1. Subject to clauses 3, 4 and 5, the maximum limits mentioned in paragraph 1.05 (4) (f) or 1.06 (4) (e) are determined under the formula:

$$\frac{AB}{PVF}$$

where:

**AB** means the amount of the annuity account balance, or pension account balance, as the case requires:

- (a) on 1 July in the financial year in which the payments are made; or
- (b) if that year is the year in which the annuity payments, or pension payments, commence — on the commencement day; and

**PVF** means the maximum pension valuation factor set out in Column 3 in the Table in this Schedule in relation to the item in the Table that represents the age of the beneficiary on:

- (a) 1 July in the financial year in which the payments are made; or
- (b) if that is the year in which the annuity payments, or pension payments, commence — the commencement day.

2. Subject to clauses 3 and 4, the minimum limits mentioned in paragraph 1.05 (4) (f) or 1.06 (4) (e) are determined under the formula:

$$\frac{AB}{PVF}$$

where:

**AB** means the amount of the annuity account balance, or pension account balance, as the case requires:

- (a) on 1 July in the financial year in which the payments are made; or
- (b) if that year is the year in which the annuity payments, or pension payments, commence — on the commencement day; and

**PVF** means the minimum pension valuation factor set out in Column 4 in the Table to this Schedule in relation to the item in the Table that represents the age of the beneficiary on:

- (a) 1 July in the financial year in which the payments are made; or
- (b) if that is the year in which the annuity payments, or pension payments, commence — the commencement day.

- 3. For a calculation of the maximum or minimum limit in the year in which the commencement day of the pension or annuity occurs if that day is a day other than 1 July, the appropriate value set out in Column 3 or Column 4 must be applied proportionally to the number of days in the financial year that include and follow the commencement day.
- 4. An amount determined under the formula in clause 1 or clause 2, is rounded to the nearest 10 whole dollars.

*Example*

Clive Long, who turns 65 on 8 February 2006, invests \$100,000 in an allocated pension fund on 1 March 2006. The date of the first payment to Mr Long is 1 April 2006.

2005/06: The maximum and minimum payments for 2005/06 are based on:

- (a) the account balance on the day of purchase; and
- (b) the beneficiary's age of 65 on the day of purchase:

$$\frac{\$100,000}{9.9} \times \frac{122}{365} = \$3,376.23 \text{ (maximum limit, rounded to \$3,380)}$$

$$\frac{\$100,000}{17.3} \times \frac{122}{365} = \$1,932.06 \text{ (minimum limit, rounded to \$1,930)}$$

Assume that total payments to Mr Long at 30 June 2006 are \$3,000.

2006/07: The maximum and minimum payments for 2006/07 are based on:

- (a) the account balance on 1 July 2006 which is \$99,300 (residue \$97,000 + earnings of \$2,300); and
- (b) the beneficiary's age of 65 on 1 July 2006:

$$\frac{\$99,300}{9.9} = \$10,030.30 \text{ (maximum limit, rounded to \$10,030)}$$

$$\frac{\$99,300}{17.3} = \$5,739.88 \text{ (minimum limit, rounded to \$5,740)}$$

## Schedule 1B Pension valuation factors

(paragraph 1.06 (6) (g) and subregulation 1.08 (1))

1. The pension valuation factor for:
  - (a) a pension that is to be indexed at a rate greater than 8% each year; or
  - (b) a pension that is included in a class of pensions that are to be indexed at a rate that is greater than 8% each year;is the factor determined in writing by the Regulator, on a case-by-case basis, in relation to that pension or class of pensions.
2. The pension valuation factor for any other pension is the factor applicable to the pension under the following tables.
3. A reference in the tables to *Age* is a reference to the age of the recipient on the commencement day of the relevant pension. If the age of a person on that day falls between 2 of the ages specified in a table, the pension valuation factor is to be determined by reference to the factors specified under the next greater age group in the table.
4. If a pension has no reversion, the pension valuation factor for the pension is to be the relevant factor specified in the relevant table in the *Below 50%* group.
5. If the rules of a superannuation fund provide that a pension is indexed to movements in salary, the pension valuation factor for the pension is the relevant factor specified in the table relating to an indexation rate of 8%.
6. If a pension is indexed by reference to movements in a price index published by the Australian Statistician, the pension valuation factor for the pension is the relevant factor applicable under the table into which the standard indexation rate falls.
7. Subject to clause 8, if the governing rules of a superannuation fund provide for a pension to be indexed at the discretion of the trustees of the fund, the pension valuation factor is to be determined as if the indexation rate were a rate worked out by:

