makes a supply; or
  - (c) makes both a payment of money and a supply;the payment or supply is *not* treated as \*consideration for an acquisition made by the entity.
- (2) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

### **Subdivision 78-D—Insured entities that are not registered etc.**

#### **78-80 Net amounts**

- (1) If an entity insured under an \*insurance policy is not \*registered or \*required to be registered, it does not have a \*net amount under Part 2-4 merely because it makes a \*taxable supply under section 78-50.
- (2) This section does not prevent an \*adjustment arising that relates to such a supply, but the entity cannot have a \*decreasing adjustment unless it is \*registered or \*required to be registered.
- (3) This section has effect despite Division 17 (which is about net amounts and adjustments).

#### **78-85 GST returns**

- (1) If, during a month:
  - (a) an entity makes any \*taxable supplies under section 78-50; or
  - (b) an entity has any \*increasing adjustments that arise in relation to any such supplies (whether made in that month or a previous month);and the entity is not \*registered or \*required to be registered during that month, it must give to the Commissioner a \*GST return, within

**78-90 Payments of GST**

- (1) If an entity is not \*registered or \*required to be registered during a particular month, it must pay:
- (a) amounts of GST on \*taxable supplies under section 78-50 that it makes during that month; and
  - (b) amounts of \*increasing adjustments that it has that arise, during that month, in relation to supplies that are \*taxable supplies under section 78-50;
- within 21 days after the end of the month, and at the place and in the manner specified by the Commissioner.
- (2) This section has effect despite Division 33 (which is about payments of GST).

**Subdivision 78-E—Statutory compensation schemes**

**78-95 GST on premiums etc. under statutory compensation schemes is exclusive of stamp duty**

- (1) The \*value of a \*taxable supply of membership of, or participation in, a \*statutory compensation scheme is worked out as if the \*price of the supply were reduced by the amount of any stamp duty payable under a \*State law or \*Territory law in respect of the supply.
- (2) This section has effect despite section 9-75 (which is about the value of taxable supplies).

**78-100 Settlements of claims for compensation under statutory compensation schemes**

- (1) This Division applies in relation to a payment or supply made in settlement of a claim for compensation under a \*statutory

compensation scheme in the same way that it applies to a payment or supply made in settlement of a claim under an \*insurance policy.

- (2) For the purposes of the application of this Division in relation to such a payment or supply:
- (a) the claim for compensation under the scheme is treated as a claim under an \*insurance policy; and
  - (b) the entity operating the scheme is treated as the insurer; and
  - (c) an entity is treated as the entity insured if:
    - (i) the entity's payment of premiums, contributions or similar payments under the scheme, or payment of levy in connection with the scheme; or
    - (ii) the entity's liability to pay premiums, contributions or similar payments under the scheme, or liability to pay levy in connection with the scheme;enabled the claim for compensation to arise; and
  - (ca) those payments that that entity makes or is liable to make are treated as a premium it has paid; and
  - (d) the supply of membership of, or participation in, the scheme is treated as the supply of an \*insurance policy.
- (3) However, if the entity treated as the entity insured:
- (a) is liable to make payments referred to in paragraph (2)(c); and
  - (b) has not made all those payments;
- for the purposes of sections 78-10 and 78-15, the entity's entitlement to an input tax credit for the premium paid is taken to be what its entitlement would have been if it had made all those payments.

### **78-105 Meaning of *statutory compensation scheme***

A *statutory compensation scheme* is a scheme or arrangement:

- (a) that is established by an \*Australian law; and
- (b) under which compensation is payable for particular kinds of injury, loss or damage; and

an entity makes a payment of \*money, makes a supply, or makes both a payment of money and a supply; and

- (b) had the payment or supply been made in the absence of such a judgment or order, it would have been a payment or supply made in settlement of the claim;

the payment or supply is treated as having been made in settlement of the claim.

#### **78-115 Exclusion of certain Commonwealth, State or Territory insurance schemes**

This Division (other than sections 78-5 and 78-95) does not apply to an \*insurance policy, or to a payment or supply made in settlement of a claim made under an insurance policy, if:

- (a) the policy was supplied under a scheme for insurance, or a \*statutory compensation scheme, established by an \*Australian law; and
- (b) that scheme is of a kind specified in the regulations.

---

- (a) to act as the insurer in relation to an \*insurance policy; or
  - (b) to meet the first insurer's liabilities arising under an insurance policy;
- this Division applies, from the time the arrangement takes effect, as if the other insurer were an insurer in relation to the policy.
- (2) Without limiting subsection (1):
    - (a) anything done after that time by the other insurer that, if it had been done by the first insurer, would have been done under the policy is taken, for the purposes of this Division, to have been done by the other insurer under the policy; and
    - (b) sections 78-10 and 78-30 apply as if the other insurer were the insurer that supplied the policy; and
    - (c) section 78-18 applies as if the insurer that settles the claim referred to in paragraph 78-18(1)(b) or (3)(b) (as the case requires) has the \*increasing adjustment under that section, regardless of which insurer was paid the excess to which the adjustment relates.

#### **78-120 HIH rescue package**

- (1) If a payment of \*money, a supply or both a payment of money and a supply are received by an entity from an \*HIH rescue entity as \*consideration for:

## **Division 79—Compulsory third party schemes**

### **79-1 What this Division is about**

Operators of compulsory third party schemes have adjustments which enable the net GST on the schemes to reflect correctly their margins after settlements of claims and other payments and supplies under the schemes are taken into account.

The normal application of Division 78 to some insurance policy payments and supplies under the schemes is modified (see Subdivision 79-A). That Division is also extended so that it applies in a modified form to payments and supplies connected with, but not under, insurance policies (see Subdivision 79-B). For other settlements, and payments, provisions similar to Division 78 apply (see Subdivision 79-C). Certain adjustments are worked out using an “applicable average input tax credit fraction” (see Subdivision 79-D).

Note: Division 80 deals with use of settlement sharing arrangements by the operators of compulsory third party schemes.

### **Table of Subdivisions**

79-A	Modified application of Division 78 to certain compulsory third party scheme payments and supplies under insurance policies
79-B	Extension of Division 78 to cover certain compulsory third party scheme payments and supplies connected with, but not under, insurance policies
79-C	Other payments and supplies under compulsory third party schemes
79-D	Compulsory third party scheme decreasing adjustments worked out using applicable average input tax credit fraction

**Subdivision 79-A—Modified application of Division 78 to certain compulsory third party scheme payments and supplies under insurance policies**

**79-5 Application of sections 78-10 and 78-15 (about decreasing adjustments) where premium selection test is satisfied**

- (1) This section applies to a payment or supply if:
  - (a) it is a payment or supply made under a \*compulsory third party scheme; and
  - (b) the payment or supply is made in settlement of a claim under an \*insurance policy; and
  - (c) the \*premium selection test is satisfied; and
  - (d) the payment or supply is not a payment or supply to which section 79-15 (about sole operator elections) applies.

*Premium selection test*

- (2) The *premium selection test is satisfied* if the amount of the premium or premiums for the policy resulted from:
  - (a) an \*operator of the \*compulsory third party scheme offering a number of different premium amounts to the entity liable to pay the premium or premiums; and
  - (b) that entity selecting a premium amount:
    - (i) that was offered on the basis that there would be an entitlement to an input tax credit for some or all of the amount; or
    - (ii) that was offered on the basis that there would be no entitlement to an input tax credit for any of the amount.

*Input tax credit entitlement*

- (3) If subparagraph (2)(b)(i) applies, then, for the purposes of sections 78-10 and 78-15:
  - (a) there is taken to be an entitlement to an input tax credit for the premium paid in relation to the period during which the event giving rise to the claim happened; and
  - (b) if the supply of the insurance policy was solely or partly a \*taxable supply—the amount of the input tax credit is taken

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

to equal the GST payable by the \*operator for the taxable supply.

*No input tax credit entitlement*

- (4) If subparagraph (2)(b)(ii) applies, then, for the purposes of sections 78-10 and 78-15, there is taken to be no entitlement to an input tax credit for the premium paid in relation to the period during which the event giving rise to the claim happened.

**79-10 Adjustment where operator becomes aware that correct input tax credit situation differs from basis on which premium selection test was satisfied**

*Decreasing adjustment*

- (1) If:
- (a) subsection 79-5(3) applies to a payment or supply; and
  - (b) after the \*premium selection test was satisfied, the \*operator became or becomes aware that there was actually no entitlement to an input tax credit for any of the amount of the premium or premiums paid in relation to the period during which the event giving rise to the claim happened; and
  - (c) if subsection 79-5(4) had applied, the operator would have been entitled to a \*decreasing adjustment (the ***notional decreasing adjustment***);
- then:
- (d) the operator has a ***decreasing adjustment*** whose amount is, subject to paragraph (e), equal to the notional decreasing adjustment; and
  - (e) if one or more \*increasing adjustments (each being a ***notional section 78-40 increasing adjustment***) would have arisen, before the decreasing adjustment under paragraph (d) arose, under Division 19 because of section 78-40 applying in relation to the notional decreasing adjustment, the amount of the decreasing adjustment under paragraph (d) is reduced by the sum of the notional section 78-40 increasing adjustments; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Section 79-15

---

- (f) for the purposes of applying section 78-40 after the decreasing adjustment arises under this subsection, that decreasing adjustment is taken to arise under Division 78.

*Increasing adjustment*

(2) If:

- (a) subsection 79-5(4) applies to a payment or supply; and
- (b) as a result, the \*operator has a \*decreasing adjustment (the original decreasing adjustment); and
- (c) after the \*premium selection test was satisfied, the operator became or becomes aware that there actually was an entitlement to an input tax credit for some or all of the amount of the premium or premiums paid in relation to the period during which the event giving rise to the claim happened;

then:

- (d) the operator has an *increasing adjustment* whose amount is, subject to paragraph (e), equal to the original decreasing adjustment; and
- (e) if one or more \*increasing adjustments (each being a *section 78-40 increasing adjustment*) arose, before the increasing adjustment under paragraph (d) arose, under Division 19 because of section 78-40 applying in relation to the original decreasing adjustment, the amount of the increasing adjustment under paragraph (d) is reduced by the sum of the section 78-40 increasing adjustments; and
- (f) after the increasing adjustment arises under paragraph (d), no adjustment arises under Division 19 because of section 78-40 applying in relation to the original decreasing adjustment.

**79-15 Application of sections 78-10 and 78-15 (about decreasing adjustments) where sole operator election to use average input tax credit entitlement**

- (1) This section applies to a payment or supply if:
  - (a) it is a payment or supply made under a \*compulsory third party scheme; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (b) the payment or supply is made in settlement of a claim under an \*insurance policy; and
  - (c) there is only one \*operator who issues insurance policies under the scheme; and

  - (e) an election under subsection (4) is in force during the \*financial year in which the payment or supply is made.
- (2) For the purposes of section 78-10, the \*operator has a \*decreasing adjustment under that section in relation to the payment or supply.
- (3) Section 78-15 does not apply to the \*decreasing adjustment, but its amount is instead worked out using the applicable \*average input tax credit fraction (see section 79-95).
- (4) The \*operator may, in writing, elect that, from the start of a specified \*financial year, any \*decreasing adjustment in relation to all payments or supplies:
- (a) that are made during the financial year; and
  - (b) to which paragraphs (1)(a), (b), (c) and (d) apply;
- are to be worked out using the applicable \*average input tax credit fraction.
- (5) Subject to subsection (6), the election must be made before the start of the specified \*financial year.
- (6) Subsection (5) does not apply if the election specifies the \*financial year beginning on 1 July 2003 and is made before the end of 30 days after the day on which this section commences.
- (7) The election is in force during the specified \*financial year and every later financial year, other than one that begins after a financial year in which the election is revoked.

- (b) had the payment or supply been made in the absence of such a judgment or order, it would have been a settlement of a claim made in exercising rights to recover from another entity in respect of a settlement made under the scheme; the payment or supply is treated as having been made in settlement of the operator's claim made in exercising those rights.

### **Subdivision 79-D—Compulsory third party scheme decreasing adjustments worked out using applicable average input tax credit fraction**

#### **79-95 How to work out decreasing adjustments using the applicable average input tax credit fraction**

- (1) If an \*operator of a \*compulsory third party scheme has a \*decreasing adjustment in relation to a payment or supply that is to be worked out using the applicable \*average input tax credit fraction, the amount of the \*decreasing adjustment is as follows.
- (2) The amount is worked out using the formula:

$$\frac{1}{11} \times \text{Payment or supply amount} \times \left( 1 - \frac{\text{Applicable average input tax credit fraction}}{\text{Applicable average input tax credit fraction}} \right)$$

where:

***applicable average input tax credit fraction*** is the \*average input tax credit fraction for the \*compulsory third party scheme concerned for the \*financial year in which:

- (a) if the payment or supply is a \*CTP compensation payment or supply—the accident or other incident to which the claim relates happened; or

**payment or supply amount** is the amount worked out in accordance with subsection (3).

*Payment or supply amount*

- (3) The payment or supply amount mentioned in subsection (2) is worked out using this method statement.

*Method statement*

*Step 1.* Add together:

- (a) the sum of the payments of \*money (if any) that are included in the payment or supply; and
- (b) the \*GST inclusive market value of the supplies (if any) made by the \*operator that are included in the payment or supply (other than supplies that would have been \*taxable supplies but for section 78-25 or 79-60).

*Step 2.* If, in relation to the payment or supply, any payments of an excess were made to the \*operator, subtract from the step 1 amount the sum of all those payments (except to the extent that they are payments of excess to which section 78-18 or 79-55 applies).

*Step 3.* Except where the payment or supply is a \*CTP ancillary payment or supply, multiply the step 1 amount, or (if step 2 applies) the step 2 amount, by the following:

$$\frac{11}{11 - \text{Applicable average input tax credit fraction}}$$

where:

**79-100 Meaning of *average input tax credit fraction***

- (1) Except where subsection (7) applies, the ***average input tax credit fraction*** for a \*compulsory third party scheme for a \*financial year is:
- (a) for the financial year beginning on 1 July 2000, 1 July 2001 or 1 July 2002—nil; and
  - (b) for the financial year beginning on 1 July 2003, 1 July 2004, 1 July 2005 or 1 July 2006—the business vehicle use fraction for the scheme determined by the Treasurer under subsection (2); and
  - (c) for any later financial year:
    - (i) if subparagraph (ii) does not apply—the same fraction as the average input tax credit fraction for the scheme for the preceding financial year; or
    - (ii) if, under subsection (3), the Treasurer determines the average input tax credit fraction for the scheme for the financial year—that fraction.

*Treasurer to determine business vehicle use fraction for 2003-4 to 2006-7 financial years using statistical information*

- (2) As soon as practicable after the commencement of this section, the Treasurer must, in writing, determine the business vehicle use fraction (see subsection (4)) for each \*compulsory third party scheme, using statistical information that:

(b) the financial years that begin on each 1 July that occurs 3 years, or a multiple of 3 years, after 1 July 2006;

the Treasurer must, for each \*compulsory third party scheme:

- (c) work out business vehicle use fractions (see subsection (4)) using each set of statistical information, relating to business and total use of vehicles in the State or Territory in which the scheme operates, published by the Australian Bureau of Statistics during the 3 financial years before the determination year; and  
(d) work out the average of those fractions (the **new fraction**); and  
(e) if the Treasurer considers the new fraction is significantly different from the average input tax credit fraction that would, disregarding this subsection, apply under subparagraph (1)(c)(i) for the scheme for the financial year (the **operative year**) following the determination year—in writing, determine that the new fraction is to be the average input tax credit fraction for the scheme for the operative year.

## Division 80—Settlement sharing arrangements

### 80-1 What this Division is about

A series of adjustments arise if, under an arrangement, an operator of a compulsory third party scheme settles a claim, arising from one or more accidents or other incidents, covered by the arrangement and other operators are obliged to contribute payments to that operator in respect of the settlement.

### Table of Subdivisions

80-A	Insurance policy settlement sharing arrangements
80-B	Nominal defendant settlement sharing arrangements
80-C	Hybrid settlement sharing arrangements

### Subdivision 80-A—Insurance policy settlement sharing arrangements

#### 80-5 Meaning of *insurance policy settlement sharing arrangement* etc.

##### *Meaning of insurance policy settlement sharing arrangement*

- (1) An *insurance policy settlement sharing arrangement* is an arrangement:
  - (a) that relates to an accident or other incident or 2 or more related accidents or other incidents; and
  - (b) to which the parties are the \*operators of a \*compulsory third party scheme or schemes who have issued \*insurance policies to persons involved in the accidents or incidents; and
  - (c) under which:
    - (i) one party (the *managing operator*) is to make one or more payments or supplies in settlement of a claim, under the compulsory third party scheme or one of the compulsory third party schemes, relating to the accidents or incidents; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (ii) each other party (a *contributing operator*) is to make a payment to the \*managing operator in respect of that operator settling the claim.

*Meaning of managing operator's payment or supply*

- (2) If a payment or supply mentioned in subparagraph (1)(c)(i) is not a \*CTP ancillary payment or supply, it is a *managing operator's payment or supply*.

*Meaning of contributing operator's payment*

- (3) A payment mentioned in subparagraph (1)(c)(ii), to the extent that it is not a fee to the \*managing operator for managing the process of making settlements under the arrangement, is a *contributing operator's payment*.

**80-10 Effect of becoming parties to industry deeds or entering into settlement sharing arrangements**

- (1) An \*operator of a \*compulsory third party scheme does not make a \*taxable supply by:
- (a) entering into, or becoming a party to, an \*insurance policy settlement sharing arrangement; or
  - (b) becoming a party to a deed created by or under a \*State law or a \*Territory law establishing a \*compulsory third party scheme, that provides for an insurance policy settlement sharing arrangement.
- (2) This section has effect despite section 9-5 (which is about what are taxable supplies).

**80-15 Effect of contributing operator's payment**

- (1) A \*contributing operator's payment is *not* treated as \*consideration for a supply by the \*managing operator, or for an acquisition by the \*contributing operator.
- (2) This section has effect despite section 9-15 (which is about consideration) and section 11-5 (which is about what is a creditable acquisition).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**80-20 Managing operator's payments or supplies**

- (1) For the purposes of Divisions 78 and 79, a \*managing operator's payment or supply is treated as follows.
- (2) If the \*managing operator is a party to the \*insurance policy settlement sharing arrangement because it issued only one \*insurance policy, the \*managing operator's payment or supply is treated as a payment or supply, made by the managing operator, in settlement of a claim relating to the accidents or incidents, under that insurance policy.
- (3) If the \*managing operator is a party to the \*insurance policy settlement sharing arrangement because it issued 2 or more \*insurance policies, the \*managing operator's payment or supply is treated as a payment or supply made by the managing operator, in settlement of a claim relating to the accidents or incidents, under the insurance policies, and for that purpose is divided among the policies in equal proportions.

Example: 3 vehicles are involved in an accident, 2 of which are covered by insurance policies issued by the managing operator and the other by a policy issued by a contributing operator. The managing operator makes a payment in settlement of a claim by an insured person in respect of the accident.

For the purposes of Division 78 or 79, half of the payment will be treated as being made under each of the policies issued by the managing operator.

**80-25 Contributing operator's payment**

- (1) For the purposes of Divisions 78 and 79, a \*contributing operator's payment is treated as follows.
- (2) If the \*contributing operator is a party to the \*insurance policy settlement sharing arrangement because it issued only one \*insurance policy, the \*contributing operator's payment is treated as a payment or supply, made by the contributing operator, in settlement of a claim relating to the accidents or incidents, under that insurance policy.

Example: Assume the same facts as in the example in section 80-20. The contributing operator who issued 1 of the 3 policies covering the vehicles in the accident makes a payment to the managing operator.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

For the purposes of Division 78 or 79, the payment (except to the extent that it represents a managing operator's fee) will be treated as being made by the contributing operator under the insurance policy that it issued.

- (3) If the \*contributing operator is a party to the \*insurance policy settlement sharing arrangement because it issued 2 or more \*insurance policies, the \*contributing operator's payment is treated as a payment or supply, made by the contributing operator, in settlement of a claim relating to the accidents or incidents, under the insurance policies, and for that purpose is divided among the policies in equal proportions.