- (a) adding together the indexation rates determined by the trustees for pensions of same kind as that pension in respect of each year in the period of 5 years of which the year of income in which the pension commences to be paid is the last year; and
  - (b) dividing the result by 5.
8. If a superannuation fund to which clause 7 applies has been in existence, or making pension payments, for less than a continuous period of 5 years, the pension valuation factor is to be the relevant factor specified in the table that relates to the standard indexation rate.

(regulation 6.34)

**Completing the request to transfer whole balance  
of superannuation benefits between funds form**

By completing this form, you will request the transfer of the WHOLE balance of your superannuation benefits between funds. This form can NOT be used to transfer part of the balance of your superannuation benefits. This form will NOT change the fund to which your employer pays your contributions. The Standard Choice Form must be used by you to change funds.

- Print clearly in BLOCK LETTERS.

**AFTER COMPLETING THIS FORM**

- Review the checklist below.
- Send the request form to your fund.

**IMPORTANT INFORMATION**

 This transfer may close your account (you will need to check this with your FROM fund).

**This form can NOT be used to:**

- transfer part of the balance of your superannuation benefits
- transfer benefits if you don't know where your superannuation is
- transfer benefits from multiple funds on this one form – a separate form must be completed for each fund you wish to transfer superannuation from
- change the fund to which your employer pays contributions on your behalf
- open a superannuation account, or
- transfer benefits under certain conditions or circumstances, for example if there is a superannuation agreement under the *Family Law Act 1975* in place.

**CHECKLIST**

- Have you read the important information?
- Have you considered where your future employer contributions will be paid?
- Have you checked your TO fund can accept the transfer?
- Have you completed all of the mandatory fields on the form?
- Have you signed and dated the form?
- Have you attached the certified documentation including any linking documents if applicable?

**WHAT HAPPENS TO MY FUTURE EMPLOYER CONTRIBUTIONS?**

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits FROM.

If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about Choice. For the appropriate forms and information about whether you are eligible to choose the fund to which your employer contributions are made, visit [www.superchoice.gov.au](http://www.superchoice.gov.au) or call the Australian Taxation Office on 13 10 20.

**THINGS YOU NEED TO CONSIDER WHEN TRANSFERRING YOUR SUPERANNUATION**

When you transfer your superannuation, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your superannuation. If you ask for information, your superannuation provider must give it to you. Some of the points you may consider are:

- **Fees** – your FROM fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees. Your TO fund may also charge entry or deposit fees on transfer. Differences in fees funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.
- **Death and disability benefits** – your FROM fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance, or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs and amount of any cover offered.

**WHAT HAPPENS IF I DO NOT QUOTE MY TAX FILE NUMBER (TFN)?**

You are not obligated to provide your TFN to your superannuation fund. However, if you do not provide your TFN, your fund may be taxed at the highest marginal tax rate plus the Medicare levy on contributions made to your account in the year, compared to the concessional tax rate of 15%. Your fund may deduct this additional tax from your account.

If your superannuation fund does not have your TFN, you will not be able to make personal contributions to your superannuation account. Choosing to quote your TFN will also make it easier to keep track of your superannuation in the future.

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another superannuation provider, when your benefits are being transferred, unless you request in writing that your TFN is not to be disclosed to any other trustee.

**TRANSFERS TO SELF MANAGED SUPERANNUATION FUNDS**

You may use this form to transfer your benefits to your own self managed superannuation fund (SMSF).

You should be aware that SMSFs are subject to the same rules and restrictions as other funds, when benefits are to be paid out. In particular, superannuation benefits in a SMSF are required to be 'preserved', meaning they are not generally able to be accessed until you are over age 55 and retired.

The trustee of your FROM fund may be able to request further information from you about your status as a member, a trustee or a director of a corporate trustee of your SMSF, if there are multiple transfer requests to your SMSF. Penalties may apply for providing false or misleading information.