### **80-30 Managing operator's increasing adjustment where contributing operator's payment**

- (1) If:
- (a) a \*contributing operator's payment is made; and
  - (b) as a result of section 80-20, there was a \*decreasing adjustment for the \*managing operator under Division 78 or 79 in relation to the \*managing operator's payment or supply;
- there is an **increasing adjustment** for the managing operator of the following amount:

$$\frac{\text{*Contributing operator's payment}}{\text{Managing operator's settlement amount (see subsection (2))}} \times \text{*Decreasing adjustment}$$

*Managing operator's settlement amount*

- (2) The **managing operator's settlement amount** mentioned in subsection (1) is worked out using this method statement.

*Method statement*

*Step 1.* Add together:

- (a) the sum of the payments of \*money (if any) that are included in the \*managing operator's payment or supply; and

- (b) the \*GST inclusive market value of the supplies (if any) that are included in the \*managing operator's payment or supply (other than supplies that would have been \*taxable supplies but for section 78-25 or 79-60).

*Step 2.* If, in relation to the \*managing operator's payment or supply, any payments of an excess were made to the \*managing operator, subtract from the step 1 amount the sum of all those payments (except to the extent that they are payments of excess to which section 78-18 or 79-55 applies).

*Example:* Assume the same facts as in the examples in sections 80-20 and 80-25. Assume also that, as a result of section 80-20, there was a decreasing adjustment under Division 78 or 79 for the managing operator's payment or supply.

The managing operator has an increasing adjustment. It equals the part of the decreasing adjustment that is attributable to the managing operator's payment or supply that was repaid by the contributing operator's contribution.

**80-35 Adjustment events relating to managing operator's payment or supply**

Division 19 applies in relation to an \*increasing adjustment that the \*managing operator has under section 80-30 as a result of the making of a \*managing operator's payment or supply as if:

- (a) the \*contributing operator's payment were \*consideration for a \*taxable supply made by the managing operator; and
- (b) the adjustment were the GST payable on the taxable supply; and
- (c) any changes made to those payments were a change in the consideration for the supply.

#### *Meaning of contributing operator's payment*

**80-45 Nominal defendant settlement sharing arrangements to which this Subdivision applies**

This Subdivision applies to a \*nominal defendant settlement sharing arrangement if its \*managing operator is not a party to a \*hybrid settlement sharing arrangement relating to the same accidents or incidents.

**80-50 Effect of becoming parties to industry deeds or entering into nominal defendant settlement sharing arrangements**

- (1) An \*operator of a \*compulsory third party scheme does not make a \*taxable supply by:

- (2) This section has effect despite section 9-5 (which is about what are taxable supplies).

**80-55 Effect of contributing operator's payment**

- (1) A \*contributing operator's payment is *not* treated as \*consideration for a supply by the \*managing operator, or for an acquisition by the \*contributing operator.
- (2) This section has effect despite section 9-15 (which is about consideration) and section 11-5 (which is about what is a creditable acquisition).

**80-60 Managing operator's payment or supply**

For the purposes of Division 79, a \*managing operator's payment or supply is treated as a \*CTP compensation payment or supply.

### 80-65 Contributing operator's payment

For the purposes of Division 79, a \*contributing operator's payment is treated as a \*CTP compensation payment or supply.

### 80-70 Managing operator's increasing adjustment where contributing operator's payment

(1) If:

- (a) a \*contributing operator's payment is made; and
- (b) as a result of section 80-60, there was a \*decreasing adjustment for the \*managing operator under Division 79 in relation to the \*managing operator's payment or supply;

there is an **increasing adjustment** for the managing operator of the following amount:

$$\frac{\text{*Contributing operator's payment}}{\text{Managing operator's settlement amount (see subsection (2))}} \times \text{*Decreasing adjustment}$$

*Managing operator's settlement amount*

- (2) The **managing operator's settlement amount** mentioned in subsection (1) is worked out using this method statement.

*Method statement*

*Step 1.* Add together:

- (a) the sum of the payments of \*money (if any) that are included in the \*managing operator's payment or supply; and
- (b) the \*GST inclusive market value of the supplies (if any) that are included in the \*managing operator's payment or supply (other than supplies that would have been \*taxable supplies but for section 78-25 or 79-60).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

*Step 2.* If, in relation to the \*managing operator's payment or supply, any payments of an excess were made to the \*managing operator, subtract from the step 1 amount the sum of all those payments (except to the extent that they are payments of excess to which section 78-18 or 79-55 applies).

### **80-75 Adjustment events relating to managing operator's payment or supply**

Division 19 applies in relation to an \*increasing adjustment that the \*managing operator has under section 80-70 as a result of the making of a \*managing operator's payment or supply as if:

- (a) the \*contributing operator's payment were \*consideration for a \*taxable supply made by the managing operator; and
- (b) the adjustment were the GST payable on the taxable supply; and
- (c) any changes made to those payments were a change in the consideration for the supply.

### **Subdivision 80-C—Hybrid settlement sharing arrangements**

#### **80-80 Meaning of *hybrid settlement sharing arrangement* etc.**

##### *Meaning of hybrid settlement sharing arrangement*

- (1) A *hybrid settlement sharing arrangement* is an arrangement:

(c) under which:

- (i) one party (the *managing operator*) is to make one or more payments or supplies in settlement of a claim, under the compulsory third party scheme or one of the compulsory third party schemes involved, relating to the accidents or incidents; and
- (ii) each other party (a *contributing operator*) is to make a payment to the \*managing operator in respect of that operator settling the claim.

*Meaning of managing operator's payment or supply*

- (2) If a payment or supply mentioned in subparagraph (1)(c)(i) is not a \*CTP ancillary payment or supply, it is a *managing operator's payment or supply*.

*Meaning of contributing operator's payment*

- (3) A payment mentioned in subparagraph (1)(c)(ii), to the extent that it is not a fee to the \*managing operator for managing the process of making settlements under the arrangement, is a *contributing operator's payment*.

**80-85 Subdivision 80-A to apply to hybrid settlement sharing arrangement, subject to exceptions**

In addition to its operation apart from this Subdivision, Subdivision 80-A has effect, subject to sections 80-90 and 80-95, as if a \*hybrid settlement sharing arrangement were an \*insurance policy settlement sharing arrangement.

**80-90 Subdivision 80-B to apply to payments or supplies by managing operator of hybrid settlement sharing arrangement who is also managing operator of nominal defendant settlement sharing arrangement**

If:

- (a) the entity that is the \*managing operator of the \*hybrid settlement sharing arrangement is a party to that arrangement

because it is also the managing operator of a \*nominal defendant settlement sharing arrangement; and

- (b) the entity makes a payment or supply that, as a result of section 80-85, is a \*managing operator's payment or supply under the hybrid settlement sharing arrangement;

then:

- (c) Subdivision 80-A does not have any other effect in relation to the payment or supply in accordance with section 80-85; but
- (d) Subdivision 80-B (other than section 80-45) applies in relation to the payment or supply as if it were a managing operator's payment or supply under the nominal defendant settlement sharing arrangement and the entity were not party to the hybrid settlement sharing arrangement.

**80-95 Subdivision 80-B to apply to payments or supplies by contributing operator of hybrid settlement sharing arrangement who is also managing operator of nominal defendant settlement sharing arrangement**

If:

- (a) an entity that is a \*contributing operator of the \*hybrid settlement sharing arrangement is a party to that arrangement because it is also the \*managing operator of a \*nominal defendant settlement sharing arrangement; and
- (b) the entity makes a payment that, as a result of section 80-85, is a \*contributing operator's payment under the hybrid settlement sharing arrangement;

then:

- (c) Subdivision 80-A does not have any other effect in relation to the payment or supply in accordance with section 80-85; but
- (d) Subdivision 80-B (other than section 80-45) applies in relation to the payment as if it were a \*managing operator's payment or supply under the nominal defendant settlement sharing arrangement and the entity were not party to the hybrid settlement sharing arrangement.

## **Division 81—Payments of taxes, fees and charges**

### **81-1 What this Division is about**

GST applies to payments of taxes, fees and charges, except those taxes, fees and charges that are excluded from the GST by a determination of the Treasurer.

### **81-5 Payments of taxes etc. can constitute consideration**

- (1) The payment of any \*Australian tax, fee or charge (other than the GST) that you make, or the discharging of your liability to make such a payment, is to be treated as the provision of \*consideration, to the entity to which the tax, fee or charge is payable, for a supply that the entity makes to you.

Note: Under Division 82, the payment might not be treated as consideration for a supply if it is in return for an Australian government agency supplying a right to develop land.

- (2) However, the payment of any \*Australian tax, fee or charge that is specified, by legislative instrument, by the Treasurer, or the discharging of a liability to make such a payment, is not the provision of \*consideration.
- (4) This section has effect despite section 9-15 (which is about consideration).

### **81-10 Supplies need not be connected with Australia if the consideration is the payment of tax etc.**

- (1) The fact that a supply is not \*connected with Australia does not stop the supply being a \*taxable supply if the \*consideration for the supply is the payment of any \*Australian tax, fee or charge, or the discharging of a liability to make such a payment.
- (2) This section has effect despite section 9-5 (which is about taxable supplies).

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **Division 82—Supplies in return for rights to develop land**

### **82-1 What this Division is about**

GST does not apply to transactions for making supplies (commonly referred to as in kind developer contributions) in return for the supply by an Australian government agency of a right to develop land.

### **82-5 Supplies of rights to develop land do not constitute consideration in certain cases**

- (1) The supply, by an \*Australian government agency, of a right to develop land is not treated as \*consideration for another supply if the other supply complies with requirements imposed by or under an \*Australian law.
- (2) It does not matter whether the other supply is made to the \*Australian government agency.
- (3) This section has effect despite section 9-15 (which is about consideration).

### **82-10 Supplies by Australian government agencies of rights to develop land are not for consideration**

- (1) The supply, by an \*Australian government agency, of a right to develop land is treated as a supply that is not made for \*consideration to the extent that it is made in return for another supply that complies with requirements imposed by or under an \*Australian law.
- (2) It does not matter whether the other supply is made to the \*Australian government agency.
- (3) If the other supply constitutes the payment of an \*Australian tax, fee or charge to which subsection 81-5(1) applies, this section overrides subsection 81-5(1) in relation to the payment.

## **Division 83—Non-residents making supplies connected with Australia**

### **83-1 What this Division is about**

The GST on taxable supplies made by non-residents can, with the agreement of the recipients, be “reverse charged” to the recipients.

### **83-5 “Reverse charge” on supplies made by non-residents**

- (1) The GST on a \*taxable supply is payable by the \*recipient of the supply, and is not payable by the supplier, if:
  - (a) the supplier is a \*non-resident; and
  - (b) the supplier does not make the supply through an \*enterprise that the supplier \*carries on in Australia; and
  - (c) the recipient is \*registered or \*required to be registered; and
  - (d) the supplier and the recipient agree that the GST on the supply be payable by the recipient.
  
- (2) However, this section does not apply to:
  - (a) a supply that is a \*taxable supply under Division 84 (which is about offshore supplies other than goods or real property); or
  - (b) a taxable supply made by a \*non-resident through a \*resident agent; or
  - (c) a supply that is disregarded under paragraph 188-15(3)(b) or (c) or 188-20(3)(b) or (c) (which are about supplies of rights or options offshore).

Note: GST on these taxable supplies is payable by the resident agent: see section 57-5.
  
- (3) This section has effect despite section 9-40 (which is about liability for the GST).

### **83-10 Recipients who are members of GST groups**

- (1) If section 83-5 applies to a \*taxable supply but the \*recipient of the supply is a \*member of a \*GST group, the GST on the supply:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) is payable by the \*representative member; and
  - (b) is not payable by the member (unless the member is the representative member).
- (2) This section has effect despite section 83-5.

### **83-15 Recipients who are participants in GST joint ventures**

- (1) If section 83-5 applies to a \*taxable supply but the \*recipient of the supply is a \*participant in a \*GST joint venture and the supply is made, on the recipient's behalf, by the \*joint venture operator of the GST joint venture in the course of activities for which the joint venture was entered into, the GST on the supply:
- (a) is payable by the joint venture operator; and
  - (b) is not payable by the participant.
- (2) This section has effect despite section 83-5.

### **83-20 The amount of GST on “reverse charged” supplies made by non-residents**

- (1) The amount of GST on a supply to which section 83-5, 83-10 or 83-15 applies is 10% of the \*price of the supply.
- (2) This section has effect despite section 9-70 (which is about the amount of GST on taxable supplies).

### **83-25 When non-residents must apply for registration**

- (1) A \*non-resident need not apply to be \*registered under this Act if the non-resident's \*GST turnover would not meet the \*registration turnover threshold but for the \*taxable supplies of the non-resident that are taxable supplies to which section 83-5 applies.
- (2) It does not matter whether the \*non-resident is \*required to be registered.
- (3) This section has effect despite section 25-1 (which is about when entities must apply for registration).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**83-30 When the Commissioner must register non-residents**

- (1) The Commissioner need not \*register a \*non-resident if the Commissioner is satisfied that the non-resident's \*GST turnover would not meet the \*registration turnover threshold but for the \*taxable supplies of the non-resident that are taxable supplies to which section 83-5 applies.
- (2) It does not matter whether the \*non-resident is \*required to be registered.
- (3) This section has effect despite section 25-5 (which is about when the Commissioner must register an entity).

**83-35 Tax invoices not required for “reverse charged” supplies made by non-residents**

- (1) A \*non-resident is not required to issue a \*tax invoice for a \*taxable supply of the non-resident that is a taxable supply to which section 83-5 applies.
- (2) Subsection (1) has effect despite section 29-70 (which is about the requirement to issue tax invoices).
- (3) Subsection 29-10(3) does not apply in relation to a \*creditable acquisition made by an entity as a result of being the \*recipient of a \*taxable supply to which section 83-5 applies.

## **Division 84—Offshore supplies other than goods or real property**

### **84-1 What this Division is about**

This Division deals with supplies (of things other than goods or real property) taking place outside Australia. The GST on a supply that is a taxable supply under this Division is “reverse charged” to the recipient of the supply.

### **84-5 Intangible supplies from offshore that are taxable supplies under this Division**

- (1) A supply of anything other than goods or \*real property that is:
- (a) a supply not \*connected with Australia; or
  - (b) a supply connected with Australia because of paragraph 9-25(5)(c);

is a *taxable supply* if:

- (c) the \*recipient of the supply acquires the thing supplied solely or partly for the purpose of an \*enterprise that the recipient \*carries on in Australia, but not solely for a \*creditable purpose; and
  - (d) the supply is for \*consideration; and
  - (e) the recipient is \*registered or \*required to be registered.
- However, the supply is not a \*taxable supply to the extent that it is \*GST-free or \*input taxed.
- (2) For the purposes of paragraph (1)(e), in determining whether the \*recipient is \*required to be registered, what would be the \*value of such supplies (if they were \*taxable supplies) is to be counted towards the recipient’s \*GST turnover.
- (3) This section has effect despite section 9-5 (which is about what is a taxable supply).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**84-10 “Reverse charge” on offshore intangible supplies**

- (1) The GST on a supply that is a \*taxable supply because of section 84-5:
  - (a) is payable by the \*recipient of the supply; and
  - (b) is not payable by the supplier.
- (2) This section has effect despite section 9-40 (which is about liability for the GST).
- (3) If a supply is a taxable supply under both sections 9-5 and 84-5, GST is only payable under this section (instead of section 9-40).

**84-12 The amount of GST on offshore intangible supplies**

- (1) The amount of GST on a supply that is a \*taxable supply because of section 84-5 is 10% of the \*price of the supply.
- (2) This section has effect despite section 9-70 (which is about the amount of GST on taxable supplies).

Note: Section 9-90 (rounding of amounts of GST) can apply to amounts of GST worked out using this section.

**84-13 The amount of input tax credits relating to offshore intangible supplies**

- (1) The amount of the input tax credit for a \*creditable acquisition that relates to a supply that is a \*taxable supply because of section 84-5 is as follows:

$$\text{Full input tax credit} \times \frac{\text{Extent of creditable purpose}}{\text{Extent of consideration}}$$

where:

*extent of consideration* is the extent to which you provide, or are liable to provide, the \*consideration for the acquisition, expressed as a percentage of the total consideration for the acquisition.

*extent of creditable purpose* is the extent to which the \*creditable acquisition is for a \*creditable purpose, expressed as a percentage of the total purpose of the acquisition.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**full input tax credit** is <sup>11/10</sup> of what would have been the amount of the input tax credit for the acquisition if:

- (a) the supply had been or is a \*taxable supply otherwise than because of section 84-5; and
- (b) the acquisition had been made solely for a creditable purpose; and
- (c) you had provided, or had been liable to provide, all of the consideration for the acquisition.

(1A) However, if:

- (a) an \*annual apportionment election that you have made has effect at the end of the tax period to which the input tax credit is attributable; and
- (b) the acquisition is not an acquisition of a kind specified in the regulations made for the purposes of paragraph 131-40(1)(b);

the amount of the input tax credit on the acquisition is worked out under section 131-40 as if **full input tax credit** had the same meaning in subsection 131-40(2) as it has in subsection (1) of this section.

- (2) This section has effect despite sections 11-25 and 11-30 (which are about the amount of input tax credits for creditable acquisitions).

#### **84-14 Supplies relating to employee share ownership schemes**

This Division does not apply to a supply, to the extent that it is a supply relating to an \*employee share scheme, if:

- (a) the \*recipient of the supply is not an entity that has acquired, or may in the future acquire, a share, right or stapled security (within the meaning of Division 13A of Part III of the \*ITAA 1936) under the scheme; and
- (b) Division 13A of Part III of the \*ITAA 1936 applies to discounts (within the meaning of that Division) given in relation to any acquisitions of shares, rights or stapled securities (within the meaning of that Division) under the scheme; and
- (c) either:
  - (i) the \*recipient of the supply is a \*100% subsidiary of the supplier; or

Section 84-15

- (ii) the supply is a transfer that is taken to be a supply because of section 84-15.

**84-15 Transfers etc. between branches of the same entity**

- (1) For the purposes of section 84-5, if an entity:

- (a) \*carries on an \*enterprise in Australia; and  
(b) also carries on that or another enterprise outside Australia;

then:

- (c) the transfer of anything to the enterprise in Australia from the enterprise outside Australia; or  
(d) the doing of anything for the enterprise in Australia by the enterprise outside Australia;

is taken to be a supply that is not \*connected with Australia.

Example: An entity acquires, through a place of business it has overseas, the right to exploit a particular copyright in Australia. That right is then transferred to a place of business that the entity has in Australia.

Under this section, the transfer is taken to be a supply that is not connected with Australia and, if the other requirements of section 84-5 are satisfied, the transfer is a taxable supply.

- (2) If the transfer is a transfer of the services of an employee, this section does not apply to the transfer to the extent that any payments that:

- (a) are made from the \*enterprise in Australia to the enterprise outside Australia; and  
(b) relate to the transfer;

would be \*withholding payments if they were payments from the enterprise in Australia to the employee.

## **Division 85—Telecommunication supplies**

### **85-1 What this Division is about**

Telecommunication supplies that are effectively used or enjoyed in Australia are included in the GST system (regardless of where the supplier has a physical presence).

### **85-5 When telecommunication supplies are connected with Australia**

- (1) A \*telecommunication supply is *connected with Australia* if the \*recipient of the supply will effectively use or enjoy the supply in Australia.
- (2) However, subsection (1) does not apply to a \*telecommunication supply, or a telecommunication supply included in a class of telecommunication supplies, if:
  - (a) the supplier makes the supply through an \*enterprise that is not \*carried on in Australia; and
  - (b) the Commissioner determines that collection of GST on that supply or class of supplies would not be administratively feasible.
- (3) This section has effect in addition to section 9-25 (which is about when supplies are connected with Australia).

### **85-10 Meaning of *telecommunication supply***

A *telecommunication supply* is a supply relating to the transmission, emission or reception of signals, writing, images, sounds or information of any kind by wire, radio, optical or other electromagnetic systems. It includes:

- (a) the related transfer or assignment of the right to use capacity for such transmission, emission or reception; and
- (b) provision of access to global information networks.

## **Division 87—Long-term accommodation in commercial residential premises**

### **87-1 What this Division is about**

Long-term stays in commercial residential premises are given a lower value than would otherwise apply, reducing the amount of GST payable.

### **87-5 Commercial residential premises that are predominantly for long-term accommodation**

- (1) The *value* of a \*taxable supply of \*commercial accommodation that:
  - (a) is provided in \*commercial residential premises that are \*predominantly for long-term accommodation; and
  - (b) is provided to an individual as \*long-term accommodation; is 50%, or such other percentage as is specified in the regulations, of what would be the \*price of the supply if this Division did not apply.
- (2) This section has effect despite section 9-75 (which is about the value of taxable supplies).

### **87-10 Commercial residential premises that are not predominantly for long-term accommodation**

- (1) The *value* of a \*taxable supply of \*commercial accommodation that:
  - (a) is provided in \*commercial residential premises that are not \*predominantly for long-term accommodation; and
  - (b) is provided to an individual as \*long-term accommodation; is the sum of:
    - (c) the value, worked out in the way set out in section 9-75, of that part of the supply that relates to provision of the commercial accommodation *during* the first 27 days; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **Division 96—Supplies partly connected with Australia**

### **96-1 What this Division is about**

This Division treats a supply that is partly connected with Australia as separate supplies, so that only the part of a supply that is connected with Australia is included in the GST system.

### **96-5 Supplies that are only partly connected with Australia**

- (1) If, because a supply (the *actual supply*) is a supply of more than one of these kinds:
  - (a) a supply of goods;
  - (b) a supply of \*real property;
  - (c) a \*telecommunication supply;
  - (d) a supply of anything, other than goods or real property, that is not a telecommunication supply;only part of the actual supply is \*connected with Australia, then the actual supply is to be treated as if it were separate supplies in the following way.
- (2) The part of the actual supply that is \*connected with Australia is to be treated as if it were a separate supply that is connected with Australia.
- (3) The part of the actual supply that is not \*connected with Australia is to be treated as if it were a separate supply that is not connected with Australia.
- (4) However, if one of the kinds of supply that forms part of the actual supply may reasonably be regarded as incidental to:
  - (a) the other kind of supply that forms part of the actual supply;  
or
  - (b) one (but not both) of the other kinds of supply that form part of the actual supply;and its value (if it were a separate \*taxable supply) would not exceed \$50,000, it is treated as part of that other kind of supply.

- (5) This section has effect despite section 9-25 (which is about when supplies are connected with Australia).

**96-10 The value of the taxable components of supplies that are only partly connected with Australia**

- (1) If a supply (the *actual supply*):
- (a) is, because of section 96-5, to be treated as separate supplies; and
  - (b) the part of the actual supply that is \*connected with Australia is a \*taxable supply, or is partly a \*taxable supply and partly a supply that is \*GST-free or \*input taxed;
- the *value* of that part of the actual supply is worked out as follows:
- (c) work out the value of the actual supply, under section 9-75, as if it were solely a taxable supply; and
  - (d) work out the proportion of that value of the actual supply that the taxable supply represents; and
  - (e) multiply that value by the proportion in paragraph (d).
- (2) If that part of the actual supply is partly a \*taxable supply and partly a supply that is \*GST-free or \*input taxed, this section does not affect the operation of section 9-80 in working out the value of so much of that part of the actual supply as is a taxable supply.
- (3) This section has effect despite section 9-75 (which is about the value of taxable supplies).

## **Division 99—Deposits as security**

### **99-5 Giving a deposit as security does not constitute consideration**

  - (a) is forfeited because of a failure to perform the obligation; or
  - (b) is applied as all or part of the consideration for a supply.
- (2) This section has effect despite section 9-15 (which is about consideration).

### **99-10 Attributing the GST relating to deposits that are forfeited etc.**

  - (b) is applied as all or part of the consideration for a supply.
- (2) This section has effect despite section 29-5 (which is about attributing GST for taxable supplies).

## Division 100—Vouchers

### 100-1 What this Division is about

A supply of a voucher for supplies up to a stated monetary value is not subject to GST. GST may still be payable on the supply for which the voucher is redeemed, and there is an increasing adjustment for unredeemed vouchers.

Note: Vouchers that do not have a stated monetary value can be subject to GST when supplied, but the price of the voucher is excluded when working out the GST on the supply for which the voucher is redeemed (see paragraph 9-15(3)(a)).

### 100-5 Supplies of vouchers with a stated monetary value

- (1) A supply of a \*voucher is not a \*taxable supply if:
  - (a) on redemption of the voucher, the holder of the voucher is entitled to supplies up to the \*stated monetary value of the voucher; and
  - (b) the \*consideration for supply of the voucher does not exceed the stated monetary value of the voucher.
- (2) If the \*consideration for supply of the voucher exceeds the \*stated monetary value of the voucher, the consideration is treated (except for the purposes of this section) as if it were reduced by that monetary value.
- (2A) The *stated monetary value*, in relation to a \*voucher other than a \*prepaid phone card or facility, means the monetary value stated on the voucher or in documents accompanying the voucher.
- (2B) The *stated monetary value*, in relation to a \*voucher that is a \*prepaid phone card or facility, means the sum of:
  - (a) in any case—the monetary value stated on the voucher or in documents accompanying the voucher; and
  - (b) if the voucher is topped up after it is supplied—the monetary value of the top-up stated on the voucher or in documents accompanying the top-up.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

However, disregard the monetary value stated on the voucher (or in documents accompanying the voucher) or top-up (as the case requires), of any bonus supplies covered by the voucher or top-up (as the case requires).

- (3) This section has effect despite section 9-5 (which is about what are taxable supplies) and section 9-15 (which is about consideration).

### **100-10 Redemption of vouchers**

- (1) The act of redeeming a \*voucher is not a supply.

Note: A supply for which the voucher is redeemed is still a supply.

- (2) Subsection (1) has effect despite section 9-10 (which is about what is a supply).
- (3) Paragraph 9-15(3)(a) (which is about the consideration for exercising rights or options) does not apply to a right or option that is granted by way of a \*voucher if, on redemption of the voucher, the holder of the voucher is entitled to supplies up to the \*stated monetary value of the voucher.

### **100-12 Consideration on redemption of vouchers**

- (1) To avoid doubt, the consideration for a \*taxable supply of a thing acquired by fully redeeming a \*voucher is taken to be the sum of:
- (a) the \*stated monetary value of the voucher, reduced by any amount of that value refunded to the holder of the voucher in respect of the supply; and
  - (b) any additional consideration provided for the supply.
- (2) To avoid doubt, the consideration for a \*taxable supply of a thing acquired by partly redeeming a \*voucher is taken to be the sum of:
- (a) the amount of the \*stated monetary value of the voucher that the redemption represents; and
  - (b) any additional consideration provided for the supply.
- (3) Subsections (1) and (2) have effect despite section 9-15 (which is about consideration).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

### **100-15 Increasing adjustments for unredeemed vouchers**

- (1) You have an *increasing adjustment* if:
  - (a) you supplied a \*voucher for \*consideration; and
  - (b) on redemption of the voucher, the holder of the voucher was entitled to supplies up to the \*stated monetary value of the voucher; and
  - (c) the voucher has not been fully redeemed; and
  - (d) you have, for accounting purposes, written back to current income any reserves for the redemption of the voucher.
- (2) The amount of the increasing adjustment is 1/11 of the \*stated monetary value of the voucher to the extent that it was not redeemed.

### **100-18 Arrangement for supply of voucher**

- (1) An entity (the *supplier*) may, in writing, enter into an arrangement with another entity under which the other entity supplies (whether or not as an agent on the supplier's behalf) a \*voucher to a third party.
- (2) If, under the arrangement, the supplier pays, or is liable to pay, an amount, as a commission or similar payment, to the other entity for the other entity's supply, the supply by the other entity to the supplier, to which the supplier's payment or liability relates, is treated as if it were not a \*taxable supply.
- (3) This section has effect despite section 9-5 (which is about what are taxable supplies).

### **100-20 Vouchers supplied to non-residents and redeemed by others in Australia**

This Division does not apply to a \*voucher supplied to a \*non-resident if, because of the application of subsection 38-190(3), the supply is not \*GST-free.

- (2) A *prepaid phone card or facility* is any article or facility supplied for the primary purpose of enabling the holder:
  - (a) to use, on a prepaid basis, telephone or like services supplied by a supplier of \*telecommunications supplies; or

### **102-5 Cancelled lay-by sales**

- (1) If a supply by way of lay-by sale is cancelled:
  - (a) any amount already paid by the \*recipient that the supplier retains because of the cancellation; and

---

### **105-5 Supplies by creditors in satisfaction of debts may be taxable supplies**

- (1) You make a *taxable supply* if:
  - (a) you supply the property of another entity (the *debtor*) to a third entity in or towards the satisfaction of a debt that the debtor owes to you; and
  - (b) had the debtor made the supply, the supply would have been a \*taxable supply.
- (2) It does not matter whether:
  - (a) you made the supply in the course or furtherance of an \*enterprise that you \*carry on; or
  - (b) you are \*registered, or \*required to be registered.
- (3) However, the supply is not a \*taxable supply if:
  - (a) the debtor has given you a written notice stating that the supply would not be a taxable supply if the debtor were to make it, and stating fully the reasons why the supply would not be a taxable supply; or
  - (b) if you cannot obtain such a notice—you believe on the basis of reasonable information that the supply would not be a taxable supply if the debtor were to make it.

### **111-5 Creditable acquisitions relating to reimbursements**

- (1) If one or more of the following applies:
- (a) you reimburse an employee or agent for an expense he or she incurs that is related directly to his or her activities as your employee or agent;
  - (ab) you reimburse an employee (whether or not you are the employee's employer) for an expense that the employee or the employee's \*associate incurs, and the reimbursement constitutes an \*expense payment benefit;
  - (ac) you reimburse an associate of an employee (whether or not you are the employee's employer) for an expense that the associate or employee incurs, and the reimbursement constitutes an expense payment benefit;
  - (b) you are a \*company and you reimburse an \*officer for an expense he or she incurs that is related directly to his or her activities as your officer;
  - (c) you are a \*partnership and you reimburse a partner for an expense he or she incurs that is related directly to his or her activities as a partner in the partnership;

Note: This section also applies if you reimburse the recipient of certain withholding payments: see section 111-20.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) The fact that the supply to you is not a \*taxable supply does not stop the acquisition being a \*creditable acquisition.
- (3) However, the acquisition:
  - (a) is not a \*creditable acquisition to the extent (if any) that:
    - (i) the employee, \*associate, agent, \*officer or partner is entitled to an input tax credit for acquiring the thing acquired in incurring the expense; or
    - (ii) the acquisition would not, because of Division 69, be a creditable acquisition if you made it; and
  - (b) is not a creditable acquisition unless the supply of the thing acquired, by the employee, associate, agent, officer or partner in incurring the expense, was a taxable supply; and
  - (c) is not a creditable acquisition if you would, because of Division 71, not have been entitled to an input tax credit if you had made the acquisition that the employee, associate, agent, officer or partner made.
- (3AA) In working out the extent to which a person is entitled to an input tax credit for the purposes of paragraph (3)(a), disregard sections 131-40 and 131-50 (which are about amounts of input tax credits under the annual apportionment rules).
- (3A) If you are a \*partnership, this section does not apply to your reimbursement of a partner for an expense he or she incurs if, even without this Division applying, you are entitled to an input tax credit arising from the incurring of the expense.
- (4) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

### **111-10 Amounts of input tax credits relating to reimbursements**

- (1) The amount of the input tax credit for a \*creditable acquisition the \*consideration for which is a reimbursement to which section 111-5 applies is an amount equal to <sup>1</sup>/<sub>11</sub> of the amount of the reimbursement.
- (2) However, if:
  - (a) the person incurring the expense incurs it in the capacity of an agent, \*officer or partner; and

- (b) the incurring of the expense is only in part related directly to his or her activities as your agent or officer, or as a partner, as the case requires;  
the amount of the input tax credit under subsection (1) is reduced by an extent equivalent to the extent to which the incurring of the expense is not related directly to those activities.
- (3) This section has effect despite section 11-25 (which is about the amount of input tax credits for creditable acquisitions).

**111-15 Tax invoices relating to reimbursements**

For the purposes of subsection 29-10(3), you are taken to hold a \*tax invoice for a \*creditable acquisition the \*consideration for which is a reimbursement to which section 111-5 applies if you hold a tax invoice for the \*taxable supply referred to in subsection 111-5(3).

**111-18 Application of Division to volunteers working for charitable institutions etc.**

- (1) If:

  - (b) the expense is directly related to his or her activities as a volunteer of the institution, fund, gift-deductible entity or government school;  
this Division applies to the institution, fund, gift-deductible entity or government school as if:
    - (c) the individual were an employee of the institution, fund, gift-deductible entity or government school; and
    - (d) his or her activities in connection with incurring the expense were activities as such an employee.
- (2) Subsection (1) does not apply in relation to a charitable institution or a trustee of a charitable fund unless the institution or trustee is an \*endorsed charitable institution or an \*endorsed trustee of a charitable fund.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Example: Subsection (1) does not apply in relation to an entity that is both a charitable institution and a gift-deductible entity unless the entity is an endorsed charitable institution.

- (3) Subsection (1) does not apply in relation to a reimbursement by a \*gift-deductible entity endorsed as a deductible gift recipient (within the meaning of the \*ITAA 1997) under section 30-120 of the ITAA 1997, unless:
- (a) the entity is:

    - (ii) a \*government school; or
    - (iii) a fund, authority or institution of a kind referred to in paragraph 30-125(1)(b) of the ITAA 1997; or
  - (b) each purpose to which the expense relates is a \*gift-deductible purpose of the entity.

Note: This subsection excludes from this section reimbursements by certain (but not all) gift-deductible entities that are only endorsed for the operation of a fund, authority or institution. However, reimbursements can be covered by this section if they relate to the principal purpose of the fund, authority or institution.

### **111-20 Application of Division to recipients of certain withholding payments**

- (1) If you make, or are liable to make, \*withholding payments covered by subsection (2), this Division applies to you as if:
- (a) an individual to whom you make (or are liable to make) such payments were your employee; and
  - (b) his or her activities in connection with earning such payments were activities as your employee.

## Division 117—Valuation of re-imported goods

### 117-1 What this Division is about

Taxable importations of goods that were exported, and then re-imported, are in some cases given a lower value than would otherwise apply. The GST then applies only to the lower value, and not to the entire value, of the goods.

### 117-5 Valuation of taxable importations of goods that were exported for repair or renovation

- (1) The *value* of a \*taxable importation of goods that were exported from Australia for repair or renovation, or that are part of a \*batch repair process, is the sum of:
  - (a) the cost, as determined by the Chief Executive Officer of the Australian Customs Service, of materials, labour and other charges involved in the repair or renovation; and
  - (b) the amount paid or payable:
    - (i) for the \*international transport of the goods to their \*place of consignment in Australia; and
    - (ii) to insure the goods for that transport; to the extent that the amount is not already included under paragraph (a); and
  - (c) any \*customs duty payable in respect of the importation of the goods.
- (1A) If an amount to be taken into account under paragraph (1)(b) is not an amount in Australian currency, the amount so taken into account is the equivalent in Australian currency of that amount, ascertained in the way provided in section 161J of the *Customs Act 1901*.
- (2) Goods are part of a *batch repair process* if:
  - (a) they are part of a process to replace goods that were exported from Australia for repair or renovation; and

- (3) This section has effect despite subsection 13-20(2) (which is about the value of taxable importations).

**117-10 Valuation of taxable importations of live animals that were exported**

- (1) If there is a \*taxable importation of a live animal that was exported, and the difference between:
- (a) what would have been the value of the importation if this section did not apply; and
  - (b) what would have been the value of a taxable importation of the animal if it had been imported immediately before the time of the exportation;
- is greater than zero, the *value* of the \*taxable importation is an amount equal to that difference.
- (2) In any other case, the *value* of a \*taxable importation of a live animal that was exported is nil.
- (3) However, this section does not apply if the ownership of the animal when it is imported is different from its ownership when it was last exported.
- (4) This section has effect despite subsection 13-20(2) (which is about the value of taxable importations).

**117-15 Refunds of GST on certain re-importations of live animals**

- (a) you were liable to pay the GST on a \*taxable importation to which section 117-10 applied; and

### **Division 123—Simplified accounting methods for retailers and small enterprise entities**

#### **123-1 What this Division is about**

#### **123-5 Commissioner may determine simplified accounting methods**

- (1) The Commissioner may determine in writing an arrangement (to be known as a simplified accounting method) that:
  - (a) specifies the kinds of \*retailers to whom it is available and provides a method for working out \*net amounts of retailers to whom the method applies; or
  - (b) specifies the kinds of \*small enterprise entities to whom it is available and provides a method for working out \*net amounts of small enterprise entities to whom the method applies.
- (2) The kinds of \*retailer specified under paragraph (1)(a) must all be kinds of retailers that:
  - (a) sell \*food; or

- (a) make both:
    - (i) \*taxable supplies; and
    - (ii) supplies that are \*GST-free; or
  - (b) make both:
    - (i) \*creditable acquisitions; and
    - (ii) acquisitions that are not creditable acquisitions because the supplies, made to the small enterprise entities, to which the acquisitions relate are GST-free.

### **123-7 Meaning of *small enterprise entity***

- (1) An entity is a *small enterprise entity* at a particular time if:

### **123-10 Choosing to apply a simplified accounting method**

- (1) You may, by notifying the Commissioner in the \*approved form:
- (a) choose to apply a \*simplified accounting method if you are a \*retailer of the kind to whom the method is available; or

## Division 126—Gambling

### 126-1 What this Division is about

Gambling is dealt with under the GST by using a global accounting system that provides for an alternative way of working out your net amounts by incorporating your net profits from taxable supplies involving gambling.

### 126-5 Global accounting system for gambling supplies

- (1) If you are liable for the GST on a \*gambling supply, your ***net amount*** for the tax period to which the GST on the supply is attributable is as follows:

Global GST amount + Other GST – Input tax credits

where:

***global GST amount*** is your \*global GST amount for the tax period.

***input tax credits*** is the sum of all of the input tax credits to which you are entitled on the \*creditable acquisitions and \*creditable importations that are attributable to the tax period.

Note: Any supplies under the global accounting system will not have attracted input tax credits.

***other GST*** is the sum of all of the GST for which you are liable on the \*taxable supplies that are attributable to the tax period, other than \*gambling supplies.

For the basic rules on what is attributable to a particular period, see Division 29.

- (2) However, the \*net amount for the tax period may be increased or decreased if you have any \*adjustments for the tax period.

For the basic rules on adjustments, see Part 2-4.

- (3) This section has effect despite section 17-5 (which is about net amounts).

$$\left( \text{Total amount wagered} - \text{Total monetary prizes} \right) \times \frac{1}{11}$$

where:

*total amounts wagered* is the sum of the \*consideration for all of your \*gambling supplies that are attributable to that tax period.

*total monetary prizes* is the sum of:

- (a) the \*monetary prizes you are liable to pay, during the tax period, on the outcome of gambling events (whether or not any of those gambling events, or the \*gambling supplies to which the monetary prizes relate, take place during the tax period); and
- (b) any amounts of \*money you are liable to pay, during the tax period, under agreements between you and \*recipients of your gambling supplies, to repay to them a proportion of their losses relating to those supplies (whether or not the supplies take place during the tax period).

For the basic rules on what is attributable to a particular period, see Division 29.

- (2) However, your *global GST amount* is zero for any tax period in which total monetary prizes exceeds total amounts wagered.
- (3) In working out the total monetary prizes for a tax period, disregard any \*monetary prizes you are liable to pay, during the tax period, that relate to supplies that are \*GST-free under section 38-270.
- (4) Your *global GST amount* for a tax period may be affected by sections 126-15 and 126-20.

**126-15 Losses carried forward**

If, for any tax period, your total monetary prizes referred to in subsection 126-10(1) exceed your total amounts wagered referred

---

to in that subsection, the amount of that excess is to be added to your total monetary prizes, referred to in that subsection, for the next tax period.