**IN-CONFIDENCE – when completed**

## Schedule 6      Payments for market linked income streams

(subregulations 1.05 (10) and 1.06 (8))

1. Subject to the following clauses, the total amount of the payments mentioned in paragraph 1.05 (10) (b) or 1.06 (8) (b) is determined using the formula:

$$\frac{AB}{PF}$$

where:

**AB** means the amount of the market linked annuity account balance, or market linked pension account balance, as the case requires:

- (a) on 1 July in the financial year in which the payment is made; or
- (b) if that year is the year in which the market linked annuity or pension commences — on the commencement day.

**PF** means the payment factor set out in Column 3 in the Table in relation to the item in the Table that represents the term of the market linked annuity or pension remaining, expressed in whole years in accordance with clause 5, on:

- (a) 1 July in the financial year in which the payment is made; or
- (b) if that is the year in which the annuity or pension commences — the commencement day.

2. Payment of the account balance is sufficient to meet the payment for the financial year if, during the year, the account balance becomes less than the lesser of the following amounts:
- (a) the amount determined under clause 1;
  - (b) the balance of the amount determined under clause 1 that remains to be paid for the year.
3. If, in the final year of the annuity or pension, after payment of the amount determined under clause 1, there is a residual balance in the account — payment of the account balance must be made within 28 days after:

- (a) the end of the term of the annuity or pension; or
  - (b) if a period is chosen under clause 7 — the end of that period.
4. An amount determined under the formula in clause 1 is rounded to the nearest 10 whole dollars.
5. For clause 1, the remaining term of a market linked annuity or pension is rounded as follows:
- (a) if the commencement day of the market linked annuity or pension is on or after 1 January in a financial year — rounded up to the nearest whole year;
  - (b) if the commencement day of the market linked annuity or pension is on or before 31 December in a financial year — rounded down to the nearest whole year.
6. If the commencement day of the pension or annuity is a day other than 1 July — the appropriate factor set out in Column 3 of the Table must be applied proportionally to the number of days in the financial year that include and follow the commencement day in that financial year.
7. If, on 1 July in a financial year (*current year*):
- (a) the payment factor that applies to an account balance for a market linked annuity or pension is 1.00; and
  - (b) the payment factor that applied on 1 July in the previous financial year was not 1.00;
- payments made in respect of the current year and the period after (if any) are taken to be determined in accordance with clause 1 if they comply with the following conditions:
- (c) payment of the account balance over one of the following periods:
    - (i) if the remaining term of the annuity or pension is greater than 12 months — that period;
    - (ii) 12 months;
  - (d) if payments are made in accordance with paragraph (c) — the provider has no obligation to make any other payment that, but for this clause, would have been determined on 1 July in the subsequent financial year.

8. An amount is taken to have been determined in accordance with clause 1 of this Schedule if the amount is:
- (a) not less than the amount determined in accordance with clause 1 of this Schedule, less 10 per cent of that amount; and
  - (b) not greater than the amount determined in accordance with clause 1 of this Schedule, plus 10 per cent of that amount.

## Schedule 7      **Minimum payment amount for a superannuation income stream**

(paragraph 1.05 (11A) (a), subparagraph 1.05 (11A) (b) (i), paragraph 1.06 (9A) (a), subparagraph 1.06 (9A) (b) (i) and regulation 1.07D)

- 1 (1) Subject to clauses 3 and 4, the amount of payments mentioned in paragraph 1.05 (11A) (a) or 1.06 (9A) (a) is the amount worked out using the formula:

account balance × percentage factor.

- (2) In subclause (1):

**account balance** means:

- (a) the amount of the annuity or pension account balance:
- (i) on 1 July in the financial year in which the payment is made; or
  - (ii) if that year is the year in which the annuity or pension payments commence — on the commencement day; or
- (b) if the amount of the annuity or pension account balance under paragraph (a) is less than the withdrawal benefit to which the beneficiary would be entitled if the annuity or pension were to be fully commuted — the amount of the withdrawal benefit.

**percentage factor** means the percentage factor specified in the item in the table that applies to the beneficiary because of the beneficiary's age on:

- (a) 1 July in the financial year in which the payment is made; or
- (b) if that is the year in which the annuity or pension payments commence — the commencement day.

- 
- 2 (1) The amount of payments mentioned in
- (a) subparagraph 1.05 (11A) (b) (i) and sub-subparagraph 1.05 (11A) (b) (ii) (D); and
  - (b) subparagraph 1.06 (9A) (b) (i) and sub-subparagraph 1.06 (9A) (b) (ii) (C);
- is the amount worked out using the formula:
- $$\text{purchase price} \times \text{percentage factor.}$$
- (2) In subclause (1):
- purchase price*** means the total amount paid as consideration to purchase the income stream.
- percentage factor*** means the percentage factor specified in the item in the table that applies to the beneficiary because of the beneficiary's age on:
- (a) the commencement day; or
  - (b) the anniversary of the commencement day.
- 3 For the determination of the minimum total payment in the year in which the commencement day of the annuity or pension occurs, if that day is a day other than 1 July, the applicable value specified in column 3 of the table must be applied proportionally to the number of days in the financial year that include and follow the commencement day.
- 4 If the commencement day of the annuity or pension is on or after 1 June in a financial year, no payment is required to be made for that financial year.
- 5 An amount determined under this Schedule is to be rounded to the nearest 10 whole dollars. If the amount ends in an exact 5 dollars, it is to be rounded up to the next 10 whole dollars.

## MODIFICATION DECLARATION NO 26

I, Wayne Stephen Byres, a delegate of the Australian Prudential Regulation Authority, make this Modification Declaration under section 332 of the *Superannuation Industry (Supervision) Act 1993*.

Dated 22 July 2005

**1 Name of Modification Declaration**

This Modification Declaration is called Modification Declaration No 26.

**2 Commencement**

This Modification Declaration is taken to have commenced on 12 May 2004.

**3 Modifications**

The *Superannuation Industry (Supervision) Regulations 1994* have effect, in relation to superannuation entities and their trustees, as if they were modified as specified in the Schedule.

## Schedule                      Modifications

### Add after subregulation 5.08(2):

(2A) Subregulation (1) does not apply in relation to an amount of minimum benefits of a member (the *forfeited member*) in an accumulation fund (the *forfeiting fund*) that is not a self managed superannuation fund if all the following conditions are satisfied:

1. The amount is attributable only to non-mandated employer contributions that were made, for the benefit of the forfeited member, to:
  - (a) the forfeiting fund; or
  - (b) another regulated superannuation fund (other than a self managed superannuation fund) of which the forfeited member was a member and in which the forfeited member did not have a defined benefit interest.
2. The forfeited member's entitlement to the amount is subject to certain minimum service provisions (the *applicable minimum service provisions*) that are contained in one or more of the following:
  - (a) the governing rules of the forfeiting fund;
  - (b) a written agreement between the forfeited member and the forfeited member's employer;
  - (c) an award relating to the forfeited member's conditions of employment;
  - (d) a certified agreement relating to the forfeited member's conditions of employment.

Note: Some of the applicable minimum service provisions may be contained in one of the documents mentioned in paragraphs (a) to (d) while others may be contained in another of those documents.

3. The forfeited member failed to satisfy the minimum service requirement contained in the applicable minimum service provisions.

- 
4. As a result of that failure, the forfeited member lost their entitlement to the amount.
  5. Either:
    - (a) the applicable minimum service provisions applied to the forfeited member during the whole of the period (the *post-11 May 2004 period*) from 11 May 2004 to the occurrence of the forfeiting event; or
    - (b) the applicable minimum service provisions applied to the forfeited member during the latter part of the post-11 May 2004 period and predecessor minimum service provisions applied to the member during the rest of the post-11 May 2004 period.
  6. If paragraph (b) of condition 5 applies – the trustee of the forfeiting fund is satisfied, on reasonable grounds, that the applicable minimum service provisions are not more unfavourable to the forfeited member than the predecessor minimum service provisions.

Note: An example of the applicable minimum service provisions being more unfavourable to the forfeited member than the predecessor minimum service provisions is where the predecessor minimum service provisions specify a minimum service period of 10 years while the applicable minimum service provisions specify a minimum service period of 12 years.
  7. If any of the applicable minimum service provisions are contained in the governing rules of the forfeiting fund – the trustee of the forfeiting fund believes, on reasonable grounds, that the provisions, or their effect, were disclosed to the forfeited member in accordance with applicable disclosure requirements imposed by or under the Act or the *Corporations Act 2001*.
  8. The contributions mentioned in condition 1 were required to be made by:

- (a) the applicable minimum service provisions; or
- (b) predecessor minimum service provisions.