### **126-20 Bad debts**

- (1) You cannot have an \*adjustment under Division 21 in relation to a \*gambling supply.
- (2) If, in a tax period, you write off as bad the whole or part of the \*consideration for a \*gambling supply that is due as a debt, but has not been received, the amount written off is to be added to your total monetary prizes, referred to in subsection 126-10(1), for that tax period.
- (3) However, if, in a tax period, you recover the whole or part of the amount written off, the amount recovered is to be added to your total amounts wagered, referred to in subsection 126-10(1), for that tax period.
- (4) This section has effect despite sections 21-5 and 21-10 (which are about adjustments for writing off and recovering suppliers' bad debts).

### **126-25 Application of Subdivision 9-C**

Subdivision 9-C does not apply to a \*gambling supply.

### **126-30 Gambling supplies do not give rise to creditable acquisitions**

- (1) An acquisition of a thing is not a \*creditable acquisition if the supply of the thing acquired was a \*gambling supply.
- (2) This section has effect despite section 11-5 (which is about what is a creditable acquisition).

### **126-32 Repayments of gambling losses are not consideration**

- (1) A payment of money is not the provision of \*consideration to the extent that the payment:

Section 126-33

---

- (a) is made by a supplier of \*gambling supplies to a \*recipient of gambling supplies that the supplier makes; and
  - (b) is made, under an agreement between them, to repay to the recipient a proportion of his or her losses relating to those supplies.
- (2) This section has effect despite section 9-15 (which is about what is consideration).

**126-33 Tax invoices not required for gambling supplies**

- (1) You are not required to issue a \*tax invoice for a \*taxable supply that you make that is solely a \*gambling supply.
- (2) This section has effect despite section 29-70 (which is about the requirement to issue tax invoices).

**126-35 Meaning of *gambling supply* and *gambling event***

- (1) A *gambling supply* is a \*taxable supply involving:
  - (a) the supply of a ticket (however described) in a lottery, raffle or similar undertaking; or
  - (b) the acceptance of a bet (however described) relating to the outcome of a \*gambling event.
- (2) A *gambling event* is:
  - (a) the conducting of a lottery or raffle, or similar undertaking; or
  - (b) a race, game, or sporting event, or any other event, for which there is an outcome.

## **Division 129—Changes in the extent of creditable purpose**

### **Table of Subdivisions**

129-A	General
129-B	Adjustment periods
129-C	When adjustments for acquisitions and importations arise
129-D	Amounts of adjustments for acquisitions and importations
129-E	Attributing adjustments under this Division

### **129-1 What this Division is about**

The extent to which an acquisition or importation is for a creditable purpose affects the amount of the resulting input tax credit. When the extent of creditable purpose is changed by later events, adjustments (for the purpose of working out net amounts under Part 2-4) may need to be made.

### **Subdivision 129-A—General**

#### **129-5 Adjustments arising under this Division**

- (1) An \*adjustment can arise under this Division for:
  - (a) an acquisition, even if it is not a \*creditable acquisition; or
  - (b) an importation, even if it is not a \*creditable importation;in respect of any \*adjustment period for the acquisition or importation.
- (2) However, in determining:
  - (a) whether an adjustment under this Division arises; or
  - (b) the amount of such an \*adjustment;disregard any change in the extent to which the thing acquired or imported is \*applied in making \*financial supplies, unless you \*exceed the financial acquisitions threshold.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**129-10 Adjustments do not arise under this Division for acquisitions and importations below a certain value**

- (1) Despite section 129-5, an adjustment cannot arise under this Division for an acquisition or importation that \*relates to business finance, unless the acquisition or importation had a \*GST exclusive value of more than \$10,000.
- (2) Despite section 129-5, an adjustment cannot arise under this Division for an acquisition or importation that does not \*relate to business finance, unless the acquisition or importation had a \*GST exclusive value of more than \$1,000.
- (3) An acquisition or importation *relates to business finance* if, at the time of the acquisition or importation, it:
  - (a) related solely or partly to making \*financial supplies; and
  - (b) was not solely or partly of a private or domestic nature.

**129-15 Adjustments do not arise under this Division where there are adjustments under Division 130**

Despite section 129-5, you cannot have an adjustment under this Division for an acquisition if you have already had an \*adjustment under Division 130 (goods applied solely to private or domestic use) for the acquisition.

**Subdivision 129-B—Adjustment periods**

**129-20 Adjustment periods**

- (1) An *adjustment period* for an acquisition or importation is a tax period applying to you that:
  - (a) starts at least 12 months after the end of the tax period to which the acquisition or importation is attributable (or would be attributable if it were a \*creditable acquisition or \*creditable importation); and
  - (b) ends:
    - (i) on 30 June in any year; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (ii) if none of the tax periods applying to you in a particular year ends on 30 June—closer to 30 June than any of the other tax periods applying to you in that year.

In addition, a tax period provided for under section 27-40 or subsection 151-55(1) or 162-85(1) is an *adjustment period* for the acquisition or importation.

Note: Section 27-40 and subsections 151-55(1) and 162-85(1) deal with an entity's concluding tax period.

- (2) Despite subsection (1), for an acquisition or importation that \*relates to business finance:
- (a) if the \*GST exclusive value of the acquisition or importation is \$50,000 or less—only the first such tax period is an *adjustment period*; or
  - (b) if the GST exclusive value of the acquisition or importation is more than \$50,000 but less than \$500,000—only the first 5 such tax periods are *adjustment periods*; or
  - (c) if the GST exclusive value of the acquisition or importation is \$500,000 or more—only the first 10 such tax periods are *adjustment periods*.
- (3) Despite subsection (1), for an acquisition or importation that does not \*relate to business finance:
- (a) if the \*GST exclusive value of the acquisition or importation is \$5,000 or less—only the first 2 such tax periods are *adjustment periods*; or
  - (b) if the GST exclusive value of the acquisition or importation is more than \$5,000 but less than \$500,000—only the first 5 such tax periods are *adjustment periods*; or
  - (c) if the GST exclusive value of the acquisition or importation is \$500,000 or more—only the first 10 such tax periods are *adjustment periods*.

However, the Commissioner may, having regard to record keeping requirements for the purposes of income tax, determine in writing that a fewer number of tax periods are *adjustment periods* for a particular class of acquisitions or importations that do not \*relate to business finance.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**129-25 Effect on adjustment periods of things being disposed of etc.**

- (1) Despite section 129-20, if:
  - (a) you dispose of a thing acquired or imported (other than in circumstances giving rise to a \*decreasing adjustment under Division 132); or
  - (b) a thing acquired or imported is lost, stolen or destroyed; or
  - (c) a thing is acquired only for a particular period and that period expires;the next tax period applying to you that ends:
  - (d) on 30 June in any year; or
  - (e) if none of the tax periods applying to you in a particular year ends on 30 June—closer to 30 June than any of the other tax periods applying to you in that year;is the last \*adjustment period for the acquisition or importation in question.
- (2) Despite section 129-20, if:
  - (a) you dispose of a thing acquired or imported; and
  - (b) the disposal takes place in circumstances giving rise to a \*decreasing adjustment under Division 132;then:
  - (c) the last \*adjustment period to end before the disposal is the last adjustment period for the acquisition or importation in question; and
  - (d) if no such adjustment period ended before the disposal, there is no adjustment period for the acquisition or importation.
- (3) This section does not apply to a disposal if this Division continues to apply to the acquisition or importation of the thing because of subsection 138-17(2).

## **Subdivision 129-C—When adjustments for acquisitions and importations arise**

### **129-40 Working out whether you have an adjustment**

- (1) This is how to work out whether you have an \*increasing adjustment or a \*decreasing adjustment under this Division, for an \*adjustment period, for an acquisition or importation:

*Method statement*

*Step 1.* Work out the extent (if any) to which you have \*applied the thing acquired or imported for a \*creditable purpose during the period of time:

- (a) starting when you acquired or imported the thing; and
- (b) ending at the end of the \*adjustment period.

This is the *actual application of the thing*.

*Step 2.* Work out:

- (a) if you have not previously had an \*adjustment under this Division for the acquisition or importation—the extent (if any) to which you acquired or imported the thing for a \*creditable purpose; or
- (b) if you have previously had an \*adjustment under this Division for the acquisition or importation—the \*actual application of the thing in respect of the last adjustment.

This is the *intended or former application of the thing*.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**Chapter 4** The special rules

**Part 4-4** Special rules mainly about net amounts and adjustments

**Division 129** Changes in the extent of creditable purpose

Section 129-45

---

- Step 3.* If the \*actual application of the thing is less than its \*intended or former application, you have an **increasing adjustment**, for the \*adjustment period, for the acquisition or importation.
- Step 4.* If the \*actual application of the thing is greater than its \*intended or former application, you have a **decreasing adjustment**, for the \*adjustment period, for the acquisition or importation.
- Step 5.* If the \*actual application of the thing is the same as its \*intended or former application, you have neither an increasing adjustment nor a decreasing adjustment, for the \*adjustment period, for the acquisition or importation.

- (2) \*Actual applications and \*intended or former applications are to be expressed as percentages.
- (3) If the thing is acquired through a \*reduced credit acquisition and, at the time of the acquisition, it was wholly for a \*creditable purpose because of Division 70, the extent to which it was acquired for a creditable purpose is the reduced input tax credit percentage prescribed for the purposes of subsection 70-5(2) for an acquisition of that kind.

**129-45 Gifts to gift-deductible entities**

- (1) If you are or were entitled to an input tax credit for the \*creditable acquisition of a thing, an \*adjustment does not arise under this Subdivision merely because you supply the thing as a gift to a charitable institution, a trustee of a charitable fund or \*gift-deductible entity.
- (2) Subsection (1) does not apply in relation to a charitable institution or a trustee of a charitable fund unless the institution or trustee is an \*endorsed charitable institution or an \*endorsed trustee of a charitable fund.

Example: Subsection (1) does not apply in relation to an entity that is both a charitable institution and a gift-deductible entity unless the entity is an endorsed charitable institution.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (3) Subsection (1) does not apply in relation to a thing that you supply to a \*gift-deductible entity endorsed as a deductible gift recipient (within the meaning of the \*ITAA 1997) under section 30-120 of the ITAA 1997, unless:
- (a) the entity is:
    - (i) a charitable institution or a trustee of a charitable fund;  
or
    - (ii) a fund, authority or institution of a kind referred to in paragraph 30-125(1)(b) of the ITAA 1997; or
  - (b) each purpose to which the supply relates is a \*gift-deductible purpose of the entity.

Note: This subsection excludes from this section supplies to certain (but not all) gift-deductible entities that are only endorsed for the operation of a fund, authority or institution. However, supplies can be covered by this section if they relate to the principal purpose of the fund, authority or institution.

### **129-50 Creditable purpose**

- (1) You \*apply a thing for a *creditable purpose* to the extent that you apply it in \*carrying on your \*enterprise.
- (2) However, you do not \*apply a thing for a creditable purpose to the extent that:
  - (a) the application relates to making supplies that are \*input taxed; or
  - (b) the application is of a private or domestic nature.
- (3) To the extent that an \*application relates to making \*financial supplies through an \*enterprise, or a part of an enterprise, that you \*carry on outside Australia, the application is not, for the purposes of paragraph (2)(a), treated as one that relates to making supplies that would be \*input taxed.

### **129-55 Meaning of *apply***

*Apply*, in relation to a thing acquired or imported, includes:

- (a) supply the thing; and
- (b) consume, dispose of or destroy the thing; and

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (c) allow another entity to consume, dispose of or destroy the thing.

### Subdivision 129-D—Amounts of adjustments for acquisitions and importations

#### 129-70 The amount of an increasing adjustment

The amount of an \*increasing adjustment that you have under Step 3 of the Method statement in section 129-40 for the thing acquired or imported is worked out as follows:

$$\text{Increasing adjustment} = \text{Full input tax credit} \times \left( \begin{array}{c} \text{*Intended or} \\ \text{former application} \end{array} - \begin{array}{c} \text{*Actual} \\ \text{application} \end{array} \right)$$

where:

**full input tax credit** is the amount of the input tax credit to which you would have been entitled for acquiring or importing the thing for the purpose of your \*enterprise if:

- (a) the acquisition or importation had been solely for a \*creditable purpose; and
- (b) in the case where the supply to you was a \*taxable supply because of section 72-5 or 84-5—the supply had been or is a \*taxable supply under section 9-5.

#### 129-75 The amount of a decreasing adjustment

The amount of a \*decreasing adjustment that you have under Step 4 of the Method statement in section 129-40 for the thing acquired or imported is worked out as follows:

$$\text{Decreasing adjustment} = \text{Full input tax credit} \times \left( \begin{array}{c} \text{*Actual} \\ \text{application} \end{array} - \begin{array}{c} \text{*Intended or} \\ \text{former application} \end{array} \right)$$

where:

**full input tax credit** is the amount of the input tax credit to which you would have been entitled for acquiring or importing the thing for the purpose of your \*enterprise if:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (a) the acquisition or importation had been solely for a \*creditable purpose; and
- (b) in the case where the supply to you was a \*taxable supply because of section 72-5 or 84-5—the supply had been or is a \*taxable supply under section 9-5.

### **129-80 Effect of adjustment under Division 19 or 21**

For the purpose of working out under this Subdivision the amount of an \*adjustment for an acquisition, any adjustments under Division 19 or 21 that you have had for the acquisition are to be taken into account in working out the full input tax credit for the purpose of section 129-70 or 129-75.

### **Subdivision 129-E—Attributing adjustments under this Division**

#### **129-90 Attributing your adjustments for changes in extent of creditable purpose**

- (1) An \*adjustment that you have arising in respect of an \*adjustment period under this Division is attributable to the tax period that is that adjustment period.
- (2) This section has effect despite section 29-20 (which is about attributing adjustments).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

## **Division 130—Goods applied solely to private or domestic use**

### **130-1 What this Division is about**

You may have an increasing adjustment if you apply solely to private or domestic use goods for which you had a full input tax credit.

### **130-5 Goods applied solely to private or domestic use**

- (1) You have an *increasing adjustment* if:
  - (a) you made a \*creditable acquisition or \*creditable importation of goods; and
  - (b) the acquisition or importation was solely for a \*creditable purpose; and
  - (c) you \*apply the goods solely to private or domestic use.
- (2) The amount of the increasing adjustment is an amount equal to the amount of the input tax credit to which you were entitled for the acquisition or importation, taking account of any \*adjustments for the acquisition or importation.
- (3) However, this section does not apply if you have previously had an adjustment under Division 129 for the acquisition or importation.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **Division 131—Annual apportionment of creditable purpose**

### **Table of Subdivisions**

- 131-A Electing to have annual apportionment
- 131-B Consequences of electing to have annual apportionment

### **131-1 What this Division is about**

In some cases, you may be able to claim a full input tax credit for acquisitions that are only partly for a creditable purpose. You will then have an increasing adjustment for a later tax period (that better matches your obligation to lodge an income tax return).

### **Subdivision 131-A—Electing to have annual apportionment**

#### **131-5 Eligibility to make an annual apportionment election**

- (1) You are eligible to make an \*annual apportionment election if:
  - (a) either:
    - (i) you are a \*small business entity (other than because of subsection 328-110(4) of the \*ITAA 1997) for the \*income year in which you make your election; or
    - (ii) you do not carry on a \*business and your \*GST turnover does not exceed the \*annual apportionment turnover threshold; and
  - (b) you have not made any election under section 162-15 to pay GST by instalments (other than such an election that is no longer in effect); and
  - (c) you have not made any \*annual tax period election (other than such an election that is no longer in effect).
- (2) The **annual apportionment turnover threshold** is:
  - (a) \$2 million; or
  - (b) such higher amount as the regulations specify.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**131-10 Making an annual apportionment election**

- (1) You may make an \*annual apportionment election if you are eligible under section 131-5.
- (2) Your election takes effect from:
  - (a) the start of the earliest tax period for which, on the day on which you make your election, your \*GST return is not yet due (taking into account any further period the Commissioner allows under paragraph 31-8(1)(b) or 31-10(1)(b)); or
  - (b) the start of such other tax period as the Commissioner allows, in accordance with a request you make in the \*approved form.

Note: Refusing a request to allow your election to take effect from the start of another tax period is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

**131-15 Annual apportionment elections by representative members of GST groups**

- (1) A \*representative member of a \*GST group cannot make an \*annual apportionment election unless each \*member of the GST group is eligible under section 131-5.
- (2) If the \*representative member makes such an election, or revokes such an election, each \*member of the \*GST group is taken to have made, or revoked, the election.

**131-20 Duration of an annual apportionment election**

*General rule*

- (1) Your election ceases to have effect if:
  - (a) you revoke it; or
  - (b) the Commissioner disallows it under subsection (3); or
  - (c) in a case to which subparagraph 131-5(1)(a)(i) applied—you are not a \*small business entity of the kind referred to in that subparagraph for an \*income year; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (d) in a case to which subparagraph 131-5(1)(a)(ii) applied—on 31 July in a \*financial year, you do not satisfy the requirements of that subparagraph.

*Revocation*

- (2) A revocation of your election is taken to have had, or has, effect at the start of the earliest tax period for which, on the day of the revocation, your \*GST return is not yet due.

*Disallowance*

- (3) The Commissioner may disallow your election if, and only if, the Commissioner is satisfied that you have failed to comply with one or more of your obligations under a \*taxation law.

Note: Disallowing your election is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (4) A disallowance of your election is taken to have had effect from the start of the tax period in which the Commissioner notifies you of the disallowance.

*Not being a small business entity for an income year*

- (5) If paragraph (1)(c) applies, your election is taken to have ceased to have effect from the start of the tax period in which the first day of the \*income year referred to in that paragraph falls.

*Failing to satisfy the requirements of subparagraph 131-5(1)(a)(ii)*

- (6) If paragraph (1)(d) applies, your election is taken to have ceased to have effect from the start of the tax period in which 31 July in the \*financial year referred to in that paragraph falls.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## Subdivision 131-B—Consequences of electing to have annual apportionment

### 131-40 Input tax credits for acquisitions that are partly creditable

- (1) The amount of the input tax credit on an acquisition that you make that is \*partly creditable is an amount equal to the GST payable on the supply of the thing acquired if:
  - (a) an \*annual apportionment election that you have made has effect at the end of the tax period to which the input tax credit is attributable; and
  - (b) the acquisition is not an acquisition of a kind specified in the regulations.
- (2) However, if one or both of the following apply to the acquisition:
  - (a) the acquisition relates to making supplies that would be \*input taxed;
  - (b) you provide, or are liable to provide, only part of the \*consideration for the acquisition;

the amount of the input tax credit on the acquisition is as follows:

$$\text{Full input tax credit} \times \frac{\text{Extent of non-input-taxed purpose}}{\text{Extent of consideration}}$$

where:

**extent of consideration** is the extent to which you provide, or are liable to provide, the \*consideration for the acquisition, expressed as a percentage of the total consideration for the acquisition.

**extent of non-input-taxed purpose** is the extent to which the acquisition does not relate to making supplies that would be \*input taxed, expressed as a percentage of the total purpose of the acquisition.

**full input tax credit** is what would have been the amount of the input tax credit for the acquisition if it had been made solely for a \*creditable purpose and you had provided, or had been liable to provide, all of the consideration for the acquisition.

- (3) In determining for the purposes of subsection (2) whether, or the extent to which, an acquisition relates to making supplies that

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

would be \*input taxed, subsections 11-15(3) to (5) apply in the same way that they apply for the purposes of paragraph 11-15(2)(a).

- (4) Determinations made by the Commissioner under subsection 11-30(5) apply (so far as they are capable of applying) to working out the extent to which a \*partly creditable acquisition does not relate to making supplies that would be \*input taxed.
- (5) This section does not apply to an input tax credit on an acquisition if the acquisition is, to any extent, a \*reduced credit acquisition.
- (6) This section has effect despite sections 11-25 and 11-30 (which are about amounts of input tax credits).

### **131-45 Input tax credits for importations that are partly creditable**

- (1) The amount of the input tax credit on an importation that you make that is \*partly creditable is an amount equal to the GST payable on the importation if:
  - (a) an \*annual apportionment election that you have made has effect at the end of the tax period to which the input tax credit is attributable; and
  - (b) the importation is not an importation of a kind specified in the regulations.
- (2) However, if the importation relates to making supplies that would be \*input taxed, the amount of the input tax credit on the importation is as follows:

Full input tax credit × Extent of non-input-taxed purpose

where:

*extent of non-input-taxed purpose* is the extent to which the importation does not relate to making supplies that would be \*input taxed, expressed as a percentage of the total purpose of the importation.