Note 1: Note the use of the term *required* in condition 8. If, under the applicable minimum service provisions or predecessor minimum service provisions, the employer merely has a discretion to make non-mandated employer contributions to the fund for the benefit of the forfeited member, but is not obliged to make the contributions, the exception in subregulation (2A) will not apply to the minimum benefits financed by such discretionary contributions.

Note 2: If a member loses their entitlement to an amount of benefits in the manner described in subregulation (2A), the amount cannot be paid out to the employer unless the payment complies with section 117 of the Act.

(2B) In this regulation:

***applicable minimum service provisions*** has the meaning given in subregulation (2A).

***award*** means an award relating to conditions of employment which is made by an employment tribunal under a law of the Commonwealth, a State or a Territory.

***certified agreement*** means an agreement relating to conditions of employment which is certified by an employment tribunal under a law of the Commonwealth, a State or a Territory.

***employment tribunal*** means a tribunal or body having authority under a law of the Commonwealth, a State or a Territory to make an award or to certify an agreement relating to conditions of employment.

***forfeited member*** has the meaning given in subregulation (2A).

***forfeiting event***, in relation to the forfeited member, means the event (involving ceasing to be an employee or member) which results in the forfeited member failing to satisfy the minimum service requirement in the applicable minimum service provisions, and consequently losing

---

their entitlement to the amount of minimum benefits mentioned in subregulation (2A).

**forfeiting fund** has the meaning given in subregulation (2A).

**minimum service provisions** has the meaning given in subregulation (2C).

**minimum service requirement** has the meaning given in subregulation (2C).

**non-mandated employer contributions** means employer contributions other than mandated employer contributions.

**predecessor minimum service provisions** has the meaning given in subregulation (2D).

(2C) In this regulation, **minimum service provisions** means provisions that satisfy all the following conditions:

1. The provisions are contained in one or more of the following:

(a) the governing rules of a regulated superannuation fund (other than a self managed superannuation fund);

(b) a written agreement between a member of the fund and the member's employer;

(c) an award relating to the member's conditions of employment;

(d) a certified agreement relating to the member's conditions of employment.

Note: Some of the minimum service provisions may be contained in one of the documents mentioned in paragraphs (a) to (d) while others may be contained in another of those documents.

2. The provisions require the member's employer to make non-mandated employer contributions to the fund for the benefit of the member.

3. The provisions make the member's entitlement to the benefits that are attributable to those non-mandated employer contributions conditional or contingent on the member satisfying a stipulation (a

*minimum service requirement*) contained in the provisions that the member be, for a specified minimum period (a *minimum service period*):

- (a) an employee (or a particular class or category of employee) of the employer; or
- (b) an employee (or a particular class or category of employee) of a person (a *previous employer*) who previously carried on the business of the employer; or
- (c) an employee (or a particular class or category of employee) of a related body corporate (a *related employer*) of the employer or a previous employer; or
- (d) a member (or a particular class or category of member) of the fund; or
- (e) a member (or a particular class or category of member) of another regulated superannuation fund (other than a self managed superannuation fund) to which the employer, a previous employer or a related employer made contributions for the benefit of the member.

Note: The minimum service requirement may require the member to belong to only one of the categories mentioned in paragraphs (a) to (e), or to only some of those categories. For example, a given minimum service requirement may require the member to be an employee of either the employer or a related employer for a minimum of 10 years.

Also, a minimum service requirement may permit the member to be in different categories during different parts of the minimum service period (as long as the member is in one or other of those categories at all times during that period).

- (2D) In this regulation, *predecessor minimum service provisions*, in relation to the applicable minimum service provisions, means:

- 
- (a) an earlier version of the applicable minimum service provisions, which applied to the forfeited member when they were a member of the forfeiting fund; or
  - (b) other minimum service provisions, which applied to the forfeited member when they were a member of another regulated superannuation fund (other than a self managed superannuation fund) from which they were subsequently transferred to the forfeiting fund.