*full input tax credit* is what would have been the amount of the input tax credit for the importation if it had been made solely for a \*creditable purpose.

- (3) In determining for the purposes of subsection (2) whether, or the extent to which, an importation relates to making supplies that would be \*input taxed, subsections 15-10(3) to (5) apply in the same way that they apply for the purposes of paragraph 15-10(2)(a).
- (4) Determinations made by the Commissioner under subsection 15-25(4) apply (so far as they are capable of applying) to working out the extent to which a \*partly creditable importation does not relate to making supplies that would be \*input taxed.
- (5) This section has effect despite sections 15-20 and 15-25 (which are about amounts of input tax credits).

**131-50 Amounts of input tax credits for creditable acquisitions or creditable importations of certain cars**

- (1) If:
  - (a) this Division applies to working out the amount of a \*creditable acquisition or \*creditable importation that you made; and
  - (b) the acquisition or importation is an acquisition or importation of a \*car;the amount of the input tax credit on the acquisition or importation under this Division must not exceed the amount (if any) of the input tax credit worked out under section 69-10.
- (2) However, if subsection 131-40(2) or 131-45(2) applies to the acquisition or importation:
  - (a) take into account the operation of section 69-10 in working out the full input tax credit for the purposes of that subsection; but
  - (b) disregard subsection 69-10(3).

**131-55 Increasing adjustments relating to annually apportioned acquisitions and importations**

- (1) You have an *increasing adjustment* if:

---

- (b) the input tax credit on the acquisition or importation is attributable to a tax period ending in a particular \*financial year; and
  - (c) the amount of the input tax credit is an amount worked out under this Division.
- (2) The amount of the increasing adjustment is an amount equal to the difference between:
- (a) the amount of the input tax credit worked out under this Division; and
  - (b) what would have been the amount of the input tax credit if this Division did not apply.
- (3) In working out for the purposes of paragraph (2)(a) the amount of an input tax credit, take into account any change of circumstances that has given rise to:
- (a) an adjustment for the acquisition under Division 19; or
  - (b) an adjustment for the acquisition under Division 21.

Note: Because of subsection 136-10(3), the amount of the Division 21 adjustment will not be reduced under Division 136.

- (4) In working out for the purposes of paragraph (2)(b) what would have been the amount of an input tax credit, take into account any change of circumstances that has given rise to:
- (a) an adjustment for the acquisition under Division 19 (worked out as if this Division had not applied to working out the amount of the input tax credit); or
  - (b) an adjustment for the acquisition under Division 21.

Note: If this Division did not apply, the amount of the Division 21 adjustment would have been worked out under Division 136.

Example: While an annual apportionment election has effect, you make a partly creditable acquisition for \$1,100, for which you have an input tax credit of \$100. The extent of your creditable purpose is 10%.

During later tax periods, the price increases by \$110, for which you have a decreasing adjustment under Division 19 of \$10, and the supplier writes off \$660 as a bad debt, for which you have an increasing adjustment under Division 21 of \$60 (subsection 136-10(3) prevents the amount from being reduced under Division 136).

The amount of your increasing adjustment under this section is \$45. This is the difference between the amounts under paragraphs (2)(a) and (b).

The paragraph (2)(a) amount (which is effectively worked out on a fully creditable basis) is:

$$\$100 + \$10 - \$60 = \$50$$

The paragraph (2)(b) amount (which is based on a 10% creditable purpose) is:

$$\$10 + \$1 - \$6 = \$5$$

**131-60 Attributing adjustments under section 131-55**

- (1) An \*increasing adjustment under section 131-55 is attributable to:
- (a) the tax period worked out using the method statement; or
  - (b) such earlier tax period as you choose.

*Method statement*

*Step 1.* Work out the tax period (the *ITC tax period*) to which the input tax credit for the acquisition or importation to which the adjustment relates is attributable.

*Step 2.* Work out in which year of income that tax period starts.

*Step 3.* If you are required under section 161 of the \*ITAA 1936 to lodge a return in relation to that year of income, work out the last day of the period, specified in the notice published in the *Gazette* under that section, for you to lodge as required under that section.

*Step 4.* The \*increasing adjustment is attributable to the tax period in which that last day occurs.

*Step 5.* If step 3 does not apply, the increasing adjustment is attributable to the tax period in which occurs 31 December in the next \*financial year to start after the end of the ITC tax period.

Note: Section 388-55 in Schedule 1 to the *Taxation Administration Act 1953* allows the Commissioner to defer the time for giving the GST return.

- (2) Despite subsection (1), if, during (but not from the start of) the \*financial year in which the ITC tax period ended, your \*annual apportionment election ceases to have effect because:
  - (a) you revoke your annual apportionment election, or the Commissioner disallows your election, during that financial year; and
  - (b) the revocation or disallowance takes effect before the end of that financial year;the \*increasing adjustment is attributable to the tax period in which the cessation takes effect, or to such earlier tax period as you choose.
- (3) However, the \*increasing adjustment is attributable to a tax period provided under section 27-40 if that tax period ends earlier than the end of the tax period to which the increasing adjustment would, but for this subsection, be attributable under subsections (1) and (2).

## Division 132—Supplies of things acquired etc. without full input tax credits

### 132-1 What this Division is about

You may have a decreasing adjustment if you make a supply of something that you earlier acquired or imported, or subsequently applied, to make financial supplies or for a private or domestic purpose.

### 132-5 Decreasing adjustments for supplies of things acquired, imported or applied for a purpose that is not fully creditable

- (1) You have a *decreasing adjustment* under this Division if:
  - (a) you make a \*taxable supply of a thing (or a supply of a thing that would have been a taxable supply had it not been \*GST-free under Subdivision 38-J); and
  - (b) the supply is a supply by way of sale; and
  - (c) your acquisition, importation or subsequent \*application of the thing, related solely or partly to making \*financial supplies, or was solely or partly of a private or domestic nature.
- (2) The amount of the \*decreasing adjustment is as follows:

$$\frac{1}{11} \times \text{Price} \times \left( 1 - \frac{\text{Adjusted input tax credit}}{\text{Full input tax credit}} \right)$$

where:

*adjusted input tax credit* is:

- (a) the amount of any input tax credit that was attributable to a tax period in respect of the acquisition or importation; minus
- (b) the sum of:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (i) any \*increasing adjustments, under Subdivision 19-C or Division 129, that were previously attributable to a tax period in respect of the acquisition or importation; and
- (ii) any increasing adjustment under Division 131 that has been previously, is or will be attributable to a tax period in respect of the acquisition or importation; plus
- (c) the sum of any \*decreasing adjustments, under Subdivision 19-C or Division 129, that were previously attributable to a tax period in respect of the acquisition or importation.

**full input tax credit** is the amount of the input tax credit to which you would have been entitled for acquiring or importing the thing for the purpose of your \*enterprise if:

- (a) the acquisition or importation had been solely for a \*creditable purpose; and
- (b) in the case where the supply to you was a \*taxable supply because of section 72-5 or 84-5—the supply had been or is a \*taxable supply under section 9-5.

**price** is the \*price of the \*taxable supply.

- (3) However, if the amount worked out under subsection (2) is greater than the difference between the full input tax credit and the adjusted input tax credit, the amount of the \*decreasing adjustment is an amount equal to that difference.
- (4) In working out the adjusted input tax credit, the acquisition, importation or \*application in question is treated as having been for a \*creditable purpose except to the extent \*that the acquisition, importation or application:
  - (a) relates to the making of \*financial supplies; or
  - (b) is of a private or domestic nature.

### **132-10 Attribution of adjustments under this Division**

- (1) A \*decreasing adjustment under this Division is attributable to:
  - (a) the same tax period as the \*taxable supply to which it relates;or

## Division 135—Supplies of going concerns

### 135-1 What this Division is about

The recipient of a supply of a going concern has an increasing adjustment to take into account the proportion (if any) of supplies that will be made in running the concern and that will not be taxable supplies or GST-free supplies. Later adjustments are needed if this proportion changes over time.

### 135-5 Initial adjustments for supplies of going concerns

- (1) You have an *increasing adjustment* if:
  - (a) you are the \*recipient of a \*supply of a going concern, or a supply that is \*GST-free under section 38-480; and
  - (b) you intend that some or all of the supplies made through the \*enterprise to which the supply relates will be supplies that are neither \*taxable supplies nor \*GST-free supplies.
- (2) The amount of the increasing adjustment is as follows:

$$\frac{1}{10} \times \text{Supply price} \times \frac{\text{Proportion of non-creditable use}}{\text{Proportion of non-creditable use}}$$

where:

*proportion of non-creditable use* is the proportion of all the supplies made through the \*enterprise that you intend will be supplies that are neither \*taxable supplies nor \*GST-free supplies, expressed as a percentage worked out on the basis of the \*prices of those supplies.

*supply price* means the \*price of the supply in relation to which the increasing adjustment arises.

### 135-10 Later adjustments for supplies of going concerns

- (1) If you are the \*recipient of a \*supply of a going concern, or a supply that is \*GST-free under section 38-480, Division 129

(which is about changes in the extent of creditable purpose) applies to that acquisition, in relation to:

- (a) the proportion of all the supplies made through the \*enterprise that you intend will be supplies that are neither \*taxable supplies nor \*GST-free supplies; and
- (b) the proportion of all the supplies made through the \*enterprise that are supplies that are neither taxable supplies nor GST-free supplies;

in the same way as that Division applies:

- (c) in relation to the extent to which you made an acquisition for a \*creditable purpose; and
  - (d) in relation to the extent to which a thing acquired is \*applied for a creditable purpose.
- (2) For the purpose of applying Division 129, the proportions referred to in paragraphs (1)(a) and (b) are to be expressed as percentages worked out on the basis of the \*prices of the supplies in question.
- (3) This section applies in relation to any \*supply of a going concern, or a supply that is \*GST-free under section 38-480, whether or not it is a supply in respect of which you have had an \*increasing adjustment under section 135-5.

## **Division 136—Bad debts relating to transactions that are not taxable or creditable to the fullest extent**

### **Table of Subdivisions**

- 136-A Bad debts relating to partly taxable or creditable transactions
- 136-B Bad debts relating to transactions that are taxable or creditable at less than  $\frac{1}{11}$  of the price

### **136-1 What this Division is about**

The amount of an adjustment that you have under Division 21 for a bad debt is reduced under this Division if the transaction to which the adjustment relates:

- was a supply that was partly taxable or an acquisition that was partly creditable; or
- was fully taxable or creditable, but not to the extent of  $\frac{1}{11}$  of the price or consideration for the transaction.

### **Subdivision 136-A—Bad debts relating to partly taxable or creditable transactions**

#### **136-5 Adjustments relating to partly taxable supplies**

If you have an \*adjustment under section 21-5, 21-10, 136-30 or 136-35 in relation to a supply that was partly a \*taxable supply, the amount of that adjustment is reduced to the following amount:

Full adjustment  $\times$  Taxable proportion

where:

*full adjustment* is what would be the amount of the adjustment worked out under section 21-5, 21-10, 136-30 or 136-35 if this section did not apply.

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**Chapter 4** The special rules

**Part 4-4** Special rules mainly about net amounts and adjustments

**Division 136** Bad debts relating to transactions that are not taxable or creditable to the fullest extent

Section 136-10

---

**taxable proportion** is the proportion of the \*value of the supply (worked out as if it were solely a taxable supply) that the taxable supply represents.

Example: If the amount of an adjustment under section 21-5 would be \$100 but the supply was only 80% taxable, the amount of the adjustment is \$80.

**136-10 Adjustments in relation to partly creditable acquisitions**

- (1) If you have an \*adjustment under section 21-15, 21-20, 136-40 or 136-45 in relation to a \*creditable acquisition that was \*partly creditable, the amount of that adjustment is reduced to the following amount:

$$\text{Full adjustment} \times \frac{\text{Extent of creditable purpose}}{\text{Extent of consideration}}$$

where:

**extent of consideration** is the extent to which you provide, or are liable to provide, the \*consideration for the acquisition, expressed as a percentage of the total consideration for the acquisition.

**extent of creditable purpose** is the extent of \*creditable purpose last used to work out:

- (a) the amount of the input tax credit for the acquisition; or
- (b) the amount of any \*adjustment under Division 129 in relation to the acquisition;

expressed as a percentage of the total purpose of the acquisition.

**full adjustment** is what would be the amount of the adjustment worked out under section 21-15, 21-20, 136-40 or 136-45 if this section did not apply.

- (2) If you have an \*adjustment under section 21-15, 21-20, 136-40 or 136-45 in relation to a \*creditable acquisition that was a \*reduced credit acquisition and that was not \*partly creditable (that is, it is wholly for a \*creditable purpose because of Division 70), the amount of that adjustment is reduced to the following amount:

$$\text{Full adjustment} \times \frac{\text{Percentage credit reduction}}{\text{Extent of consideration}}$$

where:

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

***extent of consideration*** is the extent to which you provide, or are liable to provide, the \*consideration for the acquisition, expressed as a percentage of the total consideration for the acquisition.

***percentage credit reduction*** is the reduced input tax credit percentage prescribed for the purposes of subsection 70-5(2) for an acquisition of that kind.

***full adjustment*** is what would be the amount of the adjustment worked out under section 21-15, 21-20, 136-40 or 136-45 if this section did not apply.

- (3) However, this section does not apply to an \*adjustment that you have in relation to a \*creditable acquisition if:
- (a) the amount of the input tax credit for the acquisition is worked out under Division 131; and
  - (b) the adjustment is attributable to a tax period that is not later than the tax period to which an adjustment under section 131-55 relating to the acquisition is attributable.

### **Subdivision 136-B—Bad debts relating to transactions that are taxable or creditable at less than 1/11 of the price**

#### **136-30 Writing off bad debts (taxable supplies)**

- (1) The amount of a \*decreasing adjustment that you have under section 21-5, relating to a \*taxable supply that is \*taxable at less than  $\frac{1}{11}$  of the price, is worked out under this section and not under section 21-5.
- (2) This is how to work out the amount:

*Method statement*

*Step 1.* Work out the amount of GST (if any) that was payable on the supply, taking into account any previous \*adjustments for the supply. This amount is the ***previous GST amount***.

---

**Part 4-4** Special rules mainly about net amounts and adjustments

**Division 136** Bad debts relating to transactions that are not taxable or creditable to the fullest extent

Section 136-35

*Step 2.* Add together:

- (a) the amount or amounts written off as bad from the debt to which the decreasing adjustment relates; and
- (b) the amount of the debt that has been \*overdue for 12 months or more (other than amounts already written off).

*Step 3.* Subtract the step 2 amount from the \*price of the supply.

*Step 4.* Work out the amount of GST (if any), taking into account any previous \*adjustments for the supply (but not adjustments relating to bad debts or debts overdue), that would be payable on the supply if the \*price of the supply were the step 3 amount. This amount of GST is the ***adjusted GST amount***.

*Step 5.* Subtract the adjusted GST amount from the previous GST amount.

**136-35 Recovering amounts previously written off (taxable supplies)**

- (1) The amount of an \*increasing adjustment that you have under section 21-10, relating to a \*taxable supply that is \*taxable at less than  $\frac{1}{11}$  of the price, is worked out under this section and not under section 21-10.
- (2) This is how to work out the amount:

- (a) the amount or amounts previously written off as bad from the debt to which the increasing adjustment relates; and
- (b) the amount of the debt that has been \*overdue for 12 months or more (other than amounts already written off).

*Step 3.* Subtract the step 2 amount from the \*price of the supply.

*Step 4.* Add to the step 3 amount an amount equal to the amount or amounts, written off or overdue for 12 months or more, that have been recovered.

*Step 5.* Work out the amount of GST (if any), taking into account any previous \*adjustments for the supply (but not adjustments relating to bad debts or debts overdue), that would be payable on the supply if the \*price of the supply were the step 4 amount. This amount of GST is the ***adjusted GST amount***.

*Step 6.* Subtract the previous GST amount from the adjusted GST amount.

### **136-40 Bad debts written off (creditable acquisitions)**

- (1) The amount of an \*increasing adjustment that you have under section 21-15, relating to a \*creditable acquisition that is \*creditable at less than  $\frac{1}{11}$  of the consideration, is worked out under this section and not under section 21-15.

- Step 2.* Add together:
- (a) the amount or amounts previously written off as bad from the debt to which the increasing adjustment relates; and
  - (b) the amount of the debt that has been \*overdue for 12 months or more (other than amounts already written off).
- Step 3.* Subtract the step 2 amount from the total amount of the \*consideration that you have either provided, or are liable to provide, for the acquisition.
- Step 4.* Work out the amount of the input tax credit (if any), taking into account any previous \*adjustments for the acquisition (but not adjustments relating to bad debts or debts overdue), to which you would be entitled for the acquisition if the \*consideration for the acquisition were the step 3 amount. This amount of GST is the *adjusted credit amount*.
- Step 5.* Subtract the adjusted credit amount from the previous credit amount.

**136-45 Recovering amounts previously written off (creditable acquisitions)**

- (1) The amount of a \*decreasing adjustment that you have under section 21-20, relating to a \*creditable acquisition that is \*creditable at less than  $\frac{1}{11}$  of the consideration, is worked out under this section and not under section 21-20.

**136-50 Meanings of taxable at less than  $\frac{1}{11}$  of the price and creditable at less than  $\frac{1}{11}$  of the consideration**

## **Division 137—Stock on hand on becoming registered etc.**

### **137-1 What this Division is about**

If you become registered or required to be registered, you may have a decreasing adjustment for stock you have already acquired.
--

### **137-5 Adjustments for stock on hand on becoming registered etc.**

- (1) You have a *decreasing adjustment* if:
  - (a) you become \*registered or \*required to be registered; and
  - (b) at that time, you hold stock for the purpose of sale or exchange, or for use as raw materials, in \*carrying on your \*enterprise; and
  - (c) you had acquired the stock solely or partly for a \*creditable purpose.
- (2) However, this section does not apply if:
  - (a) you were entitled to an input tax credit for the acquisition; and
  - (b) you have not had a \*increasing adjustment under Division 138 (cessation of registration) relating solely or partly to the stock.
- (3) The amount of the decreasing adjustment is an amount equal to what would have been the \*previously attributed input tax credit amount for the acquisition if you had been \*registered at the time of the acquisition.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **Division 138—Cessation of registration**

### **138-1 What this Division is about**

An entity whose registration has been cancelled may still have acquisitions and importations for which entitlements to input tax credits have arisen. This Division provides for an increasing adjustment to cancel those input tax credits.

### **138-5 Adjustments for cessation of registration**

- (1) You have an *increasing adjustment* if:
- (a) your \*registration is cancelled; and
  - (b) immediately before the cancellation takes effect, your assets include anything in respect of which you were, or are, entitled to an input tax credit.

Note: Increasing adjustments increase your net amounts.

- (2) The amount of the adjustment, for each thing referred to in paragraph (1)(b), is as follows:

$$\frac{1}{11} \times \text{*Actual application of the thing} \times \text{Applicable value}$$

where:

*applicable value* is:

- (a) the \*GST inclusive market value of the thing immediately before the cancellation takes effect; or
- (b) if you were, or are, entitled to an input tax credit for acquiring the thing—the amount of the \*consideration that you provided, or were liable to provide, for your acquisition of the thing, but only if the amount is less than that value; or
- (c) if you were, or are, entitled to an input tax credit for importing the thing—the cost to you of acquiring or producing the thing (plus the GST paid on its importation), but only if the amount is less than that value.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- (3) However, an \*adjustment does not arise under this section in respect of an asset if:
- (a) there were one or more \*adjustment periods for your acquisition or importation of the asset; and
  - (b) the last of those adjustment periods has ended before the cancellation of your \*registration takes effect.

### **138-10 Attributing adjustments for cessation of registration**

- (1) An \*adjustment that you have under this Division is attributable to:
- (a) your concluding tax period under section 27-40; or
  - (b) if, because of subsection 151-55(1) or 162-85(1), you do not have a concluding tax period under section 27-40—the tax period to which that subsection applies.
- (2) This section has effect despite section 29-20 (which is about attributing your adjustments).

### **138-15 Ceasing to be registered—amounts not previously attributed**

- (1) The GST payable by you on a \*taxable supply, the input tax credit to which you are entitled for a \*creditable acquisition, or an \*adjustment that you have, is attributable to a particular tax period, and no other, if:
- (a) during the tax period, your \*registration is cancelled; and
  - (b) immediately before the cancellation, you were \*accounting on a cash basis; and
  - (c) the GST on the supply, the input tax credit on the acquisition, or the adjustment, was not attributable, to any extent, to a previous tax period during which you accounted on a cash basis; and
  - (d) it would have been attributable to that previous tax period had you not accounted on a cash basis during that period.

For accounting on a cash basis, see Subdivision 29-B.

- (2) This section has effect despite sections 29-5, 29-10 and 29-20 (which are about attributing GST on supplies, input tax credits on acquisitions, and adjustments) and any other provisions of this Chapter.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**138-17 Situations to which this Division does not apply**

- (1) This Division does not apply to anything included in the assets of an entity whose \*registration is cancelled, to the extent that the thing relates to an \*enterprise that the entity \*carried on before the cancellation, if:
  - (a) the cancellation arises as a result of the death of the entity, and the executor or trustee of the deceased estate:
    - (i) is registered or is \*required to be registered; and
    - (ii) continues, immediately after the cancellation, to carry on that enterprise; or
  - (b) the cancellation arises as a result of the executor or trustee of a deceased estate ceasing to carry on any enterprise, and one or more beneficiaries of the deceased estate:
    - (i) are registered or is \*required to be registered; and
    - (ii) continue, immediately after the cancellation, to carry on the enterprise that the deceased had carried on.
- (2) Division 129 (which is about changes in the extent of creditable purpose) continues to apply to the acquisition or importation of the thing immediately after the cancellation if:
  - (a) Subdivision 129-A does not prevent an adjustment arising under that Division for the acquisition or importation; and
  - (b) the cancellation occurs during an \*adjustment period for the acquisition or importation.
- (3) For the purposes of applying Division 129 to the acquisition or importation after the cancellation:

## **Division 139—Distributions from deceased estates**

### **139-1 What this Division is about**

Distributions from deceased estates, for private consumption, that are not taxable supplies may involve disposing of assets that were acquired or imported in circumstances giving rise to entitlements to input tax credits. This Division provides for an increasing adjustment to cancel those input tax credits.

### **139-5 Adjustments for distributions from deceased estates**

- (1) You have an *increasing adjustment* if:
- (a) you are the executor or trustee of a deceased estate; and
  - (b) you are \*registered or \*required to be registered; and
  - (c) you supply an asset of the deceased estate to a beneficiary of the deceased estate; and
  - (d) the supply is not a \*taxable supply and is not a supply that is \*GST-free or \*input taxed; and
  - (e) you were, or are, or the deceased person was, entitled to an input tax credit for the deceased person's acquisition or importation of the asset.

Note: Increasing adjustments increase your net amounts.

- (2) The amount of the adjustment, for the asset, is as follows:

$$\frac{1}{11} \times \text{*Actual application of the thing} \times \text{Applicable value}$$

where:

*applicable value* is:

- (a) the \*GST inclusive market value of the asset immediately before it is supplied; or
- (b) if you were, or are, or the deceased person was, entitled to an input tax credit for the deceased person acquiring the thing—the amount of the \*consideration that you or the deceased

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

- person provided, or was liable to provide, for the acquisition of the thing, but only if the amount is less than that value; or
- (c) if you were, or are, or the deceased person was, entitled to an input tax credit for the deceased person importing the thing—the cost to you or the deceased person of acquiring or producing the thing (plus the GST paid on its importation), but only if the amount is less than that value.
- (3) However, an \*adjustment does not arise under this section in respect of the asset if:
- (a) the asset related to an \*enterprise that the deceased person \*carried on, and the beneficiary intends to continue to carry on that enterprise; or
  - (b) there were one or more \*adjustment periods for the deceased person's acquisition or importation of the asset, and the last of those adjustment periods has ended before the cancellation of your \*registration takes effect.

#### **139-10 Attributing adjustments for distributions from deceased estates**

- (1) An \*adjustment that you have under this Division is attributable to the tax period in which it arises.
- (2) This section has effect despite section 29-20 (which is about attributing your adjustments).

#### **139-15 Application of Division 129**

This Division does not affect the operation of Division 129 (which is about changes in the extent of creditable purpose).

## Division 141—Tradex scheme goods

### 141-1 What this Division is about

The holder of a tradex order has an increasing adjustment if goods relating to that order are dealt with contrary to the Tradex Scheme.

Note: GST would not have been payable on importation of the goods under the Tradex Scheme: see section 42-5.

### 141-5 Adjustments for applying goods contrary to the Tradex Scheme

- (1) You have an *increasing adjustment* if:
- you import \*tradex scheme goods; and
  - you are the holder (within the meaning of the *Tradex Scheme Act 1999*) of the \*tradex order relating to the goods; and
  - the importation would have been a \*taxable importation if the goods had not been covered by item 21A of Schedule 4 to the *Customs Tariff Act 1995* at the time of their entry for home consumption under the *Customs Act 1901*; and
  - any of the circumstances referred to in subsection 21(1) of that Act occur in respect of any of the goods.

However, the increasing adjustment only arises in relation to the first occurrence of such a circumstance following an importation of the goods.

- (2) The amount of the \*increasing adjustment is the difference between:
- the amount of GST that would have been payable on the importation if the importation had been a \*taxable importation; and
  - the amount (if any) of the input tax credit to which you would have been entitled for the importation if the importation had been a taxable importation.

### **Division 151—Annual tax periods**

#### **Table of Subdivisions**

- 151-A Electing to have annual tax periods
- 151-B Consequences of electing to have annual tax periods

#### **151-1 What this Division is about**

In some cases, you may elect to have annual tax periods. You will then lodge GST returns, and pay amounts of GST or receive refunds of GST, on an annual basis (which better matches your obligation to lodge an income tax return).

#### **Subdivision 151-A—Electing to have annual tax periods**

##### **151-5 Eligibility to make an annual tax period election**

- (1) You are eligible to make an \*annual tax period election if:
  - (a) you are not \*required to be registered; and
  - (b) you have not made any election under section 162-15 to pay GST by instalments (other than such an election that is no longer in effect).
- (2) However, you are not eligible to make an \*annual tax period election if the only reason you are not \*required to be registered is because you disregarded supplies under paragraph 188-15(3)(b) or (c) or 188-20(3)(b) or (c) (which are about supplies of rights or options offshore).

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 151-10

---

**151-10 Making an annual tax period election**

- (1) You may, by notifying the Commissioner in the \*approved form, make an \*annual tax period election if you are eligible under section 151-5.

  - (a) the start of the earliest tax period for which, on the day on which you make your election, your \*GST return is not yet due (taking into account any further period the Commissioner allows under paragraph 31-8(1)(b) or 31-10(1)(b)); or
  - (b) the start of such other tax period as the Commissioner allows, in accordance with a request you make in the \*approved form.

Note: Refusing a request to allow your election to take effect from the start of another tax period is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

**151-15 Annual tax period elections by representative members of GST groups**

- (1) A \*representative member of a \*GST group cannot make an \*annual tax period election unless each \*member of the GST group is eligible under section 151-5.

  - (a) if the tax periods applying to you are \*quarterly tax periods—on or before 28 October in the \*financial year to which it relates; or

    - (i) during the \*financial year but after 28 October in that financial year, you became eligible under section 151-5 to make an \*annual tax period election; and
    - (ii) this subsection had not applied to you before; and
    - (iii) your \*current GST lodgment record is not more than 6 months; or
  - (b) if the financial year started on 1 July 2004 and the Commissioner determines in writing that this paragraph applies;  
you must make your election on or before the first day, after becoming eligible under section 151-5 or after the Commissioner's determination, on which you would, but for this Division, be required to give a \*GST return to the Commissioner.
- (3) The Commissioner may, in accordance with a request you make in the \*approved form, allow you to make your election on a specified day occurring after the day provided for under subsection (1) or (2).

Note: Refusing a request to be allowed to make an election on a specified day under this subsection is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

## **151-25 Duration of an annual tax period election**

### *General rule*

- (1) Your election ceases to have effect if:

*Disallowance*

- (3) The Commissioner may disallow your election if, and only if, the Commissioner is satisfied that you have failed to comply with one or more of your obligations under a \*taxation law.

Note: Disallowing your election is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (4) A disallowance of your election is taken to have had effect:
- (a) if the Commissioner notifies you of the disallowance during the \*financial year in which your election first took effect—from the start of the tax period in which it first took effect; or
  - (b) if the Commissioner notifies you of the disallowance on or before 28 October during a later financial year—from the start of that later financial year; or
  - (c) if the Commissioner notifies you of the disallowance after 28 October during a later financial year—from the start of the financial year immediately following that later financial year.

- (3) This section has effect despite section 29-75 (which is about adjustment notes).

### **153-25 Insurance supplied through insurance brokers**

- (1) If an insurer supplies an \*insurance policy through an \*insurance broker acting on behalf of the \*recipient of the supply, this Subdivision has effect as if the supply were made through the insurance broker as an agent of the insurer.
- (2) This section does not affect the application of this Subdivision in relation to the acquisition of the \*insurance policy through the insurance broker as an agent of the \*recipient.

### **Subdivision 153-B—Principals and agents as separate suppliers or acquirers**

#### **153-50 Arrangements under which agents are treated as suppliers or acquirers**

An entity (the *principal*) may, in writing, enter into an arrangement with another entity (the *agent*) under which:

- (a) the agent will, on the principal's behalf:
  - (i) make supplies to third parties; or
  - (ii) make acquisitions from third parties; or

Section 153-55

---

- (iii) make both supplies to third parties and acquisitions from third parties; and
- (b) the kinds of supplies or acquisitions, or the kinds of supplies and acquisitions, to which the arrangement applies are specified; and
- (c) for the purposes of the GST law:
  - (i) the agent will be treated as making the supplies to the third parties, or acquisitions from the third parties, or both; and
  - (ii) the principal will be treated as making corresponding supplies to the agent, or corresponding acquisitions from the agent, or both; and
- (d) in the case of supplies to third parties:
  - (i) the agent will issue to the third parties, in the agent's own name, all the \*tax invoices and \*adjustment notes relating to those supplies; and
  - (ii) the principal will not issue to the third parties any tax invoices and adjustment notes relating to those supplies; and
- (e) the arrangement ceases to have effect if the principal or the agent, or both of them, cease to be \*registered.

**153-55 The effect of these arrangements on supplies**

- (1) A \*taxable supply that the principal makes to a third party through the agent is taken to be a supply that is a taxable supply made by the agent to the third party, and not by the principal, if:
  - (a) the supply is of a kind to which the arrangement applies; and
  - (b) the supply is made in accordance with the arrangement; and
  - (c) both the principal and the agent are \*registered.
- (2) In addition, the principal is taken to make a supply that is a \*taxable supply to the agent. This supply is taken:
  - (a) to be a supply of the same thing as is supplied in the taxable supply (the *agent's supply*) that the agent is taken to make; and
  - (b) to have a \*value equal to <sup>10</sup>/<sub>11</sub> of the amount that is payable to the principal by the agent in respect of the agent's supply.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

The agent is taken to make a corresponding \*creditable acquisition from the principal.

- (3) If the principal pays, or is liable to pay, an amount, as a commission or similar payment, to the agent for the agent's supply to the third party:
  - (a) for the purpose of paragraph (2)(b), the amount payable by the agent to the principal is taken to be reduced by the amount the principal pays, or is liable to pay, to the agent; and
  - (b) the supply by the agent to the principal, to which the principal's payment or liability relates, is not a \*taxable supply.
- (4) However, this section no longer applies, and is taken never to have applied, if the principal issues to the third party, in the principal's own name, any \*tax invoice or \*adjustment note relating to the supply.
- (5) This section has effect despite section 9-5 (which is about what are taxable supplies), section 9-75 (which is about the value of taxable supplies) and section 11-5 (which is about what are creditable acquisitions).

### **153-60 The effect of these arrangements on acquisitions**

- (1) An acquisition that the principal makes from a third party through the agent is taken to be a \*creditable acquisition made by the agent from the third party, and not by the principal, if:
  - (a) the acquisition is of a kind to which the arrangement applies; and
  - (b) the acquisition is made in accordance with the arrangement; and
  - (c) both the principal and the agent are \*registered.
- (2) In addition, the agent is taken to make a supply that is a \*taxable supply to the principal. This supply is taken:
  - (a) to be a supply of the same thing as is acquired in the \*creditable acquisition (the *agent's acquisition*) that the agent is taken to make; and

Section 153-65

---

(b) to have a \*value equal to <sup>10</sup>/<sub>11</sub> of the amount that is payable to the agent by the principal in respect of the agent's acquisition.

The principal is taken to make a corresponding acquisition from the agent, and the acquisition is taken to be a creditable acquisition if, apart from this section, the principal's acquisition from the third party would have been a creditable acquisition.

- (3) If the principal pays, or is liable to pay, an amount, as a commission or similar payment, to the agent for the agent's acquisition from the third party:
- (a) for the purpose of paragraph (2)(b), the amount payable by the principal to the agent is taken to be increased by the amount the principal pays, or is liable to pay, to the agent; and
  - (b) the supply by the agent to the principal, to which the principal's payment or liability relates, is not a \*taxable supply.
- (4) This section has effect despite section 11-5 (which is about what are creditable acquisitions), section 11-10 (which is about what are acquisitions), section 9-5 (which is about what are taxable supplies) and section 9-75 (which is about the value of taxable supplies).

**153-65 Determinations that supplies or acquisitions are taken to be under these arrangements**

- (1) The Commissioner may determine in writing that supplies or acquisitions of a specified kind that any entity (the *agent*) makes on behalf of any other entity (the *principal*) to or from third parties are taken to be supplies or acquisitions:
- (a) that are of a kind to which an arrangement of a kind referred to in section 153-50 applies; and
  - (b) that are made in accordance with that arrangement.
- (2) The determination has effect accordingly, unless either the agent or the principal notifies the other in writing, or both notify each other in writing, that:

## **Division 156—Supplies and acquisitions made on a progressive or periodic basis**

### **156-1 What this Division is about**

Supplies and acquisitions made for a period or on a progressive basis are treated as separate supplies or acquisitions for some purposes, in particular the attribution rules.

### **156-5 Attributing the GST on progressive or periodic supplies**

- (1) The GST payable by you on a \*taxable supply that is made:
  - (a) for a period or on a progressive basis; and
  - (b) for \*consideration that is to be provided on a progressive or periodic basis;is attributable, in accordance with section 29-5, as if each progressive or periodic component of the supply were a separate supply.
- (2) If the progressive or periodic components of such a supply are not readily identifiable, the components correspond to the proportion of the total \*consideration for the supply that the separate amounts of consideration represent.

### **156-10 Attributing the input tax credits on progressive or periodic acquisitions**

- (1) The input tax credit to which you are entitled for a \*creditable acquisition that is made:
  - (a) for a period or on a progressive basis; and
  - (b) for \*consideration that is to be provided on a progressive or periodic basis;is attributable, in accordance with section 29-10, as if each progressive or periodic component of the acquisition were a separate acquisition.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (2) If the progressive or periodic components of such an acquisition are not readily identifiable, the components correspond to the proportion of the total \*consideration for the acquisition that the separate amounts of consideration represent.

### **156-15 Progressive or periodic supplies partly connected with Australia**

- (1) If:
- (a) a \*taxable supply is made for a period or on a progressive basis; and
  - (b) the supply is made for \*consideration that is to be provided on a progressive or periodic basis; and
  - (c) the whole of a progressive or periodic component of the supply would not be \*connected with Australia if it were a separate supply;
- that component is treated as if it were a separate supply that is not connected with Australia.
- (2) This section has effect despite section 9-25 (which is about when supplies are connected with Australia) and Division 96.

### **156-20 Application of Division 129 to progressive or periodic acquisitions**

An acquisition that is made:

- (a) for a period or on a progressive basis; and
- (b) for \*consideration that is to be provided on a progressive or periodic basis;

is treated, for the purposes of Division 129 (which is about changes in the extent of creditable purpose), as if each progressive or periodic component of the acquisition were a separate acquisition.

### **156-22 Leases etc. treated as being on a progressive or periodic basis**

For the purposes of this Division, a supply or acquisition by way of lease, hire or similar arrangement is to be treated as a supply or acquisition that is made on a progressive or periodic basis, for the period of the lease, hire or arrangement.

## **Division 157—Accounting basis of charitable institutions etc.**

### **157-1 What this Division is about**

The choice available to a charitable institution, trustee of a charitable fund, gift-deductible entity or government school to account on a cash basis is not restricted as it is for other entities, but other restrictions may apply.

### **157-5 Charitable institutions etc. choosing to account on a cash basis**

- (1) A charitable institution, a trustee of a charitable fund, a \*gift-deductible entity or a \*government school may choose to \*account on a cash basis, with effect from the first day of the tax period that the institution, trustee or entity chooses.
- (2) This section does not apply in relation to a charitable institution or a trustee of a charitable fund unless the institution or trustee is an \*endorsed charitable institution or an \*endorsed trustee of a charitable fund.

Example: This section does not apply in relation to an entity that is both a charitable institution and a gift-deductible entity unless the entity is an endorsed charitable institution.

- (3) This section does not apply in relation to a \*gift-deductible entity endorsed as a deductible gift recipient (within the meaning of the \*ITAA 1997) under section 30-120 of the ITAA 1997, unless the entity is:
  - (a) a charitable institution or a trustee of a charitable fund; or
  - (b) a \*government school; or
  - (c) a fund, authority or institution of a kind referred to in paragraph 30-125(1)(b) of the ITAA 1997.

Note: This subsection excludes from this section certain (but not all) gift-deductible entities that are only endorsed for the operation of a fund, authority or institution.

- (2) This section does not apply in relation to a charitable institution or a trustee of a charitable fund unless the institution or trustee is an \*endorsed charitable institution or an \*endorsed trustee of a charitable fund.

Example: This section does not apply in relation to an entity that is both a charitable institution and a gift-deductible entity unless the entity is an endorsed charitable institution.

- (3) This section does not apply in relation to a \*gift-deductible entity endorsed as a deductible gift recipient (within the meaning of the \*ITAA 1997) under section 30-120 of the ITAA 1997, unless the entity is:
- (a) a charitable institution or a trustee of a charitable fund; or

## Division 159—Changing your accounting basis

### 159-1 What this Division is about

This Division tells you to which tax periods to attribute any supplies and acquisitions that are affected by a change in your accounting basis, and how to treat bad debts if your accounting basis changes.

### 159-5 Ceasing to account on a cash basis—amounts not previously attributed

- (1) The GST payable by you on a \*taxable supply, the input tax credit to which you are entitled for a \*creditable acquisition, or an \*adjustment that you have, is attributable to a particular tax period (the *transition tax period*), and not to any other tax period, if:
  - (a) at the start of the transition tax period, you cease to \*account on a cash basis; and
  - (b) the GST on the supply, the input tax credit on the acquisition, or the adjustment, was not attributable, to any extent, to a previous tax period during which you accounted on a cash basis; and
  - (c) it would have been attributable to that previous tax period had you not accounted on a cash basis during that period.

For accounting on a cash basis, see Subdivision 29-B.

Example: In tax period A in the following diagram, you issue an invoice for a supply that you made, but you receive no payment for the supply until tax period D. However, you cease to account on a cash basis at the start of tax period C (which is therefore the transition tax period).

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 159-10

---

Under section 29-5, the supply was not attributable to tax period A (because at the time you were accounting on a cash basis), but it would have been attributable to that period if you had not been accounting on a cash basis (because you issued the invoice in that period). Therefore the supply is attributable to tax period C (the transition tax period).

- (2) This section has effect despite sections 29-5, 29-10 and 29-20 (which are about attributing GST on supplies, input tax credits on acquisitions, and adjustments) and any other provisions of this Chapter.

**159-10 Ceasing to account on a cash basis—amounts partly attributed**

- (1) The GST payable by you on a \*taxable supply, the input tax credit to which you are entitled for a \*creditable acquisition, or an \*adjustment that you have, is attributable to a particular tax period (the *transition tax period*), and not to any other tax period, if:
- (a) at the start of the transition tax period, you cease to \*account on a cash basis; and
  - (b) the GST on the supply, the input tax credit on the acquisition, or the adjustment, was only to some extent attributable to a previous tax period during which you accounted on a cash basis; and
  - (c) it would have been attributable solely to that previous tax period had you not accounted on a cash basis during that period.
- (2) However, the GST on the supply, the input tax credit on the acquisition, or the adjustment, is attributable to the transition tax period only to the extent that it has not been previously attributed to one or more of those previous tax periods.

For accounting on a cash basis, see Subdivision 29-B.

Example: Take the example in section 159-5 as changed in the following diagram so that you receive part of the payment for the supply in tax period A. The transition tax period is still tax period C.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Under section 29-5, the supply was to some extent attributable to tax period A, but it would have been attributable only to that tax period if you had not been accounting on a cash basis. Therefore the supply is attributable to tax period C (the transition tax period), but only to the extent that it is not attributable to tax period A.

- (3) This section has effect despite sections 29-5, 29-10 and 29-20 (which are about attributing GST on supplies, input tax credits on acquisitions, and adjustments) and any other provisions of this Chapter.

### **159-15 Ceasing to account on a cash basis—bad debts**

(1) If:

- (a) the GST payable by you on a \*taxable supply or the input tax credit to which you are entitled for a \*creditable acquisition is attributable to a particular tax period (the transition tax period) under section 159-5 or 159-10; and
- (b) before the start of the transition tax period, the whole or part of a debt relating to the \*consideration for the supply or acquisition is written off as bad;

then:

- (c) the amount written off, and any part of that amount recovered before the start of the transition tax period, is to be treated, for the purposes of Division 21, as if at all relevant times you were not \*accounting on a cash basis; and
  - (d) any adjustment arising under Division 21 as a result is attributable to the transition tax period.
- (2) This section has effect despite subsections 21-5(2) and 21-15(2) (which preclude adjustments for bad debts when accounting on a cash basis) and section 29-20 (which is about attributing adjustments).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

**159-20 Starting to account on a cash basis**

- (1) If, at the start of a tax period, you start to \*account on a cash basis, then:
  - (a) the GST payable by you on a \*taxable supply that you made; or
  - (b) the input tax credit to which you are entitled for a \*creditable acquisition; or
  - (c) an \*adjustment that you have;that was attributable to one or more previous tax periods remains attributable to those periods, and not to any other tax period.
- (2) This section has effect despite sections 29-5, 29-10 and 29-20 (which are about attributing GST on supplies, input tax credits on acquisitions, and adjustments) and any other provisions of this Chapter.

**159-25 Starting to account on a cash basis—bad debts**

- (1) If:
  - (a) the GST payable by you on a \*taxable supply, or the input tax credit to which you are entitled for a \*creditable acquisition, was attributable to a tax period during which you were not \*accounting on a cash basis; and
  - (b) at a time when you are accounting on a cash basis, the whole or part of a debt relating to the \*consideration for the supply or acquisition is written off as bad;the amount written off, and any part of that amount that is recovered, is to be treated, for the purposes of Division 21, as if at all relevant times you were not accounting on a cash basis.
- (2) This section has effect despite subsections 21-5(2) and 21-15(2) (which preclude adjustments for bad debts when accounting on a cash basis).

**159-30 Entities ceasing to exist or coming into existence**

This Division does not apply in relation to an entity ceasing to \*account on a cash basis as it ceases to exist, or in relation to an entity starting to account on a cash basis as it comes into existence.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

## **Part 4-7—Special rules mainly about returns, payments and refunds**

**Note:** The special rules in this Part mainly modify the operation of Part 2-7, but they may affect other Parts of Chapter 2 in minor ways.

### **Division 162—Payment of GST by instalments**

#### **Table of Subdivisions**

- 162-A Electing to pay GST by instalments
- 162-B Consequences of electing to pay GST by instalments
- 162-C GST instalments
- 162-D Penalty payable in certain cases if varied instalment amounts are too low

#### **162-1 What this Division is about**

You may be able to elect to pay GST by instalments. If you do, GST returns are given to the Commissioner annually, and quarterly instalments of GST are paid on the basis of the Commissioner's or your estimates of what your annual GST liability will be (followed by a reconciliation based on the annual GST return).

If you can average your income for income tax purposes, you only pay the last 2 quarterly instalments.

**Note:** In some cases, you will only pay the last 2 quarterly instalments: see section 162-105.

#### **Subdivision 162-A—Electing to pay GST by instalments**

##### **162-5 Eligibility to elect to pay GST by instalments**

- (2) The *instalment turnover threshold* is:
- (a) \$2 million; or
  - (b) such higher amount as the regulations specify.

### **162-10 Your current GST lodgment record**

- (1) If you are not a \*member of a \*GST group, your **current GST lodgment record** is the period, immediately preceding the current tax period applying to you, that is covered by tax periods applying to you for which you have given \*GST returns to the Commissioner.
- (2) If you are a \*member of a \*GST group, your **current GST lodgment record** is the period, immediately preceding the current tax period applying to you, that is covered by tax periods applying to you:

  - (b) during which the membership of the GST group has not changed.
- (3) However, if you have been (but are not currently) the \*representative member of a \*GST group, any tax periods applying to you during which you were such a representative member are not to be counted towards your current GST lodgment record.

- (a) the start of the earliest tax period for which, on the day on which you make your election, your \*GST return is not yet due; or
  - (b) the start of such other tax period as the Commissioner allows, in accordance with a request you make in the \*approved form.

Note: Refusing a request to allow your election to take effect from the start of another tax period is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

**162-20 Elections by representative members of GST groups**

- (1) A \*representative member of a \*GST group cannot elect to pay GST by instalments unless each \*member of the GST group is eligible under section 162-5.
- (2) If the \*representative member makes such an election, the \*instalment tax period applying to the representative member also applies to each member. However, the members other than the representative member are not \*GST instalment payers.

**162-25 When you must make your election**

- (1) You must make your election on or before 28 October in the \*financial year to which it relates.
- (2) However, if:

### **162-30 Duration of your election**

#### *General rule*

- (1) Your election ceases to have effect if:
- (a) you revoke it, by notifying the Commissioner in the \*approved form; or
  - (b) the Commissioner disallows it under subsection (3); or
  - (c) in a case to which subparagraph 162-5(1)(a)(i) applied—you are not a \*small business entity of the kind referred to in that subparagraph for an \*income year; or
  - (ca) in a case to which subparagraph 162-5(1)(a)(ii) applied—on 31 July in a \*financial year, you do not satisfy the requirements of that subparagraph; or
  - (d) during the first tax period applying to you in a financial year, you are in a \*net refund position; or
  - (e) in a case where you are the \*representative member of a \*GST group—the membership of the GST group changes.

**162-195 Reduction in penalties if notified instalment amount is less than 25% of annual GST liability**

- (1) This section reduces your \*GST instalment shortfall, for a \*GST instalment quarter of an \*instalment tax period applying to you, if:
- (a) you are liable to pay a penalty under section 162-175 or 162-180 for a \*GST instalment quarter of an \*instalment tax period applying to you; and
  - (b) for that or any other GST instalment quarter of an \*instalment tax period:
    - (i) you have a \*notified instalment amount that is less than 25% of your \*annual GST liability for the instalment tax period; or
    - (ii) you do not have a notified instalment amount, but the Commissioner is satisfied that, if you had such a notified instalment amount, it would be less than 25% of your annual GST liability for the instalment tax period.
- (2) The \*GST instalment shortfall is reduced by the amount worked out as follows:

$$\left[ \begin{array}{l} \text{Your *annual GST} \\ \text{liability for the} \\ \text{*instalment tax period} \end{array} \times \begin{array}{l} \text{The *appropriate} \\ \text{percentage for the} \\ \text{*GST instalment quarter} \end{array} \right] - \text{Notified and} \\ \text{other amounts}$$

where:

***notified and other amounts*** is the sum of:

- (a) the \*notified instalment amount, or, if you do not have a notified instalment amount for the \*GST instalment quarter, the amount that the Commissioner is satisfied would have otherwise been that notified instalment amount; and
- (b) for each of the earlier GST instalment quarters (if any) of the \*instalment tax period in question:
  - (i) the notified instalment amount; or
  - (ii) if you do not have a notified instalment amount for the \*GST instalment quarter—the amount that the

Commissioner is satisfied would have otherwise been that notified instalment amount; and

- (c) if the instalment tax period is only part of a \*financial year—your \*early net amounts for the financial year (subtracting any of those amounts that are less than zero).
- (3) If, because of the reduction, your \*GST instalment shortfall for the \*GST instalment quarter is zero or less than zero, you are not liable to pay a penalty under section 162-175 or 162-180 (as the case requires) in relation to the GST instalment quarter.
- (4) If both this section and section 162-200 apply to a particular \*GST instalment shortfall, apply this section to the shortfall before applying section 162-200.

### **162-200 Reduction in penalties if GST instalment shortfall is made up in a later instalment**

- (1) This section reduces your \*GST instalment shortfall, for a \*GST instalment quarter of an \*instalment tax period applying to you, if:
  - (a) you pay to the Commissioner a \*GST instalment for a later GST instalment quarter of the instalment tax period; and
  - (b) that GST instalment exceeds 25% of your \*annual GST liability for the instalment tax period.The amount of that excess is called the *top up*.
- (2) The \*GST instalment shortfall is reduced by applying so much of the top up as does not exceed the GST instalment shortfall.
- (3) However, if some of the top up has already been applied (under any other application or applications of this section) to reduce a \*GST instalment shortfall for a different \*GST instalment quarter of the \*instalment tax period, the GST instalment shortfall is reduced by applying so much of the top up as has not already been applied, and does not exceed the GST instalment shortfall.
- (4) The reduction under subsection (2) has effect for each day in the period that:
  - (a) started at the beginning of the day on which you paid the \*GST instalment for the later \*GST instalment quarter; and

## **Division 165—Anti-avoidance**

### **Table of Subdivisions**

- 165-A Application of this Division
- 165-B Commissioner may negate effects of schemes for GST benefits

### **165-1 What this Division is about**

The object of this Division is to deter schemes to give entities benefits by reducing GST, increasing refunds or altering the timing of payment of GST or refunds.

If the dominant purpose or principal effect of a scheme is to give an entity such a benefit, the Commissioner may negate the benefit an entity gets from the scheme by declaring how much GST or refund would have been payable, and when it would have been payable, apart from the scheme.

This Division is aimed at artificial or contrived schemes. It is not, for example, intended to apply to:

- an exporter electing to have monthly tax periods in order to bring forward the entitlement to input tax credits; or
- a supplier of child care applying to be approved under the *A New Tax System (Family Assistance) (Administration) Act 1999* (this would make the supplies of child care GST-free); or

---

Section 165-5

---

- a supplier choosing under section 9-25 of the *A New Tax System (Wine Equalisation Tax) Act 1999* to use the average wholesale price method for working out the taxable value of retail sales of grape wine; or
- a bank having its car fleet serviced earlier than usual, and before 1 July 2000, so that the servicing does not, at least initially, bear the GST.

**Subdivision 165-A—Application of this Division**

**165-5 When does this Division operate?**

*General rule*

- (1) This Division operates if:
- (a) an entity (the *avoider*) gets or got a \*GST benefit from a \*scheme; and
  - (b) the GST benefit is not attributable to the making, by any entity, of a choice, election, application or agreement that is expressly provided for by the \*GST law, the \*wine tax law or the \*luxury car tax law; and
  - (c) taking account of the matters described in section 165-15, it is reasonable to conclude that either:
    - (i) an entity that (whether alone or with others) entered into or carried out the scheme, or part of the scheme, did so with the sole or dominant purpose of that entity or another entity getting a \*GST benefit from the scheme; or
    - (ii) the principal effect of the scheme, or of part of the scheme, is that the avoider gets the GST benefit from the scheme directly or indirectly; and
  - (d) the scheme:
    - (i) is a scheme that has been or is entered into on or after 2 December 1998; or
    - (ii) is a scheme that has been or is carried out or commenced on or after that day (other than a scheme that was entered into before that day).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

*Territorial application*

- (2) It does not matter whether the \*scheme, or any part of the scheme, was entered into or carried out inside or outside Australia.

**165-10 When does an entity get a *GST benefit* from a scheme?**

- (1) An entity gets a ***GST benefit*** from a \*scheme if:
- (a) an amount that is payable by the entity under this Act apart from this Division is, or could reasonably be expected to be, smaller than it would be apart from the scheme or a part of the scheme; or
  - (b) an amount that is payable to the entity under this Act apart from this Division is, or could reasonably be expected to be, larger than it would be apart from the scheme or a part of the scheme; or
  - (c) all or part of an amount that is payable by the entity under this Act apart from this Division is, or could reasonably be expected to be, payable later than it would have been apart from the scheme or a part of the scheme; or
  - (d) all or part of an amount that is payable to the entity under this Act apart from this Division is, or could reasonably be expected to be, payable earlier than it would have been apart from the scheme or a part of the scheme.

*What is a scheme?*

- (2) A ***scheme*** is:
- (a) any arrangement, agreement, understanding, promise or undertaking:
    - (i) whether it is express or implied; and
    - (ii) whether or not it is, or is intended to be, enforceable by legal proceedings; or
  - (b) any scheme, plan, proposal, action, course of action or course of conduct, whether unilateral or otherwise.

---

Section 165-15

---

*GST benefit can arise even if no economic alternative*

- (3) An entity can get a \*GST benefit from a \*scheme even if the entity or entities that entered into or carried out the scheme, or a part of the scheme, could not have engaged economically in any activities:
- (a) of the kind to which this Act applies; and
  - (b) that would produce an effect equivalent (except in terms of this Act) to the effect of the scheme or part of the scheme; other than the activities involved in entering into or carrying out the scheme or part of the scheme.

**165-15 Matters to be considered in determining purpose or effect**

- (1) The following matters are to be taken into account under section 165-5 in considering an entity's purpose in entering into or carrying out the \*scheme from which the avoider got a \*GST benefit, and the effect of the scheme:
- (a) the manner in which the scheme was entered into or carried out;
  - (b) the form and substance of the scheme, including:
    - (i) the legal rights and obligations involved in the scheme; and
    - (ii) the economic and commercial substance of the scheme;
  - (c) the purpose or object of this Act, the *Customs Act 1901* (so far as it is relevant to this Act) and any relevant provision of this Act or that Act (whether the purpose or object is stated expressly or not);
  - (d) the timing of the scheme;
  - (e) the period over which the scheme was entered into and carried out;
  - (f) the effect that this Act would have in relation to the scheme apart from this Division;
  - (g) any change in the avoider's financial position that has resulted, or may reasonably be expected to result, from the scheme;
  - (h) any change that has resulted, or may reasonably be expected to result, from the scheme in the financial position of an entity (a *connected entity*) that has or had a connection or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

dealing with the avoider, whether the connection or dealing is or was of a family, business or other nature;

- (i) any other consequence for the avoider or a connected entity of the scheme having been entered into or carried out;
  - (j) the nature of the connection between the avoider and a connected entity, including the question whether the dealing is or was at arm's length;
  - (k) the circumstances surrounding the scheme;
  - (l) any other relevant circumstances.
- (2) Subsection (1) applies in relation to consideration of an entity's purpose in entering into or carrying out a part of a \*scheme from which the avoider gets or got a \*GST benefit, and the effect of part of the scheme, as if the part were itself the \*scheme from which the avoider gets or got the GST benefit.

### **Subdivision 165-B—Commissioner may negate effects of schemes for GST benefits**

#### **165-40 Commissioner may negate avoider's GST benefits**

For the purpose of negating a \*GST benefit the avoider mentioned in section 165-5 gets or got from the \*scheme, the Commissioner may make a declaration stating either or both of the following:

- (a) the amount that is (and has been at all times) the avoider's \*net amount for a specified tax period that has ended;
- (b) the amount that is (and has been at all times) the amount of GST on a specified \*taxable importation that was made (or is stated in the declaration to have been made) by the avoider.

Note: A declaration of the Commissioner under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

**165-45 Commissioner may reduce an entity's net amount or GST to compensate**

- (1) This section operates if:
  - (a) the Commissioner has made a declaration under section 165-40 to negate the \*GST benefit an entity gets or got from a \*scheme; and
  - (b) the Commissioner considers that another entity (the *loser*) gets or got a \*GST disadvantage from the scheme; and
  - (c) the Commissioner considers that it is fair and reasonable that the loser's GST disadvantage be negated or reduced.
- (2) An entity gets a *GST disadvantage* from a \*scheme if:
  - (a) an amount that is payable by the entity under this Act apart from this Division is, or could reasonably be expected to be, larger than it would have been apart from the scheme or a part of the scheme; or
  - (b) an amount that is payable to the entity under this Act apart from this Division is, or could reasonably be expected to be, smaller than it would have been apart from the scheme or a part of the scheme; or
  - (c) all or part of an amount that is payable by the entity under this Act apart from this Division is, or could reasonably be expected to be, payable earlier than it would have been apart from the scheme or a part of the scheme; or
  - (d) all or part of an amount that is payable to the entity under this Act apart from this Division is, or could reasonably be expected to be, payable later than it would have been apart from the scheme or a part of the scheme.
- (3) For the purposes of negating or reducing the loser's \*GST disadvantage from the \*scheme, the Commissioner may make a declaration (under this section) stating either or both of the following:
  - (a) the amount that is (and has been at all times) the loser's \*net amount for a specified tax period that has ended;
  - (b) the amount that is (and has been at all times) the amount of GST on a specified \*taxable importation that was made (or is stated in the declaration to have been made) by the loser.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

Note: A declaration of the Commissioner under this section is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

- (4) An amount stated in a declaration as the loser's \*net amount or the amount of GST on a \*taxable importation must not be less than the net amount or amount of GST (as appropriate) would have been apart from the \*scheme, or part of the scheme, and the declaration.
- (5) An entity may give the Commissioner a written request to make a declaration under this section relating to the entity. The Commissioner must decide whether or not to grant the request, and give the entity notice of the Commissioner's decision.

Note: A decision of the Commissioner under subsection (5) is a reviewable GST decision (see Subdivision 110-F in Schedule 1 to the *Taxation Administration Act 1953*).

### **165-50 GST or refund payable in accordance with declaration**

A statement in a declaration under this Subdivision has effect according to its terms, for the purposes of Division 33 (about payments of GST) and Division 35 (about refunds), despite the provisions of this Act outside those Divisions and this Division.

### **165-55 Commissioner may disregard scheme in making declarations**

For the purposes of making a declaration under this Subdivision, the Commissioner may:

- (a) treat a particular event that actually happened as not having happened; and
- (b) treat a particular event that did not actually happen as having happened and, if appropriate, treat the event as:
  - (i) having happened at a particular time; and

  - (i) having happened at a time different from the time it actually happened; or
  - (ii) having involved particular action by a particular entity (whether or not the event actually involved any action by that entity).

**165-60 One declaration may cover several tax periods and importations**

To avoid doubt, statements relating to different tax periods and different \*taxable importations may be included in a single declaration under this Subdivision.

**165-65 Commissioner must give copy of declaration to entity affected**

- (1) The Commissioner must give a copy of a declaration under this Subdivision to the entity whose \*net amount or GST liability is stated in the declaration.

### **182-10 Explanatory sections, and their role in interpreting this Act**

- (1) An *explanatory section* is:
  - (a) any section that is the first section in a Division and that has as its heading “What this Division is about”; or
  - (b) any section in Chapter 1 (other than sections 1-1 and 1-2); or
  - (c) any section in Division 5 or 37; or
  - (d) any section that is the last section in a Division or Subdivision of Chapter 2 and that has a checklist of special rules in Chapter 4; or
  - (e) any section that a note states to be an explanatory section.
- (2) Explanatory sections form part of this Act, but they are not operative provisions. In interpreting an operative provision, an explanatory section may only be considered:
  - (a) in determining the purpose or object underlying the provision; or
  - (b) to confirm that the provision’s meaning is the ordinary meaning conveyed by its text, taking into account its context in this Act and the purpose or object underlying the provision; or
  - (c) in determining the provision’s meaning if the provision is ambiguous or obscure; or
  - (d) in determining the provision’s meaning if the ordinary meaning conveyed by its text, taking into account its context in this Act and the purpose or object underlying the provision, leads to a result that is manifestly absurd or is unreasonable.

### **182-15 Schedules 1, 2 and 3**

The second columns of the tables in Schedules 1, 2 and 3 are not operative. In interpreting an item in those tables, or any other operative provision, those columns may only be considered for a purpose for which an \*explanatory section may be considered under subsection 182-10(2).

## **Part 6-2—Meaning of some important concepts**

### **Division 184—Meaning of entity**

#### **184-1 Entities**

(1) **Entity** means any of the following:

- (a) an individual;
- (b) a body corporate;
- (c) a corporation sole;
- (d) a body politic;
- (e) a \*partnership;
- (f) any other unincorporated association or body of persons;
- (g) a trust;
- (h) a \*superannuation fund.

Note: The term **entity** is used in a number of different but related senses. It covers all kinds of legal persons. It also covers groups of legal persons, and other things, that in practice are treated as having a separate identity in the same way as a legal person does.

(1A) Paragraph (1)(f) does not include a \*non-entity joint venture.

(2) The trustee of a trust or of a \*superannuation fund is taken to be an entity consisting of the person who is the trustee, or the persons who are the trustees, at any given time.

Note: This is because a right or obligation cannot be conferred or imposed on an entity that is not a legal person.

(3) A legal person can have a number of different capacities in which the person does things. In each of those capacities, the person is taken to be a different entity.

Example: In addition to his or her personal capacity, an individual may be:

- sole trustee of one or more trusts; and
- one of a number of trustees of a further trust.

In his or her personal capacity, he or she is one entity. As trustee of each trust, he or she is a different entity. The trustees of the further trust are a different entity again, of which the individual is a member.

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 184-5

---

- (4) If a provision refers to an entity of a particular kind, it refers to the entity in its capacity as that kind of entity, not to that entity in any other capacity.

Example: A provision that refers to a company does not cover a company in a capacity as trustee, unless it also refers to a trustee.

Note: For GST purposes, non-profit sub-entities are treated as entities (see Division 63), and government entities can be treated as entities (see Division 149).

**184-5 Supplies etc. by partnerships and other unincorporated bodies**

- (1) For the avoidance of doubt, a supply, acquisition or importation made by or on behalf of a partner of a \*partnership in his or her capacity as a partner:

(a) is taken to be a supply, acquisition or importation made by the partnership; and

(b) is not taken to be a supply, acquisition or importation made by that partner or any other partner of the partnership.

Note: Section 444-30 in Schedule 1 to the *Taxation Administration Act 1953* deals with the liability of partners for the obligations imposed on a partnership under the GST law.

- (2) For the avoidance of doubt, a supply, acquisition or importation made by or on behalf of one or more members of the committee of management of an unincorporated association or body of persons (other than a \*partnership), in their capacity as members of that committee:

(a) is taken to be a supply, acquisition or importation made by the body; and

(b) is not taken to be a supply, acquisition or importation made by any members of the association or body.

Note: Section 444-5 in Schedule 1 to the *Taxation Administration Act 1953* deals with the liability of members of committees of management for the obligations imposed on an unincorporated association or body of persons under the GST law.

## Division 188—Meaning of GST turnover

### 188-1 What this Division is about

In some important respects, the way that this Act applies to you depends on your GST turnover. There are several turnover thresholds, and whether your GST turnover meets a particular turnover threshold, or whether it does not exceed a particular turnover threshold, can determine how this Act applies to you.

### 188-5 Explanation of the turnover thresholds

This table specifies the turnover thresholds and indicates how they affect the operation of this Act.

<b>Turnover thresholds</b>		
<b>Item</b>	<b>This turnover threshold ...</b>	<b>Is relevant to working out:</b>
1	Registration turnover threshold	whether you are required to be registered (see section 23-5).
2	Tax period turnover threshold	whether tax periods must be monthly (see section 27-15).
3	Cash accounting turnover threshold	whether you can elect to account on a cash basis (see section 29-40)
4	Electronic lodgment turnover threshold	whether you must lodge GST returns electronically (see section 31-25); whether you must pay amounts of GST electronically (see section 33-10).
4AA	Small enterprise turnover threshold	whether you can choose to apply a simplified accounting method as a small enterprise entity (see section 123-7)
4A	Annual apportionment turnover threshold	whether you can make an annual apportionment election (see subsection 131-5(2))
5	Instalment turnover threshold	whether you can elect to pay GST by instalments (see subsection 162-5(2))

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

Section 188-10

---

Note 1: The provisions referred to in the table indicate if the issue in relation to the turnover threshold in question is whether the threshold is met, or whether the threshold is not exceeded.

Note 2: Items 3, 4A and 5 of the table apply to you only if you do not carry on a business.

Note 3: This section is an explanatory section.

**188-10 Whether your GST turnover meets, or does not exceed, a turnover threshold**

- (1) You have a ***GST turnover*** that meets a particular \*turnover threshold if:
  - (a) your \*current GST turnover is at or above the turnover threshold, and the Commissioner is not satisfied that your \*projected GST turnover is below the turnover threshold; or
  - (b) your projected GST turnover is at or above the turnover threshold.
- (2) You have a ***GST turnover*** that does not exceed a particular \*turnover threshold if:
  - (a) your \*current GST turnover is at or below the turnover threshold, and the Commissioner is not satisfied that your \*projected GST turnover is above the turnover threshold; or
  - (b) your projected GST turnover is at or below the turnover threshold.
- (3) Each of these is a ***turnover threshold***:
  - (aaa) the \*annual apportionment turnover threshold;
  - (aa) the \*cash accounting turnover threshold;
    - (a) the \*electronic lodgment turnover threshold;
  - (ab) the \*instalment turnover threshold;
    - (b) the \*registration turnover threshold;
  - (ba) the \*small enterprise turnover threshold;
  - (c) the \*tax period turnover threshold.

- (iii) that is made through an \*enterprise that the supplier does not \*carry on in Australia.

## 188-20 Projected GST turnover

### *General*

- (1) Your **projected GST turnover** at a time during a particular month is the sum of the \*values of all the supplies that you have made, or are likely to make, during that month and the next 11 months, other than:
- (a) supplies that are \*input taxed; or
  - (b) supplies that are not for \*consideration (and are not \*taxable supplies under section 72-5); or
  - (c) supplies that are not made in connection with an \*enterprise that you \*carry on.

### *Members of GST groups*

- (2) If you are a \*member of a \*GST group, your **projected GST turnover** at a time during a particular month is the sum of the \*values of all the supplies that you or any other member of the group have made, or are likely to make, during that month and the next 11 months other than:

  - (ii) that is not made in Australia; and
  - (iii) that is made through an \*enterprise that the supplier does not \*carry on in Australia.

### **188-22 Settlements of insurance claims to be disregarded**

In working out your \*current GST turnover or your \*projected GST turnover, disregard any supply that you have made to the extent that the \*consideration for the supply:

- (a) is a payment of \*money, or a supply, by an insurer in settlement of a claim under an \*insurance policy; or
- (aa) is a \*CTP dual premium or election payment or supply, a \*CTP hybrid payment or supply or a \*CTP compensation or ancillary payment or supply; or
- (b) is a payment of money, or a supply, by an \*HIH rescue entity in the circumstances referred to in subsection 78-120(1).

Note: Under Subdivision 78-B, your settlements of insurance claims can be treated as constituting supplies by insured entities.

### **188-23 Supplies “reverse charged” under Division 83 not to be included in a recipient’s GST turnover**

To avoid doubt, if the GST on a \*taxable supply is, under Division 83, payable by the \*recipient of the supply, that supply is disregarded in working out the \*current GST turnover or the \*projected GST turnover of the recipient.

### **188-24 Supplies to which Subdivision 153-B applies**

- (1) In working out your \*current GST turnover or your \*projected GST turnover, you may choose to treat the \*value of any \*taxable supply that, under subsection 153-55(1), you are taken to make as an agent as being an amount equal to the difference between:

Section 188-25

---

- (b) the value of the taxable supply that, under subsection 153-55(2), is taken to be made to you in relation to the taxable supply that you are taken to make.
- (2) In working out your \*current GST turnover or your \*projected GST turnover, you may choose to treat the \*value of any \*taxable supply that, under subsection 153-60(2), you are taken to make as an agent as being an amount equal to the difference between:
  - (a) what is, apart from this section, the value of the supply; and
  - (b) <sup>10/11</sup> of the \*consideration you provided or are liable to provide for the \*creditable acquisition that, under subsection 153-60(1), you are taken to make and that relates to that supply.

**188-25 Transfer of capital assets, and termination etc. of enterprise, to be disregarded**

In working out your \*projected GST turnover, disregard:

- (a) any supply made, or likely to be made, by you by way of transfer of ownership of a capital asset of yours; and

  - (i) ceasing to carry on an \*enterprise; or
  - (ii) substantially and permanently reducing the size or scale of an enterprise.

**188-30 The value of non-taxable supplies**

For the purposes only of this Division, the value of a supply that is not a \*taxable supply is taken to be <sup>11/10</sup> of what would be the \*value of the supply if it were a taxable supply.

For the basic rules on the value of taxable supplies, see Subdivision 9-C.

**188-32 The value of gambling supplies**

For the purposes only of this Division, the value of all the \*gambling supplies that an entity makes during a particular period is taken to be an amount equal to 11 times:

- (a) the entity's \*global GST amount for that period; or

---

\*To find definitions of asterisked terms, see the Dictionary, starting at section 195-1.

---

- (b) if that period is not a tax period—what would have been the entity's global GST amount for the period if that period had been a tax period.

**188-35 The value of loans**

To the extent that a supply is constituted by a loan of \*money, any repayment of the principal, and any obligation to repay the principal, is to be disregarded in working out the value of the supply.

**188-40 Supplies of employee services by overseas entities to be disregarded for the registration turnover threshold**

- (1) In working out a \*non-resident's \*current GST turnover or \*projected GST turnover in order to determine whether it meets the \*registration turnover threshold, if:
  - (a) the non-resident makes a supply of the services of an employee of the non-resident; and
  - (b) the \*recipient of the supply is the non-resident's \*100% subsidiary; and
  - (c) the services that the employee performs for the recipient are performed in Australia;disregard the supply to the extent that the payments that the non-resident makes to the employee for performing those services would, if they were made by the recipient, be \*withholding payments.
- (2) This section does not affect how to work out any \*turnover threshold other than the \*registration turnover threshold.

### **Schedule 1**

#### **13 Definition**

In this Part:

*GST Act* means the *A New Tax System (Goods and Services Tax) Act 1999*.

#### **14 General application**

- (1) The amendments made by this Schedule (other than items 4 to 6) apply, and are taken to have applied, in relation to net amounts for tax periods starting, or that started, on or after 1 July 2000.
- (2) However, to avoid doubt, a determination made for the purposes of paragraph 38-25(3B)(a) of the GST Act (as amended by this Act) does not apply in relation to any supplies made before the commencement of this item.
- (3) The amendments made by items 4 to 6 of this Schedule apply to supplies made on or after the day on which this Act receives the Royal Assent.

#### **15 Attributing input tax credits**

- (1) If:
  - (a) you are entitled to an input tax credit for an acquisition or importation made before the commencement of this item; and
  - (b) you would not be entitled to the input tax credit if the amendments made by this Schedule had not been made;to the extent that you would, apart from this item, attribute that input tax credit to a tax period ending before the commencement of this item, you may instead attribute it to the first tax period ending after that commencement.
- (2) This item does not apply for the purpose of working out adjustment periods for the purposes of Division 129 of the GST Act (which is about adjustments for changes to the extent of creditable purposes).

- (3) This item has effect despite:
- (a) sections 29-10 and 29-15 of the GST Act (which are about attributing input tax credits); and
  - (b) section 105-55 in Schedule 1 to the *Taxation Administration Act 1953* (which is about the time limit on refunds and credits).

**16 Application of section 105-55 in Schedule 1 to the *Taxation Administration Act 1953***

Section 105-55 in Schedule 1 to the *Taxation Administration Act 1953* does not apply to a refund under section 35-5 of the GST Act in respect of a tax period to the extent that:

- (a) before the commencement of this item, GST on a taxable supply was attributable to that tax period; and
- (b) because of the amendments of the GST Act made by this Act, the supply is no longer a taxable supply.

**17 Application of section 78-50 of the GST Act**

Section 78-50 of the GST Act does not apply to a payment or supply made in settlement of a claim under an insurance policy if:

- (a) the entity that paid all or a part of the premium for the insurance policy had, at or before the time referred to in subparagraph 78-50(1)(c)(i) of the GST Act, informed the insurer of the entitlement to an input tax credit for the premium it paid; and
- (b) in so informing the insurer, the entity did not, at that time, understate the extent of the entitlement; and
- (c) because of the amendments of the GST Act made by this Act, the statement of the extent of the entitlement is now an understatement of the entitlement.

**18 Application of Aged Care Minister's determinations relating to paragraph 38-25(3)(b) of the GST Act**

Any requirement in a determination made for the purposes of paragraph 38-25(3)(b) of the GST Act that accommodation be included in a package of services, or that charges for accommodation be payable to the entity to which charges for services are payable, does not apply in relation to a supply that:

- (a) is made to a resident of a serviced apartment in a retirement village; and

**Table A**

---

*Tax Laws Amendment (Repeal of Inoperative Provisions) Act 2006*  
(No. 101, 2006)

## **Schedule 6**

### **1 Application of Schedule 1 and 2 amendments**

Except as mentioned in items 2 and 3, the repeals and amendments made by Schedules 1 and 2 apply:

- (a) so far as they affect assessments—to assessments for the 2006-07 income year and all later income years; and
- (b) otherwise—to acts done or omitted to be done, or states of affairs existing, after the commencement of the repeals and amendments.

### **6 Object**

The object of this Part is to ensure that, despite the repeals and amendments made by this Act, the full legal and administrative consequences of:

- (a) any act done or omitted to be done; or
- (b) any state of affairs existing; or
- (c) any period ending;

before such a repeal or amendment applies, can continue to arise and be carried out, directly or indirectly through an indefinite number of steps, even if some or all of those steps are taken after the repeal or amendment applies.

### **7 Making and amending assessments, and doing other things, in relation to past matters**

Even though an Act is repealed or amended by this Act, the repeal or amendment is disregarded for the purpose of doing any of the following under any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*):

- (a) making or amending an assessment (including under a provision that is itself repealed or amended);
- (b) exercising any right or power, performing any obligation or duty or doing any other thing (including under a provision that is itself repealed or amended);

in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

**Table A**

---

Example 1: On 31 July 1999, Greg Ltd lodged its annual return under former section 160ARE of the *Income Tax Assessment Act 1936*. The return stated that the company had a credit on its franking account and that no franking deficit tax was payable for the 1998-99 franking year. Under former section 160ARH of that Act, the Commissioner was taken to have made an assessment consistent with the return.

Following an audit undertaken after the repeal of Part IIIAA of that Act, the Commissioner concludes that Greg Ltd fraudulently overfranked dividends it paid during the 1998-99 franking year, and had a franking account deficit for that franking year. As a result, the Commissioner considers that franking deficit tax and a penalty by way of additional tax are payable.

The Commissioner can amend the assessment under former section 160ARN of that Act, because item 7 of this Schedule disregards the repeal of that section for the purposes of making an assessment in relation to the 1998-99 franking year. Item 7 will also disregard the repeal of Division 11 of former Part IIIAA to the extent necessary for the Commissioner to assess Greg Ltd's liability to a penalty by way of additional tax.

Despite the repeal of sections 160ARU and 160ARV, item 9 will ensure that the general interest charge will accrue on the unpaid franking deficit tax and penalty until they are paid.

Item 7 will also preserve Greg Ltd's right, under former section 160ART of that Act, to object against the Commissioner's amended assessment (including the penalty), since the objection is the exercise of a right in relation to a franking year that ended before the repeal of Part IIIAA.

Example 2: During the 1997-98 income year, Duffy Property Ltd withheld amounts from its employees' wages as required by former Divisions 1AAA and 2 of Part VI of the *Income Tax Assessment Act 1936*. The company failed to notify the Commissioner of those amounts, and failed to remit them to the Commissioner.

Following an audit undertaken after the repeal of those Divisions, the Commissioner discovers that the withheld amounts have not been remitted. The company's records are incomplete and the Commissioner is unable to completely ascertain the extent of its liability for the withheld amounts. Under section 222AGA of that Act, the Commissioner makes an estimate of the liability.

Item 7 will disregard the repeal of section 220AAZA of that Act (which empowered the Commissioner to recover the amount of the estimate). Even though the estimate is made after the repeal, it relates to amounts withheld before the repeal.

---

**8 Saving of provisions about effect of assessments**

If a provision or part of a provision that is repealed or amended by this Act deals with the effect of an assessment, the repeal or amendment is disregarded in relation to assessments made, before or after the repeal or amendment applies, in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

**9 Saving of provisions about general interest charge, failure to notify penalty or late reconciliation statement penalty**

If:

- (a) a provision or part of a provision that is repealed or amended by this Act provides for the payment of:
  - (i) general interest charge, failure to notify penalty or late reconciliation statement penalty (all within the meaning of the *Income Tax Assessment Act 1936*); or
  - (ii) interest under the *Taxation (Interest on Overpayments and Early Payments) Act 1983*; and
- (b) in a particular case, the period in respect of which the charge, penalty or interest is payable (whether under the provision or under the *Taxation Administration Act 1953*) has not begun, or has begun but not ended, when the provision is repealed or amended;

then, despite the repeal or amendment, the provision or part continues to apply in the particular case until the end of the period.

**10 Repeals disregarded for the purposes of dependent provisions**

If the operation of a provision (the *subject provision*) of any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*) made under any Act depends to any extent on an Act, or a provision of an Act, that is repealed by this Act, the repeal is disregarded so far as it affects the operation of the subject provision.

**11 Schedule does not limit operation of section 8 of the Acts Interpretation Act 1901**

This Schedule does not limit the operation of section 8 of the *Acts Interpretation Act 1901*.

Subject to items 223 and 224, the amendments made by this Schedule apply in relation to income years, statutory accounting periods and notional accounting periods starting on or after the first 1 July that occurs after the day on which this Act receives the Royal Assent.

**225 Object**

The object of this Part is to ensure that, despite the repeals and amendments made by this Act, the full legal and administrative consequences of:

- (a) any act done or omitted to be done; or
- (b) any state of affairs existing; or
- (c) any period ending;

before such a repeal or amendment applies, can continue to arise and be carried out, directly or indirectly through an indefinite number of steps, even if some or all of those steps are taken after the repeal or amendment applies.

**226 Making and amending assessments, and doing other things, in relation to past matters**

Even though an Act is repealed or amended by this Act, the repeal or amendment is disregarded for the purpose of doing any of the following under any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*):

- (a) making or amending an assessment (including under a provision that is itself repealed or amended);
- (b) exercising any right or power, performing any obligation or duty or doing any other thing (including under a provision that is itself repealed or amended);

in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

**Example:** For the 2006-07 income year, Smart Investor Pty Ltd, an Australian resident private investment company, has assessable foreign income in the passive income class on which it has paid foreign tax for which it wishes to claim a foreign tax credit. The company also has a tax loss for the year from its Australian investments. When it lodges its tax return for the year it does not elect to claim a deduction for any of the tax loss under section 79DA of the ITAA 1936, because the Australian tax payable on its passive foreign income equals the foreign tax it has paid.

In 2009 the amount of foreign tax payable in respect of some foreign rental income it had included in its return for the 2006-07 year is reduced and Smart Investor receives a refund of the difference in foreign tax. Smart Investor Pty Ltd then applies to be able to make an election under section 79DA, that is, after the *Tax Laws Amendment (2007 Measures No. 4) Act 2007* (which repeals section 79DA) receives Royal Assent. The Commissioner allows Smart Investor to submit an election to claim a deduction for so much of its 2006-07 tax loss as to reduce the amount of Australian tax payable on its 2006-07

**Table A**

---

assessable foreign income to the revised foreign tax paid, by the end of 2009.

Despite the repeal of section 79DA, item 226 allows the Commissioner to permit an election to be lodged after the return for 2006-07 has been lodged, and to amend Smart Investor's assessment for that year, because these actions relate to a thing done, and periods ending, before the repeal of section 79DA applies.
